About Alcidion

Alcidion Group Limited (Alcidion) has a simple purpose: to transform healthcare with proactive, smart, intuitive technology solutions that improve the efficiency and quality of patient care in healthcare organisations worldwide.

Alcidion offers a complementary set of software products and technical services that create a unique offering in the global healthcare market. Based on the flagship product, Miya Precision, the solutions aggregate meaningful information to centralised dashboards, support interoperability, facilitate communication and task management in clinical and operational settings and deliver clinical decision support at the point of care; all in support of Alcidion’s mission to improve patient outcomes.

Since listing on the ASX in 2016, Alcidion has acquired multiple healthcare IT companies and now operates across three established markets — Australia, New Zealand and the United Kingdom — serving hospitals and healthcare organisations at scale, with further geographical expansion planned.

With over 25 years of healthcare experience, Alcidion brings together the very best in technology and market knowledge to deliver solutions that make healthcare better for everyone.
