### **REPAYMENT OF LOAN**

Dragon Mountain Gold Limited ("DMG" or "the Company") is pleased to advise that it has repaid all of the outstanding October 2024 convertible loan plus interests today, using proceeds from a new loan advanced by an unrelated major shareholder, as announced on 21 July 2025.

The repayment of loan gives the Company optionality in future fund raising initiatives, and allows the Company to properly assess a way forward for its existing or potential new project ventures.
