ASX ANNOUNCEMENT

SIMPEC awarded contract by Tianqi Lithium Kwinana

Highlights

- SIMPEC has been awarded a new construction package for Tianqi Lithium at the Tianqi Lithium Hydroxide Processing operation in Kwinana WA.
- The project will enhance capacity within the existing processing facility
- The project aligns with SIMPEC's strategy to support Australia's energy transition.

Tianqi Lithium Kwinana (TLK)

WestStar Industrial Limited (Company or WestStar) (ASX: WSI), an Australian industrial services company, operating in the energy, resources, utility and infrastructure sectors is pleased to announce the award of a new contract, valued at approximately \$4 million, to its wholly owned subsidiary SIMPEC for the delivery of structural, mechanical, piping (SMP), works at the Tianqi Lithium operations in Kwinana, Western Australia.

The project will commence immediately and is scheduled to be completed in Q4 CY2025.

Tianqi Lithium Energy Australia (TLEA) is a joint venture between Tianqi Lithium Corporation and IGO Limited. TLEA owns the Kwinana Lithium-Hydroxide Processing operation, managed by Tianqi Lithium Kwinana (TLK)

The construction package consists of mechanical equipment that will be integrated into the existing processing plant. SIMPEC will perform all SMP works for the construction of the project.

SIMPEC Managing Director Mark Dimasi noted:

“This contract to deliver the new system at Tianqi Lithium Kwinana is a major milestone for SIMPEC. It strengthens our position as a trusted partner for complex industrial projects and reflects our growing role in Australia’s lithium and clean-energy sector. We look forward to working with Tianqi Lithium Kwinana to deliver this important project safely, efficiently and to the highest standards.”
