3. BACKGROUND TO RESOLUTIONS

On 8 October 2026, the Company announced the placement of an aggregate of 50,000,000 Shares each at an issue price of $0.02 per Share to a group of unrelated strategic and existing investors to raise A$1 million (before costs) (**Placement**).

It was also announced that participants in the Placement will receive one (1) free attaching unquoted option for every two (2) Placement Shares subscribed for and issued (**Placement Options**). The Placement Options will be exercisable at A$0.04 (4 cents) each and expire 18 months from the date of issue. The issue of the Placement Options is subject to Shareholder approval under Resolution 4.

On 14 October 2026, the Company issued the following Shares pursuant to the Placement:

(a) 21,301,516 Shares issued under the Company's existing placement capacity pursuant to Listing Rule 7.1, ratification of which is sought under Resolution 1; and

(b) 28,698,484 Shares issued under the Company's existing placement capacity pursuant to Listing Rule 7.1A, ratification of which is sought under Resolution 2,

(together, the **Placement Shares**).

The Company engaged the services of GBA Capital Pty Ltd as lead manager and bookrunner to the Placement (the **Lead Manager**). Pursuant to a lead manager engagement dated 4 October 2026 between the Company and the Lead Manager (the **Engagement**), the Company agreed to issue the Lead Manager 8,000,000 unquoted options subject to the same terms as the Placement Options, except for the issue price specified in Schedule 2 (**Lead Manager Options**), as consideration for the provision of services in connection with the Placement.

Resolution 3 seeks ratification of the agreement to issue the Lead Manager Options to the Lead Manager (or its nominees) under Listing Rule 7.4.

Refer to the Company's ASX announcement of 8 October 2026 for further details of the Placement.

4. RESOLUTIONS 1 AND 2 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES UNDER COMPANY'S ASX LISTING RULES 7.1 AND 7.1A CAPACITIES

4.1 General

The background to the Placement, including the issue of Placement Shares, is set out in Section 3 above.

Resolutions 1 and 2 seek Shareholder approval pursuant to Listing Rule 7.4 to ratify the prior issue of the 50,000,000 Placement Shares issued to unrelated parties under the Placement.

The Placement Shares were issued without prior Shareholder approval pursuant to the Company's capacity under Listing Rule 7.1 and Listing Rule 7.1A.

4.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions as set out in Listing Rule 7.2, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue or agree to issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

4.3 Listing Rule 7.1A

Listing Rule 7.1A provides that, in addition to the 15% placement capacity permitted without prior shareholder approval under Listing Rule 7.1 described above, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A may issue or agree to issue, during the period the approval is valid, a number of quoted Equity Securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period as adjusted in accordance with the formula in Listing Rule 7.1A.2.

The Company obtained this approval from its Shareholders at its last annual general meeting held on 29 May 2026.

4.4 Listing Rule 7.4

The issue of the Placement Shares does not fit within any of the exceptions to Listing Rules 7.1 and 7.1A and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1 and 10% placement capacity under Listing Rule 7.1A. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue of the Placement Shares and under Listing Rule 7.1A while the Company's existing approval under that rule remains in force.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue or agreement to issue is taken to have been approved under Listing Rule 7.1 or 7.1A, as applicable (provided that the previous issue or agreement to issue did not breach the applicable Listing Rule) and so does not reduce the company's capacity to issue further equity securities without shareholder

approval under the applicable rule. For the Placement Shares issued under Listing Rule 7.1A, ratification excludes those Shares from variable E in Listing Rule 7.1A.2, restoring the capacity used for their issue only while the Company's existing Listing Rule 7.1A approval remains in force. Ratification does not commence a new 12-month period.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1 and 7.1A.

Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares under Resolutions 1 and 2:

(a) Resolution 1 seeks Shareholder approval to ratify the issue of 21,301,516 Placement Shares under Listing Rule 7.1 for the purposes of Listing Rule 7.4; and

(b) Resolution 2 seeks Shareholder approval to ratify the issue of 28,698,484 Placement Shares under Listing Rule 7.1A for the purposes of Listing Rule 7.4.

4.5 Technical information required by Listing Rule 14.1A

If Resolution 1 is passed, 21,301,516 Placement Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Placement Shares.

If Resolution 1 is not passed, 21,301,516 Placement Shares will continue to be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue or agree to issue without Shareholder approval over the 12-month period following the date of issue of those Placement Shares.

If Resolution 2 is passed, 28,698,484 Placement Shares will be excluded.in calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without Shareholder approval while the Company's existing Listing Rule 7.1A approval remains in force. Ratification does not commence a new 12-month period or extend that approval.

If Resolution 2 is not passed, 28,698,484 Placement Shares will continue to be included in calculating the Company's remaining capacity under Listing Rule 7.1A, effectively decreasing the number of Equity Securities it can issue without Shareholder approval while the Company's existing Listing Rule 7.1A approval remains in force. The Company confirms that ASX Listing Rules 7.1 and 7.1A were not breached at the time of agreement to issue the Placement Shares.

4.6 Technical Information Required by Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolutions 1 and 2:

(a) the Placement Shares were issued to professional and sophisticated investors comprising existing Shareholders and new institutional and private investors identified through a bookbuild process by, and who are clients of, the Lead Manager;

(b) in accordance with paragraph 7.4 of ASX Guidance Note 21 the Company confirms that none of the recipients of the Placement Shares were a related party of the Company or a Material Investor;

(c) 21,301,516 Placement Shares were issued pursuant to ASX Listing Rule 7.1 (ratification of which is sought under Resolution 1);

(d) 28,698,484 Placement Shares were issued pursuant to ASX Listing Rule 7.1A (ratification of which is sought under Resolution 2);

(e) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company ranking equally with all other Shares of the Company;

(f) the Placement Shares were issued on 14 October 2026;

(g) the Placement Shares were issued at a price of $0.02 each;

(h) the purpose of the issue of the Placement Shares was to raise approximately $1.0 million (before costs) in aggregate and the funds have been and will be used for:

(i) continuing exploration across the Company's suite of Critical Minerals Projects in Brazil;

(ii) ongoing exploration at Palma with auger drilling, geophysical surveys and geological interpretation underway - aimed towards additional diamond drilling programs;

(iii) ongoing exploration at Bluebush Ionic Clay Heavy Rare Earth Project and Ipora REE projects; and

(iv) corporate overheads and working capital;

(i) there are no other material terms in relation to the issue of the Placement Shares; and

(j) a voting exclusion statement is included in the Notice for Resolutions 1 and 2.

4.7 Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolutions 1 and 2.

The Chair of the General Meeting intends to vote all available undirected proxies in favour of Resolutions 1 and 2.

5. RESOLUTION 3 - RATIFICATION OF AGREEMENT TO ISSUE LEAD MANAGER OPTIONS

5.1 General

The background to the Placement, including the agreement to issue the Lead Manager Options, is set out in Section 3 above.

Resolution 3 seeks Shareholder approval pursuant to Listing Rule 7.4 to ratify the agreement to issue up to 8,000,000 Lead Manager Options to the Lead Manager (or its nominees).

As at the date of this Notice, the Lead Manager Options have not been issued.

5.2 Listing Rules 7.1 and 7.4

A summary of Listing Rules 7.1 and 7.4 is in Sections 4.2 and 4.4 above.

The agreement to issue the Lead Manager Options does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under that Listing Rule for the 12-month period following the date of the agreement to issue the Lead Manager Options.

The effect of Shareholders passing Resolution 3 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

The Company confirms that Listing Rule 7.1 was not breached at the time it agreed to issue the Lead Manager Options.

5.3 Technical Information Required by Listing Rule 14.1A

If Resolution 3 is passed and the Lead Manager Options are issued no later than three months after the date of the Meeting, the agreement to issue the Lead Manager Options (and the issue itself) will be excluded in calculating the Company's 15% limit under Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of the agreement to issue the Lead Manager Options.

If Resolution 3 is not passed, or the Lead Manager Options are not issued within three months after the date of the Meeting, the Company's ongoing capacity to issue or agree to issue Equity Securities under Listing Rule 7.1 without obtaining prior Shareholder approval will continue to be reduced to the extent of up to 8,000,000 Equity Securities for the 12 month period following the agreement to issue the Lead Manager Options.

5.4 Information Required for the Purpose of Listing Rule 7.5

For the purposes of Listing Rule 7.5, the following information is provided in relation to Resolution 3:

(a) The Company has agreed to issue the Lead Manager Options to the Lead Manager (or its nominees). In the event the Lead Manager Options are issued to nominees of the Lead Manager, such nominees will be selected by the Lead Manager having regard to their involvement in providing services in connection with the Placement. Neither the Lead Manager nor any nominee selected to receive the Lead Manager Options will be a person to whom Listing Rule 10.11 applies. The Lead Manager is a Material Investor on the basis that it is an advisor to the Company who will be issued Equity Securities greater than 1% of the issued capital of the Company.

(b) The Company agreed to issue up to 8,000,000 Lead Manager Options under the Engagement using its placement capacity under Listing Rule 7.1.

(c) The Lead Manager Options will have an exercise price of $0.04, expire on the date that is 18 months after the date of issue and will otherwise be subject to the terms set out in Schedule 2 to this Notice.

(d) As at the date of this Notice, the Company has not issued the Lead Manager Options. However, the Lead Manager Options are intended to be issued prior to the date of the Meeting and, in any event, will be issued no later than three months after the date of the Meeting.

(e) The Lead Manager Options will be issued for a subscription price of $0.000001 per Lead Manager Option.

(f) Nominal funds will be raised from the issue of the Lead Manager Options, with the Lead Manager Options to be issued as consideration in connection with the Engagement.

(g) The Lead Manager Options will be issued under the Engagement. The material terms of the Engagement are summarised in Section 3 to this Notice. The Engagement

contains additional provisions, including warranties and indemnities in respect of the Company, which are considered standard for agreements of this nature.

(h) A voting exclusion statement for Resolution 3 is included in the Notice.

5.5 Board Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3. The Chair of the General Meeting intends to vote all available undirected proxies in favour of Resolution 3.

6. RESOLUTION 4 - APPROVAL TO ISSUE PLACEMENT OPTIONS

6.1 General

The background to the Placement, including the proposed issue of the Placement Options, is set out in Section 3 above.

Resolution 4 seeks Shareholder approval under Listing Rule 7.1 for the issue of up to 25,000,000 Placement Options.

6.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is in Section 4.2 above.

The proposed issue of Placement Options does not fall within any of the exceptions set out in Listing Rule 7.2 and exceeds the Company's 15% placement capacity. It therefore requires the approval of Shareholders under Listing Rule 7.1.

The effect of Shareholders passing Resolution 4 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

6.3 Technical Information Required by Listing Rule 14.1A

If Resolution 4 is passed, the Company will be able to proceed with the issue of the Placement Options. In addition, the issue of the Placement Options will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Placement Options, which means the participants in the Placement will not receive the Placement Options to which they would otherwise be entitled.

6.4 Information Required for the Purpose of Listing Rule 7.3

For the purposes of Listing Rule 7.3, the following information is provided in relation to Resolution 4:

(a) The Placement Options will be issued to the participants in the Placement described in Section 4.6(a).

(b) A maximum of 25,000,000 Placement Options will be issued.

(c) The Placement Options will be exercisable at $0.04 each, expire on the date that is 18 months after the date of issue and will otherwise be subject to the terms set out in Schedule 2 to this Notice.

(d) The Placement Options will be issued no later than three months after the date of the Meeting.

(e) The Placement Options will be issued for nil additional cash consideration on a free-attaching basis to the Placement Shares. Accordingly, no funds will be raised from the issue of the Placement Options.

(f) There are no other material terms to the agreement for the subscription of the Placement Options by Placement participants.

(g) A voting exclusion statement for Resolution 4 is included in the Notice.

6.5 Board Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4. The Chair of the General Meeting intends to vote all available undirected proxies in favour of Resolution 4.
