INSIDE INFORMATION RESUMPTION OF PRODUCTION OF YANTAI ZHONGJIA UNDERGROUND MINE

This announcement is made by Persistence Gold Group Ltd (the “**Company**” or the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined by the Listing Rules) under Part XIVA of the Securities and Futures Ordinance.

Reference is made to the announcement of the Company dated 10 February 2026 (the “**Announcement**”) in relation to the suspension of production of Yantai Zhongjia. Unless otherwise specified in the context, capitalised terms used in this announcement shall have the same meanings as those defined in the Announcement.

The Company hereby announces that, as at the date of this announcement, the underground mine of Yantai Zhongjia has resumed operation and production.

The board of directors of the Company considers that, given the relatively short duration of the production suspension of Yantai Zhongjia, the production suspension will not exert material effect on the annual gold production volume of the Group.

The Company will issue further announcements regarding the resumption of production and other necessary information in accordance with the Listing Rules as and when appropriate.
