27 November 2026
ASX: MPW

Cleansing Statement

Metal Powder Works Limited (ASX: MPW) ("the **Company** or "**MPW**") hereby provides Notice to the ASX under section 708A(5)(e) of the Corporations Act 2001 (the Act) for the securities issued as disclosed in the Appendix 2A being 6,976,192 fully paid ordinary shares as part of a private placement to eligible sophisticated, professional and institutional investors (**Placement Shares**).

For the purposes of section 708A(5)(e) of the Corporations Act the Company states that:

a) the Placement Shares were issued without disclosure to investors under Part 6D.2 of the Corporations Act;

b) as at the date of this Notice, the Company has complied with:

i) the provisions of Chapter 2M of the Corporations Act as they apply to the Company;

ii) section 674 and section 674A of the Act; and

c) as at the date of this Notice, there is no excluded information, as that term is defined in sections 708A(7) and 708A(8) of the Corporations Act that is required to be disclosed by the Company.

This announcement has been authorised for release by the Board of Directors of Metal Powder Works Limited.

ABOUT METAL POWDER WORKS

Metal Powder Works Limited (ASX:MPW) is headquartered in Pittsburgh, USA where it also operates its manufacturing base. MPW specialises in the production of high-quality metal powders for additive manufacturing and other advanced applications. MPW has developed a patented, non-thermal powder production process known as DirectPowder™. The MPW process represents the first true innovation in powder manufacturing in over 50 years. This innovative method converts premium bar stock into quality powder for a variety of materials and applications, significantly improving yield and affordability. MPW currently has 16+ powders in production including high strength aluminum, Copper and Copper Nickel alloys, and specialty alloys including CP-Ti and Zircaloy. In 2024, Metal Powder Works was named as Material Company of the Year by the 3D Printing Industry Awards.
