PROVARIS

ASX Announcement: 19 November 2026

Appendix 3Y Correction and Late Lodgement

SYDNEY: Provaris Energy Ltd (ASX.PV1; Provaris, or the Company) wishes to advise (i) of a correction to the Appendix 3Y released by the Company on 28 October 2026 and (ii) the late lodgement of the subject Appendix 3Y.

The Appendix 3Y incorrectly noted, under "Nature of Change", that the Company shares purchased by Company director Mr David Palmer related to:

> "Participation in the December 2025 Placement with attached free unlisted options. Approved by shareholders on 19 March 2026."

The correct "Nature of Change" was:

> "Acquisition of shares on market", as detailed in the attached corrected Appendix 3Y.

Under ASX Listing Rule 3.19.A.2 the Company is required to submit an Appendix 3Y, for a notifiable change in a director's interest, within 5 business days of the date of the change. In relation to Mr Palmer's acquisition of Company share on market the relevant Appendix 3Y was lodged one day late.

In relation to the late lodgement of the Appendix 3Y, the Company advises the following:

1. The Appendix 3Y was lodged one day late due to an administrative oversight. As soon as the oversight was identified, the document was prepared and promptly lodged with the ASX;
2. The Company is satisfied that it has the necessary reporting and notification practices in place to ensure compliance with its disclosure requirements under ASX Listing Rules 3.19A and 3.19B; and
3. The Company considers that the circumstances resulting in the late lodgement are an isolated incident and that its current practices are adequate to ensure compliance with the ASX Listing Rules.

This Announcement has been authorised for release by the Company Secretary of Provaris Energy Ltd.
