### 2.3 **Voting by proxy**

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Proxy appointments will only be valid and accepted by the Company if they are made and received no later than 48 hours before the Meeting.

## 2.4 Chair's voting intentions

If the Chair is your proxy, either by appointment or by default, and you have not indicated your voting intention, you expressly authorise the Chair to exercise the proxy in respect of Resolution 1, Resolution 4 and Resolution 5 even though these Resolutions are connected directly or indirectly with the remuneration of the Company's Key Management Personnel.

## 4. Resolution 1 – Remuneration Report

### 4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2025 in the Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2024 annual general meeting held on 6 November 2024. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2026 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

#### 4.2 **Additional information**

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

### 5. **Resolution 2 – Re-election of Director – Jeremy Robinson**

Article 7.2(a) of the Constitution and Listing Rule 14.4 both provide that a director (excluding the managing director) must not hold office without re-election past the third annual general meeting following that director's appointment or three years, whichever is longer.

Article 7.3 of the Constitution provides that a director who retires in accordance with Article 7.2(b)(iii) of the Constitution holds office until the conclusion of the meeting at which that director retires but is eligible for re-election and that re-election takes effect at the conclusion of the meeting.

Jeremy Robinson was appointed as a Director at the Company's annual general meeting held on 3 November 2022. Mr Robinson has agreed to retire at this Meeting and, being eligible, seeks re-election pursuant to this Resolution 2.

If Resolution 2 is approved, Mr Robinson will be re-elected as a Director of the Company with effect from the conclusion of the Meeting.

If Resolution 2 is not approved, Mr Robinson will retire at the conclusion of the Meeting and will not be re-elected as a Director of the Company.

#### 5.1 **Jeremy Robinson**

Mr Robinson is an experienced mining executive having held senior roles at multiple junior and mid-tier mining and exploration companies. Mr Robinson holds a Bachelor of Commerce from the University of Western Australia majoring in Corporate Finance, Investment Finance and Marketing.

Mr Robinson does not currently hold any other material directorships, other than as disclosed in this Notice.

If elected, Mr Robinson is not considered by the Board (with Mr Robinson abstaining) to be an independent Director because he is employed by the Company in an executive capacity.

Mr Robinson has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

#### 5.2 **Board recommendation**

The Board (other than Mr Robinson who has a personal interest in the outcome of Resolution

2) supports the re-election of Mr Robinson on the basis that Mr Robinson's in-depth knowledge and understanding of the Company and its business, and his continuing role as a member of the Board will benefit the Company.

### 5.3 **Additional information**

Resolution 2 is an ordinary resolution.

The Board (other than Mr Robinson who has a personal interest in the outcome of Resolution 2) recommends that Shareholders vote in favour of Resolution 2.

## 6. **Resolution 3 – Approval of 10% Placement Facility**

### 6.1 **General**

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% annual placement capacity under Listing Rule 7.1.

Resolution 3 seeks Shareholder approval to provide the Company with the ability to issue Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) below). The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) below).

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval in Listing Rule 7.1.

### 6.2 **Listing Rule 7.1A**

#### (a) **Is the Company an eligible entity?**

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$8.5 million, based on the closing price of Shares \$0.079 on 29 September 2025.

#### (b) **What Equity Securities can be issued?**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the eligible entity.

As at the date of the Notice, the Company has on issue one quoted class of Equity Securities, being Shares.

#### (c) **How many Equity Securities can be issued?**

Listing Rule 7.1A.2 provides that under the approved 10% Placement Facility, the Company may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

**A** = is the number of Shares on issue at the commencement of the Relevant Period:

- (A) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
- (B) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
  - (1) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
  - (2) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (C) plus the number of fully paid Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
  - (1) the agreement was entered into before the commencement of the Relevant Period; or
  - (2) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (D) plus the number of partly paid Shares that became fully paid Shares in the Relevant Period;
- (E) plus the number of fully paid Shares issued in the Relevant Period with approval under Listing Rules 7.1 and 7.4; and
- (F) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity, and 'Relevant Period' has the relevant meaning given in Listing Rules 7.1 and 7.1A.2, namely, the 12 month period immediately preceding the date of the issue or agreement.

**D** = is 10%.

**E** = is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not

been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

(d) **What is the interaction with Listing Rule 7.1?**

The Company's ability to issue Equity Securities under Listing Rule 7.1A will be in addition to its 15% annual placement capacity under Listing Rule 7.1.

(e) **At what price can the Equity Securities be issued?**

Any Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per Equity Security which is not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph 6.2(e)(i) above, the date on which the Equity Securities are issued,

**(Minimum Issue Price).**

(f) **When can Equity Securities be issued?**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A will be valid from the date of the Meeting and will expire on the earlier of:

- (i) the date that is 12 months after the date of the Meeting;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

**(10% Placement Period).**

(g) **What is the effect of Resolution 3?**

The effect of Resolution 3 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

### 6.3 **Specific information required by Listing Rule 7.3A**

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(a) **Final date for issue**

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) above).

(b) **Minimum issue price**

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 6.2(e) above).

(c) **Purposes of issues under the 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options, only if the Options are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 6.2(c) above) as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) **Issues in the past 12 months**

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 6 November 2024.

In the 12 months preceding the date of the Meeting, the Company issued 8,000,000 Shares under Listing Rule 7.1A on by way of a placement on 14 February 2025 (**February Placement**), as detailed in the table below. The 8,000,000 Shares represents approximately 8.4% of the total number of the Company's Equity Securities on issue at the commencement of that 12-month period.

<b>Date of issue</b>	14 February 2025
<b>Number of Securities</b>	8,000,000
<b>Type of Security</b>	Shares
<b>Recipient of Security</b>	Sophisticated and institutional investors, none of whom was a related party or Material Investor of the Company. The investors were identified through a bookbuild process, which involved the lead manager seeking expressions of interest to participate in the February Placement from existing contacts of the Company and clients of the lead manager
<b>Issue price per Security</b>	\$0.05
<b>Discount to Market Price</b>	The issue price represented a 30.6% discount to the closing market price on the date of issue
<b>Cash consideration received</b>	\$400,000 (before costs)

<b>Amount of cash consideration spent</b>	\$400,000
<b>Use of cash spent to date and intended use for remaining amount of cash (if any)</b>	Proceeds have been used for the ongoing costs associated with the Company's potential acquisition of EAU Lithium, and for working capital purposes (including costs of the February Placement).

At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

#### 6.4 Additional information

Resolution 3 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 3.

## 7. Resolution 4 – Renewed approval of Employee Securities Incentive Plan

### 7.1 General

The Company considers that it is desirable to maintain an employee incentive scheme pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

Resolution 4 seeks re-approval for the adoption of the employee incentive scheme titled 'Cosmos Exploration Limited Employee Securities Incentive Plan' (**Plan**) in accordance with Listing Rule 7.2 exception 13(b). The Plan was adopted at the Company's annual general meeting on 3 November 2022, where Shareholders approved the issue of up to a maximum of 4,200,000 Equity Securities pursuant to Listing Rule 7.2 exception 13(b).

Shareholder approval is sought under this Resolution for the issue of up to a maximum of 10,846,660 Equity Securities under the Plan pursuant to Listing Rule 7.2 exception 13(b). Under the Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Equity Securities in the Company as the Board may decide and on the terms set out in the rules of the Plan. A summary of the key terms and conditions of the Plan is in Schedule 2. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Joint Company Secretaries at

[robbie@sccperth.com.au](mailto:robbie@sccperth.com.au). Shareholders are invited to contact the Company if they have any queries or concerns.

## 7.2 Listing Rules 7.1 and 7.2, exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2, exception 13(b) provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

Listing Rule 7.2, exception 13(b), ceases to be available to the Company if there is a material change to the terms of the Plan from those set out in this Notice in Schedule 2.

If Resolution 4 is passed, the Company will be able to issue up to a maximum of 10,846,660 Equity Securities under the Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 4 is not passed, any issue of Equity Securities pursuant to the Plan would need to be made either with Shareholder approval or, in default of Shareholder approval, pursuant to the Company's placement capacity under either or both Listing Rules 7.1 and 7.1A.

## 7.3 Specific information required by Listing Rule 7.2, exception 13(b)

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to the Plan:

- (a) A summary of the material terms of the Plan is in Schedule 2.
- (b) As at the date of this Notice and since the Plan was approved by Shareholders on 3 November 2022, the Company has issued the following Equity Securities under the Plan:

Issue Date	Equity Security	Number of Equity Securities
15 August 2023	Options	300,000
15 August 2023	Performance Rights	750,000

10 November 2023	Performance Rights	2,000,000
14 November 2023	Options	500,000

- (c) The maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 4 is 10,846,660 (subject to adjustment in the event of a reorganisation of capital and further subject to applicable laws and the Listing Rules). This number comprises approximately 10% of the Company's Equity Securities currently on issue.

The maximum number of Equity Securities is not intended to be a prediction of the actual number to be issued under the Plan but is specified for the purpose of setting a ceiling in accordance with Listing Rule 7.2 exception 13(b).

- (d) A voting exclusion statement is included in the Notice.

#### 7.4 Additional information

Resolution 4 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 4 due to their personal interests in the outcome of the Resolution.

## 8. Resolution 5 – Approval of potential termination benefits under the Plan

### 8.1 General

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provides certain limitations on the payment of 'termination benefits' to officers of listed entities. As is common with employee incentive schemes, the Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This 'accelerated vesting' of Plan Securities may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained.

As the Company is seeking a fresh approval under Listing Rule 7.2, exception 13(b) at this Meeting (the subject of Resolution 4) to adopt the Plan, the Board has resolved to seek Shareholder approval for the granting of such termination benefits in accordance with this Resolution.

If Resolution 5 is not passed, the Company will not be able to offer 'termination benefits' to persons who hold a 'managerial or executive office' pursuant to the terms of the Plan unless

Shareholder approval is obtained each and every time such termination benefit is proposed, in accordance with section 200E of the Corporations Act.

## 8.2 **Part 2D.2 of the Corporations Act**

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by Shareholders in accordance with section 200E of the Corporations Act.

Subject to Shareholder approval of Resolution 5, Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

Under the terms of the Plan and subject to the Listing Rules and the Corporations Act, the Board possesses the discretion to vary the terms or conditions of the Plan Securities. Notwithstanding the foregoing, without the consent of the participant in the Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the Plan who holds:

- (a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and
- (b) Plan Securities at the time of their leaving.

## 8.3 **Valuation of the termination benefits**

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

- (a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases;

- (b) the protective terms and conditions contained in the Plan which include circumstances which result in the forfeiture of unvested Plan Securities; and
- (c) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules, without the Company obtaining approval of Shareholders at the time the entitled termination benefits become payable.

#### 8.4 **Additional information**

Resolution 5 is conditional on the passing of Resolution 4.

If Resolution 4 is not approved at the Meeting, Resolution 5 will not be put to Shareholders at the Meeting.

Resolution 5 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 5 due to their potential personal interests in the outcome of the Resolution.

### 9. **Resolution 6 – Re-insertion of Proportional Takeover Bid Approval Provisions**

#### 9.1 **General**

The Constitution contains proportional takeover bid approval provisions (**PTBA Provisions**) which enable the Company to refuse to register securities acquired under a proportional takeover bid unless a resolution is passed by Shareholders in general meeting approving the offer. Under the Corporations Act, proportional takeover provisions expire after three years from adoption or renewal and may then be renewed. The PTBA Provisions were included in the Constitution upon adoption on 8 April 2021. As at the date of this Notice, the PTBA Provisions in the current Constitution have expired.

Resolution 6 seeks the approval of Shareholders to modify the Constitution by re-inserting the PTBA Provisions for a further three years under sections 648G(4) and 136(2) of the Corporations Act. The proposed PTBA Provisions are identical to those previously contained in Article 4.9 and schedule 5 of the Constitution.

The Corporations Act requires the Company to provide Shareholders with an explanation of the PTBA Provisions as set out below.

#### 9.2 **Information required by section 648G of the Corporations Act**

##### (a) **What is a proportional takeover bid?**

A proportional off-market takeover bid (**PT Bid**) is a takeover offer sent to all Shareholders but only for a specified portion of each Shareholder's Securities. Accordingly, if a Shareholder accepts in full the offer under a PT Bid, it will dispose of

the specified portion of its securities in the Company and retain the balance of the Securities.

(b) **Effect of renewal**

If re-inserted, under Article 4.9 and schedule 5 of the Constitution, if a PT Bid is made to Shareholders of the Company, the Board is required to convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover. That meeting must be held at least 14 days before the day before the last day of the bid period and during which the offers under the PT Bid remain open or a later day allowed by ASIC (**Deadline Date**).

The resolution is taken to have been passed if a majority of securities voted at the meeting, excluding the securities of the bidder and its associates, vote in favour of the resolution. If no resolution is voted on by the Deadline Date, the resolution is deemed to have been passed.

Where the resolution approving the PT Bid is passed or deemed to have been passed, transfers of securities resulting from accepting the PT Bid are registered provided they otherwise comply with the Corporations Act, the Listing Rules, the ASX Operating Rules and the Company's Constitution. If the resolution is rejected, then under the Corporations Act, the PT Bid is deemed to be withdrawn.

The Directors consider that Shareholders should have the opportunity to re-insert the PTBA Provisions. Without the PTBA Provisions applying, a PT Bid for the Company may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their securities to the bidder. Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their securities whilst leaving themselves as part of a minority interest in the Company. Without the PTBA Provisions, if there was a PT Bid and Shareholders considered that control of the Company was likely to pass, Shareholders would be placed under pressure to accept the PT Bid even if they did not want control of the Company to pass to the bidder. Re-inserting the PTBA Provisions will make this situation less likely by permitting Shareholders to decide whether a PT Bid should be permitted to proceed.

(c) **No knowledge of present acquisition proposals**

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(d) **Advantages and disadvantages since last renewed**

As there have been no takeover bids made for any of the shares in the Company since the PTBA Provisions were adopted, there has been no application of the provisions. It may be argued that the potential advantages and disadvantages described below have also applied for the period since adoption of the PTBA Provisions.

(e) **Potential advantages and disadvantages**

The renewal of the PTBA Provisions will enable the Directors to formally ascertain the views of Shareholders about a PT Bid. Without these provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that re-insertion of the PTBA Provisions has no

potential advantages or potential disadvantages for them, as they remain free to make a recommendation on whether a PT Bid should be accepted.

The Directors consider that re-inserting the PTBA Provisions benefits all Shareholders in that they will have an opportunity to consider a PT Bid and then attend or be represented by proxy at a meeting of Shareholders called specifically to vote on the proposal. Accordingly, Shareholders are able to prevent a PT Bid proceeding if there is sufficient support for the proposition that a substantial interest (and potentially control) of the Company should not be permitted to pass under the PT Bid. Furthermore, knowing the view of Shareholders assists each individual Shareholder to assess the likely outcome of the PT Bid and whether to accept or reject that bid.

As to the possible disadvantages to Shareholders re-inserting the PTBA Provisions, potentially, the proposal makes a PT Bid more difficult and PT Bids will therefore be discouraged. This may reduce the opportunities which Shareholders may have to sell all or some of their securities at a premium to persons seeking an increased holding or control of the Company and may reduce any takeover speculation element in the Company's Share price. The PTBA Provisions may also be considered an additional restriction on the ability of individual Shareholders to deal freely on their Securities.

The Directors consider that there are no other advantages or disadvantages for Directors or Shareholders which arose during the period during which the PTBA Provisions were in effect, other than those discussed in this Section. On balance, the Directors consider that the possible advantages outweigh the possible disadvantages so that the re-insertion of the PTBA Provisions is in the interest of Shareholders.

### 9.3 **Additional information**

Resolution 6 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 6.

## 10. **Resolution 7 – Approval to issue Consideration Shares**

### 10.1 **General**

On 19 December 2024, the Company announced that it had entered into an exclusive option agreement to acquire 100% of the issued share capital of EAU Lithium (**EAU Option**) from the shareholders of EAU Lithium (**Vendors**) (**EAU Option Agreement**).

A summary of the material terms of the EAU Option Agreement is set out in Section 10.2.

The Company obtained Shareholder approval at the general meeting of the Company held on 16 May 2025 for the issue of up to 109,000,000 Shares under the EAU Option Agreement to the Vendors (or their respective nominee/s) (**Approved Limit**). Shareholder approval for the Approved Limit expired on 16 August 2025.

Accordingly, the Company is seeking fresh approval pursuant to this Resolution 7 for the issue of up to 109,000,000 Shares to the Vendors (or their respective nominee/s) in their respective proportions (**Consideration Shares**).

## 10.2 Summary of the EAU Option Agreement

The material terms of the EAU Option Agreement are summarised below:

- (a) **(Option Fee):** The Company paid an initial option fee of \$150,000 to the Vendors in consideration for being granted the EAU Option.
- (a) **(Option Period):** The EAU Option is exercisable by the Company at any time for a period of 12 months and may be extended by mutual agreement between the parties.
- (b) **(Consideration):** If the Company elects to exercise the EAU Option, the Company has agreed to make a total cash payment of \$525,000 and issue the Consideration Shares (the subject of Shareholder approval pursuant to this Resolution 7).
- (c) **(Vendor):** The Vendors are the shareholders of EAU Lithium, none of which are a related party of the Company.
- (d) **(Board nomination):** Upon exercise of the EAU Option, EAU Lithium will have the right to appoint two directors to the Board (subject to the Board comprising of no more than 4 Directors).

The EAU Option Agreement contains warranties, indemnities and other rights and obligations that are considered standard for a transaction of this nature.

## 10.3 Listing Rule 7.1

A summary of Listing Rules 7.1 is in Section 7.2 above.

The effect of Shareholders passing Resolution 7 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% additional placement capacity set out in Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 7 is passed, in the event the Company elects to exercise the EAU Option, the Company can proceed to issue the Consideration Shares and complete the acquisition of EAU Lithium.

If Resolution 7 is not passed, the Company will be unable to proceed with the issue of the Consideration Shares, the EAU Option will not be exercised and the Company will not acquire EAU Lithium on the terms set out in this Notice.

## 10.4 Specific information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to the proposed issue of the Consideration Shares:

- (a) The Consideration Shares will be issued to the Vendors (or their respective nominee/s) in their respective proportions. None of the Vendors are a related party of the Company or Material Investor.
- (b) A maximum of 109,000,000 Consideration Shares will be issued.
- (c) The Consideration Shares will be fully paid ordinary Shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.
- (d) In the event the Company exercises the EAU Option, the Consideration Shares will be issued no later than 3 months after the date of the Meeting.

- (e) The Consideration Shares will be issued for nil cash consideration as they are being issued as partial consideration upon exercise of the EAU Option. Accordingly, no funds will be raised from the issue of the Consideration Shares.
- (f) A summary of the material terms of the EAU Option Agreement is set out in Section 10.2.
- (g) A voting exclusion statement is included in the Notice.

#### 10.5 **Additional information**

## Schedule 2 Summary of material terms of the Plan

A summary of the material terms and conditions of the Plan is set out below:

- (a) **(Eligible Participant):** Eligible Participant means a person that has been determined by the Board to be eligible to participate in the Plan from time to time and is an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company. This relevantly includes, amongst others:
- (i) an employee or director of the Company or an individual who provides services to the Company;
  - (ii) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
  - (iii) a prospective person to whom paragraphs (i) or (ii) apply;
  - (iv) a person prescribed by the relevant regulations for such purposes; or
  - (v) certain related persons on behalf of the participants described in paragraphs (i) to (iv) (inclusive).
- (b) **(Maximum allocation):** The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:
- (i) the total number of Plan Shares (as defined in paragraph (m) below) that may be issued or acquired upon exercise of the convertible securities offered; plus
  - (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,
- would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company’s Constitution from time to time.
- The maximum number of equity securities proposed to be issued under the Plan for the purposes of Listing Rule 7.2, Exception 13 will be as approved by Shareholders from time to time (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the Plan without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.
- The Company will require prior Shareholder approval for the acquisition of equity securities under the Plan to Directors, their associates and any other person whose relationship with the Company or a Director or a Director’s associate is such that, in ASX’s opinion, the acquisition should be approved by Shareholders.
- (c) **(Purpose):** The purpose of the Plan is to:

  - (ii) link the reward of Eligible Participants to Shareholder value creation; and
  - (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

- (d) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.
- (e) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

- (f) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (g) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (h) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (i) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

**Market Value** means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
  - (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (l) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
  - (m) **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
  - (n) **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
  - (o) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled,

upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- (q) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (r) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
