### **VOLUNTARY ANNOUNCEMENT**

This is an announcement issued by Infinites Technology International (Cayman) Holding Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

The board of directors of the Company (the “**Board**”) has recently convened a meeting and approved a range of matters in the agenda. Based on the market environment and the Company’s consideration on its long-term development, the Board has given authorization to the Group’s management team and business divisions for actively expanding in-depth financial cooperation with banks. By steadily adopting diversified financial instruments such as liquidity facilities and financing with letter of credit, the Group aims to further optimize its financial structure, ensuring the liquidity of working capital and thus comprehensively strengthening its anti-risk capability and the stability for long-term operation, so as to lay a solid financial foundation for sustainable development.

The Company hereby announces that it has approved the application by Guangzhou Jiu Zun Interactive Entertainment Company Limited, a wholly-owned subsidiary of the Company, for a total credit ranging from RMB3 million to RMB15 million from a state-owned commercial bank in mainland China. The Company has also agreed Chengdu Zhile Interactive Technology Company Limited, a wholly-owned subsidiary of the Company controlled by contractual arrangement, to provide guarantee on joint and several liability for such credit facility which is intended solely for the borrower’s general working capital but not for any other purpose.

Through the loan agreement, the Group aims to increase the borrower’s working capital to support its core business. The loan will also help the Group broaden its financing channels, replenish its working capital and optimize its debt structure.
