Hillgrove Mine Modification 5 Update

Larvotto Resources Limited (**ASX: LRV**, **Larvotto** or the **Company**) advises that Modification 5 (**Mod 5**) for the Hillgrove Antimony-Gold Mine in New South Wales was inadvertently shown as withdrawn on the NSW Major Projects Planning Portal.

The NSW Department of Planning, Housing and Infrastructure (**DPHI**) has confirmed to Larvotto that Mod 5 was withdrawn from the Portal in error and that it is currently working to reinstate Mod 5.

While the Company continues to progress Mod 5 with DPHI, it is also advancing Modifications 8 and 9 (**Mod 8** and **Mod 9**).

Larvotto thanks DPHI for its prompt assistance in addressing this matter and for its ongoing support and engagement as the Company progresses the Hillgrove approvals pathway.

This announcement has been authorised for release by the Board of Directors.
