ARBN 700 668 426 (**Titomic US HoldCo**) to the ASX for release to the market in connection with the admission of Titomic US HoldCo to the official list of ASX and the quotation of Titomic US HoldCo's CHESS Depositary Interests (**Titomic US HoldCo CDIs**) on the ASX. 7 Deferred settlement trading

Titomic US HoldCo CDIs will commence trading on ASX on a deferred settlement basis on November 30, 2026. It is anticipated that Titomic US HoldCo CDIs will commence trading on a normal T+2 settlement basis on December 9, 2026.

Former Titomic Shareholders (other than Ineligible Foreign Holders) who trade Titomic US HoldCo CDIs during the deferred settlement trading period will not necessarily know the exact number of Titomic US HoldCo CDIs (if any) that they will receive pursuant to the Scheme until after the Implementation Date, being December 8, 2026. This information will be included in the CHESS allotment confirmation notices and holding statements (referred to in section 6 above) which will only be despatched to Scheme Shareholders (other than Ineligible Foreign Holders) after the Scheme is implemented. Therefore, Scheme Shareholders (other than Ineligible Foreign Holders) should be aware that if they trade in Titomic US HoldCo CDIs during the deferred settlement trading period and prior to receipt of their CHESS allotment confirmation notice or holding statement (as applicable), they do so at their own risk.

Scheme Shareholders who wish to determine their entitlements to receive Titomic US HoldCo CDIs for the purposes of deferred settlement trading should refer to the Scheme Booklet and the Information Memorandum, which contains detailed information in relation to such entitlements.

10 Capital structure

Based on the Titomic Share Register as at November 17, 2026, the anticipated number of ordinary fully paid shares in Titomic US HoldCo to be settled in the form of CHESS Depositary Interests (Titomic US HoldCo CDIs) on issue at the time of admission to ASX is 72,478,136 shares, represented by 1,811,953,400 Titomic US HoldCo CDIs. Accordingly, the capital structure of Titomic US HoldCo immediately following implementation of the Scheme will be:

11 Titomic Scheme Information Line

If you have any questions about the Scheme, please contact the Titomic Scheme Information Line on 1300 867 053 (within Australia) or +61 3 9415 4002 (outside Australia) Monday to Friday between 8:30am and 7:00pm (Sydney time). The Company has established the Titomic Scheme Information Line (managed by its share registry, Computershare Investor Services Pty Limited) to manage enquiries about the Scheme, and that securityholders can contact the information line during the deferred settlement trading period to confirm their security balance in the Company. This will also be set out in the Information Memorandum.

As stated in the Scheme Booklet, Scheme Shareholders (other than Ineligible Foreign Holders) trading Titomic US HoldCo CDIs on a deferred settlement basis and before the issue of holding statements in respect of their Titomic US HoldCo CDIs, do so at their own risk. As such, it is the responsibility of each Scheme Shareholder to confirm their holdings of Titomic US HoldCo CDIs with the Titomic Scheme Information Line before they trade them, to avoid the risk of committing to sell more Titomic US HoldCo CDIs than will be issued to them.

Annexure C – ASX Waivers

ASX has provided the following waivers to Titomic US HoldCo:

1 Minimum spread

A waiver from ASX Listing Rule 1.1, Condition 8 to the extent necessary to permit Titomic US HoldCo to be admitted to the official list of ASX without satisfying the spread requirements of this rule, on the condition that Titomic is in compliance with ASX Listing Rule 12.4 at the time it ceases to trade on ASX.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is the successor entity to Titomic, the Scheme is a 'top hat' arrangement carried out by way of scheme of arrangement approved by participating shareholders and by a court of competent jurisdiction under the *Corporations Act 2001* (Cth) ("Corporations Act"), and ASX Listing Rule 12.4 already requires Titomic to maintain a spread of security holders in its main class of securities that is sufficient to ensure that there is an orderly and liquid market in its securities. Compliance with that rule at the time Titomic ceases trading ensures that Titomic US HoldCo will satisfy the underlying purpose of the spread requirement.

2 Profit or asset test

A waiver from ASX Listing Rule 1.1, Condition 9 to the extent necessary to permit Titomic US HoldCo to be admitted to the official list of ASX without complying with either the profit test in ASX Listing Rule 1.2 or the assets test in ASX Listing Rule 1.3, on the condition that Titomic is in compliance with ASX Listing Rules 12.1 and 12.2 at the time that Titomic ceases to trade on ASX.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is the successor entity to Titomic, the Scheme is a 'top hat' arrangement carried out by way of scheme of arrangement approved by participating shareholders and by a court of competent jurisdiction under the Corporations Act, the principal activities, operations, business, senior management and board of Titomic US HoldCo will be identical to those of Titomic immediately prior to implementation of the Scheme, and ASX Listing Rules 12.1 and 12.2 already require Titomic to have sufficient operations and financial condition for its securities to warrant the continued quotation of its securities. Compliance with those rules at the time Titomic ceases trading ensures Titomic US HoldCo will satisfy the underlying purpose of the profit or asset test.

3 Issue price – options and performance rights

A waiver from ASX Listing Rule 1.1, Condition 12 to the extent necessary to permit Titomic US HoldCo to have options and performance rights on issue with an exercise price less than A$0.20.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is the successor entity to Titomic, the Scheme involves the substitution of a new legal entity for the existing listed entity by way of a 'top hat' arrangement and the Scheme is not expected to result in a change in the economic substance of Titomic or the effective economic interests of its shareholders. On this basis, Titomic US HoldCo is considered to not be an entirely new admission.

4 Information memorandum

(1) A waiver from ASX Listing Rule 1.4.1 to the extent necessary to permit the information memorandum prepared in connection with the proposed Scheme (the **Information Memorandum**) not to include a statement that it contains all of the information that would

otherwise be required under section 710 of the Corporations Act, on the condition that:

(a) the Information Memorandum incorporates the Scheme Booklet;

(b) Titomic US HoldCo releases all of the documents incorporated by reference in the Scheme Booklet to the market as pre-quotation disclosure; and

(c) Titomic US HoldCo provides a statement to the market that Titomic has confirmed to it that it is in compliance with ASX Listing Rule 3.1 at the time Titomic ceases to trade on ASX.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is the successor entity to Titomic, the Scheme is a 'top hat' arrangement carried out by way of scheme of arrangement approved by participating shareholders and by a court of competent jurisdiction under the Corporations Act, the Scheme is not expected to result in a change in the economic substance of Titomic, the effective economic interests of it security holders, security holders or business activities, Titomic's business and assets have been subject to continuous disclosure obligations under the ASX Listing Rules, and the Information Memorandum contains disclosure about the impact of the Scheme on Titomic's shareholders and on Titomic's business. In these circumstances, sufficient information will be available to inform the market.

(2) A waiver from ASX Listing Rule 1.4.4 to the extent necessary to permit the Information Memorandum to be dated on or about the date which the Court makes orders to convene the meeting of Titomic's shareholders to approve the Scheme to be implemented in respect of the Company under the Corporations Act.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is the successor entity to Titomic, the Scheme is a 'top hat' arrangement carried out by way of scheme of arrangement approved by participating shareholders and by a court of competent jurisdiction under the Corporations Act, and on this basis the Information Memorandum should be dated by reference to the date of the Court's convening orders.

(3) A waiver from ASX Listing Rule 1.4.7 to the extent necessary to permit the Information Memorandum not to include a statement that Titomic US HoldCo has not raised any capital for the three months prior to the date of issue of the Information Memorandum, and will not need to raise capital in the three months after that date.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is the successor entity to Titomic, the Scheme is a 'top hat' arrangement carried out by way of scheme of arrangement approved by participating shareholders and by a court of competent jurisdiction under the Corporations Act, Titomic US HoldCo will use the Information Memorandum that incorporates the Scheme Booklet for the Scheme and Titomic is currently not limited from undertaking capital raisings subject to the ASX Listing Rules. On this basis, there is no concern that Titomic US HoldCo is seeking to avoid preparing prospectus-quality information, and the admission of Titomic US HoldCo is not in substance a new listing and so there is no need to deprive Titomic US HoldCo of the ability to raise capital given that Titomic would have been able to do so.

(4) A waiver from ASX Listing Rule 1.4.8 to the extent necessary to permit the Information Memorandum not to include a statement that a supplementary information memorandum will be issued if, between the date of issue of the Information Memorandum and the date on which Titomic US HoldCo CDIs are quoted on the ASX, Titomic US HoldCo becomes aware of

any of the matters referred to in ASX Listing Rule 1.4.8, on the condition that Titomic undertakes to release such information to the ASX Market Announcements Platform (which undertaking is to take the form of a deed poll dated no later than the date the Information Memorandum is released).

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is the successor entity to Titomic, the Scheme is a 'top hat' arrangement carried out by way of scheme of arrangement approved by participating shareholders and by a court of competent jurisdiction under the Corporations Act, Titomic US HoldCo will use the Information Memorandum that incorporates the Scheme Booklet for the Scheme and Titomic remains subject to ASX Listing Rule 3.1 continuous disclosure obligations until the Scheme become effective. Accordingly, Titomic will be able to announce to the market any matters that are material to it and will therefore be material to Titomic US HoldCo upon implementation of the Scheme, and so it is therefore unnecessary to require a statement in the Information Memorandum that supplementary information will be provided.

5 Issue price

A waiver from ASX Listing Rule 2.1, Condition 2 to the extent necessary to permit the Titomic US HoldCo CDIs to have an issue price at the time of admission to the official list of the ASX to be less than A$0.20.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo will be the successor entity to Titomic and the Scheme will not change the assets or operations of Titomic Group. As no new businesses are being brought into Titomic US HoldCo, it is not considered necessary to demonstrate compliance with ASX Listing Rule 2.1, Condition 2 as the market has already valued the assets.

6 Financial reporting

(1) A standard waiver from ASX Listing Rule 4.2A.3 on the terms set out in paragraph 2 of the Annexure to ASX Guidance Note 17 in force at the date of the waiver, on condition that Titomic US HoldCo notifies the ASX in writing at least one business day prior to the reporting deadline if it will be unable to file a Form 10-K or 10-Q in accordance with the required SEC timeframes.

(2) A standard waiver from ASX Listing Rule 4.3A on the terms set out in paragraph 2 of the Annexure to ASX Guidance Note 17 in force at the date of the waiver, on condition that Titomic US HoldCo notifies the ASX in writing at least one business day prior to the reporting deadline if it will be unable to file a Form 10-K or 10-Q in accordance with the required SEC timeframes.

(3) A standard waiver from ASX Listing Rule 4.7B on the terms set out in paragraph 2 of the Annexure to ASX Guidance Note 17 in force at the date of the waiver, on condition that Titomic US HoldCo notifies the ASX in writing at least one business day prior to the reporting deadline if it will be unable to file a Form 10-K or 10-Q in accordance with the required SEC timeframes.

(4) A standard waiver from ASX Listing Rule 4.7C on the terms set out in paragraph 2 of the Annexure to ASX Guidance Note 17 in force at the date of the waiver, on condition that Titomic US HoldCo notifies the ASX in writing at least one business day prior to the reporting deadline if it will be unable to file a Form 10-K or 10-Q in accordance with the required SEC timeframes.

These standard waivers were applied for, and granted by the ASX, in accordance with ASX Guidance Note 17 on the basis that Titomic US HoldCo is a United States established subject to US Securities and Exchange Commission reporting obligations.

7 Voting

A waiver from ASX Listing Rule 6.10.3 to the extent necessary to permit Titomic US HoldCo to comply with the laws of the State of Delaware on security holders' rights to vote.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is incorporated under the laws of the State of Delaware, and Delaware Law (rather than the Corporations Act) provides the method of determining whether a shareholder is entitled to vote at a security holders' meeting. The waiver permits Titomic US HoldCo to comply with its home jurisdiction voting laws, which differ from Australian requirements in certain respects.

8 Liability for unpaid shares

A waiver from ASX Listing Rule 7.26.2 to the extent necessary to permit the Titomic US HoldCo Bylaws not to include a provision that former holders of cancelled or forfeited Titomic US HoldCo Shares (including in the form of CDIs) remain liable (in the absence of shareholder approval) for any amount called but unpaid on such shares or CDIs, on the condition that Titomic US HoldCo undertakes not to issue partly paid Titomic US HoldCo Shares in the future without ASX's written consent (which undertaking is to be given and executed in the form of a deed).

This waiver was applied for, and granted by the ASX, on the basis that liability for unpaid amounts on shares of a Delaware corporation is governed by section 162 of the Delaware General Corporation Law, which provides that a stockholder (including any former stockholder) is liable to pay any unpaid amounts on any shares. In addition, Titomic US HoldCo has no partly paid shares on issue and has undertaken to the ASX not to issue partly paid shares in the future without ASX's prior written consent.

9 Proxy forms

A waiver from ASX Listing Rule 14.2.1 to the extent necessary to permit Titomic US HoldCo not to provide in its proxy form an option for a holder of Titomic US HoldCo Shares or Titomic US HoldCo CDIs to vote against a resolution to elect a director or to appoint an auditor, on the condition that:

(1) Titomic US HoldCo complies with relevant Delaware laws as to the content of proxy forms applicable to resolutions for the election or re-election of directors and the appointment of auditors;

(2) the notice given by Titomic US HoldCo to Titomic US HoldCo Shareholders and Titomic US HoldCo CDI Holders under ASX Settlement Rule 13.8.9 makes it clear that Titomic US HoldCo Shareholders are only able to vote for the resolutions or abstain from voting, and the reasons why this is the case;

(3) Titomic US HoldCo releases details of the waiver to the market as pre-quotation disclosure, and the terms of the waiver are detailed in the management proxy circular provided to all Titomic US HoldCo CDI Holders; and

(4) the waiver only applies for so long as the relevant Delaware laws prevent Titomic US HoldCo from permitting security holders to vote against a resolution to elect a director and to vote against a resolution to appoint an auditor.

This waiver was applied for, and granted by the ASX, on the basis that as a Delaware incorporated entity regulated by US law, Titomic US HoldCo is governed by Delaware law which does not provide for the casting of votes against certain types of resolutions, including the election of directors and the appointment of auditors, and instead permits 'plurality voting' or other forms of voting. The United States has an alternative legislative scheme for security holders to contest the reappointment of directors and auditors, and so the waiver was granted to permit Titomic US HoldCo to comply with Delaware law.

10 Election of directors

A waiver from ASX Listing Rule 14.4 to the extent necessary to permit Titomic US HoldCo to permit a director appointed by the Titomic US HoldCo Board to fill a casual vacancy or as an additional director to hold office beyond the next annual general meeting after that person's appointment if the term of office of the class of director into which that person has been appointed expires at a later annual meeting, in accordance with the Titomic US HoldCo Bylaws.

This waiver was applied for, and granted by the ASX, on the basis that Titomic US HoldCo is a Delaware incorporated entity and its constitution complies with the law of its home jurisdiction. Accordingly, Delaware law requires the retirement of directors in classes, and directors appointed to fill casual vacancies hold office until it is time for the class into which they have been appointed to stand for re-election. As this statutory requirement is inconsistent with ASX Listing Rule 14.4, which requires such a director to hold office only until the next annual general meeting, the waiver permits Titomic US HoldCo to comply with Delaware law regarding director tenure.
