BORN AND MADE IN TASMANIA

Founded by Jen & Matt in Southern Tasmania, we are a proud Tasmanian business using high-quality Tasmanian ingredients wherever possible.

Our original Cashew Bars combine our silky smooth cashew base dipped in real dark chocolate. The rich flavours such as chocolate and coffee provide a decadent treat and are sure to satisfy your craving. The vibrant flavours of mint and strawberry provide a refreshing experience.

WHAT MAKES US DIFFERENT TO OTHER DAIRY

Our cashew base is unique, and an alternative to the typical coconut or almond based products. You won't miss the dairy – compared to available options, we believe our products taste the closest to the 'real thing.'
