EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://solsticeminerals.com.au/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MEREDITH CAMPION

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders.

Ms Meredith Campion, having been appointed by other Directors on 1 July 2025 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

Further information in relation to Ms Campion is set out below.

Qualifications, experience and other material directorships	Ms Campion was a founding partner of the Perth office of law firm Allen & Overy, which merged with Shearman & Sterling on 1 May 2024 to form Allen Overy Shearman Sterling, the world's third largest law firm. Ms Campion has extensive experience practising in the areas of corporate, commercial and energy and resources law and has advised on a wide range of commercial transactions, including takeovers, mergers, acquisitions, disposals, capital raisings and joint ventures. She has conducted comprehensive compliance and due diligence programs in those areas. Ms Campion also has considerable experience in offshore transactions, having advised on a number of AIM, LSE, TSX and JSE listings and offshore capital raisings, as well as advising on acquisitions and raisings by foreign entities in Australia.
Term of office	Ms Campion has served as a Director since 1 July 2025.
Independence	If re-elected, the Board considers that Ms Campion will be an independent Director.
Other material information	The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board, which may include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Ms Campion.
Board recommendation	Having received an acknowledgement from Ms Campion that she will have sufficient time to fulfil her responsibilities as a Director and having reviewed the performance of Ms Campion since her appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Ms Campion) recommend that Shareholders vote in favour of this Resolution.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Ms Campion will be elected to the Board as an independent Director.

If this Resolution is not passed, Ms Campion will not continue in her role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – RATIFICATION OF SHARES ISSUED TO CYPRIUM

4.1 General

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 3,000,000 Shares to Cyprium Metals Limited (ACN 002 678 640) (**Cyprium**) on 6 March 2025 as partial consideration for the acquisition of the Nanadie Copper-Gold Project by the Company, pursuant to a sale and purchase agreement between the Company and Cyprium summarised below (**Nanadie Acquisition Agreement**).

4.2 Nanadie Acquisition Agreement

As announced on 5 February 2025, the Company, pursuant to the Nanadie Acquisition Agreement, acquired 100% of the tenements comprising the Nanadie Copper-Gold Project (**Tenements**) from Cyprium for the following consideration:

- (a) \$1,000,000 (excluding GST) in immediately available funds on completion of the acquisition (**Completion**);
- (b) 3,000,000 Shares on Completion, subject to a holding lock until, in respect of 50% of the Shares, 6 months after Completion, and in respect of the remaining 50% of the Shares, 12 months after Completion (the ratification of these Shares are the subject of this Resolution); and
- (c) 3,000,000 Shares if, within 4 years of Completion, the Company issues an announcement to the ASX of a Mineral Resource within the land the subject of the Tenements which contains more than 250,000 tonnes of contained copper applying a cut-off grade of not less than 0.20% Cu (**Deferred Consideration Shares**).

The Nanadie Acquisition Agreement was otherwise on terms considered customary for a transaction of its nature, including representations, warranties and indemnities for assumed liabilities.

4.3 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

4.4 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

4.5 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the

Company can issue without Shareholder approval over the 12 month period following the date of the issue.

4.6 Technical information required by Listing Rules 7.4 and 7.5

5. RESOLUTION 4 – RATIFICATION OF SHARES ISSUED TO PARADICE

5.1 General

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 8,870,000 Shares at an issue price of \$0.24 per Share to Paradise Investment Management Pty Ltd (ACN 090 148 619) (**Paradice**) to raise \$2,128,800. The Shares were issued on 20 June 2025 pursuant to the Company's capacity under Listing Rule 7.1A.

5.2 Listing Rules 7.1 and 7.1A

A summary of Listing Rule 7.1 is set out in Section 4.3 above.

Under Listing Rule 7.1A however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 11 November 2024. The Company's ability to utilise the additional 10% capacity is conditional on Resolution 8 being passed at this Meeting.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

5.3 Listing Rule 7.4

A summary of Listing Rule 7.4 is set out in Section 4.4 above.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

5.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 10% limit in Listing Rule 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A remains conditional on Resolution 8 being passed at this Meeting.

6.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and Mr Castleden is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Castleden) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Performance Rights, reached as part of the remuneration package for Mr Castleden, is considered reasonable remuneration in the circumstances and was offered on an arm's length basis.

6.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

6.4 Technical information required by Listing Rule 14.1A

If this Resolution and Resolution 9 are passed, the Company will be able to proceed with the issue within 15 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution or Resolution 9 is not passed, the Company will not be able to proceed with the issue. If the Company is unable to proceed with the issue of the Performance Rights, it may need to consider alternative forms of remuneration for Mr Castleden, which could reduce the cash reserves of the Company.

6.5 Technical information required by Listing Rule 10.15

REQUIRED INFORMATION	DETAILS
Name of the person to whom Securities will be issued	Mr Nick Castleden (or his nominee(s))
Categorisation under Listing Rule 10.14	Mr Castleden falls within the category set out in Listing Rule 10.14.1 as he is a related party of the Company by virtue of being a Director. Remuneration package	The current base remuneration package for Mr Castleden is \$380,000, comprising directors' fees of \$350,000 and superannuation payments of \$30,000. If the Performance Rights are issued, the total remuneration package of Mr Castleden will increase by \$146,126, being the value of the Performance Rights with tranches 1-3 based on the Black Scholes methodology, and tranche 4 based on the Hoadley's Trinomial model.
Securities previously issued to the recipient/(s) under the Plan	643,832 Performance Rights have previously been issued to Mr Castleden for nil cash consideration under the Plan.
Terms of Securities	The Performance Rights will be issued on the terms and conditions set out in Schedule 1.
Consideration of type of Security to be issued	The Company has agreed to issue the Performance Rights for the following reasons: (a) the issue of the Performance Rights has no immediate dilutionary impact on Shareholders; (b) the issue to Mr Castleden will further align the interests of the recipient with those of Shareholders; (c) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Castleden; and (d) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.
Valuation	The Company values tranches 1-3 of Performance Rights at \$111,588 (being \$0.35 per Performance Right) based on the Black-Scholes methodology. The Company values tranche 4 of Performance Rights at \$34,538 (being \$0.32 per Performance Right) based on the Hoadley's Trinomial methodology.
Date(s) on or by which the Securities will be issued	The Company expects to issue the Performance Rights within 5 Business Days of the Meeting. In any event, the Company will not issue any Performance Rights later than 15 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
Issue price of Securities	The Performance Rights will be issued at a nil issue price.
Material terms of the Plan	A summary of the material terms and conditions of the Plan is set out in Schedule 2.
Material terms of any loan	No loan is being made in connection with the acquisition of the Performance Rights.
Additional Information	Details of any Securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a

	statement that approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Securities under the Plan after this Resolution is approved and who were not named in this Notice will not participate until approval is obtained under Listing Rule 10.14.

7. RESOLUTIONS 6 AND 7 – APPROVAL TO ISSUE OPTIONS TO DIRECTORS

7.1 General

These Resolutions seek Shareholder approval, subject to the approval of Resolution 9, for the purposes of Listing Rule 10.14 for the issue of:

- (a) 1,500,000 Options to Mr Matthew Yates; and
- (b) 1,000,000 Options to Mr Alastair Morrison,

(or their nominee(s)) pursuant to the Plan on the terms and conditions set out below.

Further details in respect of the Options proposed to be issued are set out in the table below.

QUANTUM	RECIPIENT	VESTING CONDITIONS	EXERCISE PRICE	EXPIRY DATE
1,500,000	Matthew Yates	Subject to the continuous service as a Director (either in an executive or non-executive capacity), the Options will vest in three equal portions as follows: • 500,000 Options will vest six months from the grant date; • 500,000 Options will vest 12 months from the grant date; and • 500,000 Options will vest 24 months from the grant date.	Exercisable at a 45% premium to the five-day VWAP immediately prior to the date of grant of the Options.	4 years from the grant date.
1,000,000	Alastair Morrison	Subject to the continuous service as a Director (either in an executive or non-executive capacity), the Options will vest in three equal portions as follows (rounded as necessary): • 333,333 Options will vest six months from the grant date; • 333,333 Options will vest 12 months from the grant date; and • 333,334 Options will vest 24 months from the grant date.	Exercisable at a 45% premium to the five-day VWAP immediately prior to the date of grant of the Options.	4 years from the grant date.

7.2 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in Section 6.2 above.

The issue constitutes giving a financial benefit and Messrs Yates and Morrison are related parties of the Company by virtue of each being a Director.

The Directors (other than Messrs Yates and Morrison) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Options, reached as part of the remuneration package for Messrs Yates and Morrison, is considered reasonable remuneration in the circumstances and was offered on an arm's length basis.

7.3 Listing Rule 10.14

A summary of Listing Rule 10.14 is set out in Section 6.3 above.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

7.4 Technical information required by Listing Rule 14.1A

If these Resolutions and Resolution 9 are passed, the Company will be able to proceed with the issue within 15 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions and Resolution 9 are not passed, the Company will not be able to proceed with the issue. If the Company is unable to proceed with the issue of the Options, it may need to consider alternative forms of remuneration for Messrs Yates and Morrison, which could reduce the cash reserves of the Company.

7.5 Technical information required by Listing Rule 10.15

REQUIRED INFORMATION	DETAILS

Categorisation under Listing Rule 10.14	Messrs Yates and Morrison fall within the category set out in Listing Rule 10.14.1 as they are related parties of the Company by virtue of each being a Director. Any nominee(s) of Messrs Yates and Morrison who receive Options may constitute 'associates' for the purposes of Listing Rule 10.14.2.
Number of Securities and class to be issued	Up to 2,500,000 Options will be issued, comprising: (a) 1,500,000 to Mr Yates; and (b) 1,000,000 to Mr Morrison.
Remuneration package	Mr Yates The current base remuneration package for Mr Yates is \$61,600, comprising directors' fees of \$55,000 and superannuation payments of \$6,600. Mr Morrison The current base remuneration package for Mr Morrison is \$44,800, comprising directors' fees of \$40,000 and superannuation payments of \$4,800.

REQUIRED INFORMATION	DETAILS

Terms of Securities	The Options will be issued on the terms and conditions set out in Schedule 3.
Consideration of type of Security to be issued	The Company has agreed to issue the Options for the following reasons: (a) the issue of the Options has no immediate dilutionary impact on Shareholders; (b) the issue to Messrs Yates and Morrison will further align the interests of the recipient with those of Shareholders; (c) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Messrs Yates and Morrison; (d) the deferred taxation benefit which is available to the recipient in respect of an issue of Options is also beneficial to the Company as it means the recipient is not required to immediately sell the Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold a further interest in the Company; and (e) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed.
Valuation	The Company values the Options at \$286,267 (being \$0.114 per Option) based on the Black-Scholes methodology.

In any event, the Company will not issue any Options later than 15 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
Issue price of Securities	The Options will be issued at a nil issue price. The exercise price payable for the issue of a Share on exercise of an Option will be a 45% premium to the five-day VWAP immediately prior to the date of grant of the Options.
Material terms of the Plan	A summary of the material terms and conditions of the Plan is set out in Schedule 2.
Material terms of any loan	No loan is being made in connection with the acquisition of the Options or the issue of Shares on exercise of the Options.

8. RESOLUTION 8 – APPROVAL OF 7.1A MANDATE

8.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

8.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 4.3 above.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of 3 October 2025, the Company's market capitalisation was \$37,261,157. The Company is therefore an Eligible Entity.

8.3 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

8.4 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of the Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

	consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.																																							
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for developing its existing assets and/or assisting with an acquisition of resource assets or investments (which may include costs associated with due diligence and engagement of advisers in assessing new resource assets).																																							
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below. The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 3 October 2025. The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate. <table><tr><th colspan="2" rowspan="4">Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)</th><th rowspan="4">Shares issued – 10% voting dilution</th><th colspan="3">Dilution</th></tr><tr><th colspan="3">Issue Price</th></tr><tr><th>\$0.165</th><th>\$0.330</th><th>\$0.495</th></tr><tr><th>50% decrease</th><th>Issue Price</th><th>50% increase</th></tr><tr><th colspan="6">Funds Raised</th></tr><tr><td>Current</td><td>112,912,597 Shares</td><td>11,291,259 Shares</td><td>\$1,863,058</td><td>\$3,726,116</td><td>\$5,589,174</td></tr><tr><td>50% increase</td><td>169,368,896 Shares</td><td>16,936,889 Shares</td><td>\$2,794,587</td><td>\$5,589,174</td><td>\$8,383,760</td></tr><tr><td>100% increase</td><td>225,825,194 Shares</td><td>22,582,519 Shares</td><td>\$3,726,116</td><td>\$7,452,231</td><td>\$11,178,347</td></tr></table> *The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1. The table above uses the following assumptions: - There are currently 112,912,597 Shares on issue. - The issue price set out above is the closing market price of the Shares on the ASX on 3 October 2025 (being \$0.330) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised. REQUIRED INFORMATION	DETAILS
	3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. 4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. 5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. 6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. 7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. 8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. 9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. Shareholders should note that there is a risk that: (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).
Previous approval under Listing Rule 7.1A.2	The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 11 November 2024 (Previous Approval). During the 12-month period preceding the date of the Meeting, being on and from 10 November 2024, the Company issued 8,870,000 Shares pursuant to the Previous Approval (Previous Issue), which

9. RESOLUTION 9 – APPROVAL TO ISSUE FURTHER SECURITIES UNDER THE COMPANY'S INCENTIVE PLAN

9.1 Background

At the annual general meeting of Shareholders held on 9 November 2023 (**2023 AGM**), the Company received approval to issue 5,014,340 Securities, pursuant to Listing Rule 7.2 (Exception 13(b)) under its Employee Securities Incentive Plan (**Plan**).

The Company has issued a total of 2,510,106 Securities under the Plan since its approval at the 2023 AGM. The Company notes that the issues of Securities to Messrs Castleden, Yates

and Morrison under Resolutions 5 to 7 in this Notice (comprising a total of 2,925,101 Securities) would exceed the approved capacity under the Plan, unless the Company receives approval from Shareholders to increase that capacity.

This Resolution seeks approval from Shareholders to issue further Securities under the Plan to enable the issues to Messrs Castleden, Yates and Morrison, as well as to enable further issues to other eligible participants under the Plan over the next three years.

9.2 General

This Resolution seeks Shareholder approval for the purposes of Listing Rule 7.2 (Exception 13(b)) for the Company to issue further Securities under the Plan.

If this Resolution is passed, the Company will be able to issue up to 10,000,000 further Securities under the Plan to eligible participants over a period of 3 years from the date of the Meeting.

At the 2023 AGM, Shareholders resolved to authorise the Company to issue up to 5,014,340 Securities under the Plan for a period of 3 years from the date of that meeting. If this Resolution is passed, the maximum number of Securities that may be issued under the Plan pursuant to Listing Rule 7.2 (Exception 13) in the 3 years from the date of the Meeting will be 10,000,000.

The objective of the Plan is to attract, motivate and retain key employees and the Company considers the future issue of securities under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

9.3 Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

As summarised in Section 4.3 above, and subject to a number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

9.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue up to 10,000,000 Securities under the Plan to eligible participants over a period of 3 years from the date of the Meeting. The issue of any Securities to eligible participants under the Plan (up to the proposed maximum number of Securities stated above) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If this Resolution is not passed, the Company will not be able to issue an increased number of Securities under the Plan to eligible participants as an exception to Listing Rule 7.1. To the extent that Securities may be issued under the Plan within the Company's 15% capacity, any such issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of those securities.

9.5 Technical information required by Listing Rule 7.2 (Exception 13)

REQUIRED INFORMATION	DETAILS

REQUIRED INFORMATION	DETAILS

This includes 643,832 Securities issued with approval under Listing Rule 10.14 (i.e. 1,866,274 Securities have been issued under the Plan without prior Shareholder approval being obtained).

It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately. SCHEDULE 2 – TERMS AND CONDITIONS OF EMPLOYEE SECURITIES INCENTIVE PLAN

A summary of the material terms of the Plan is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Equity Securities (Securities).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b)).
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right).

	Prior to a Convertible Security being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group) and the Board exercises its discretion to deem some, or all of the Convertible Securities held by a Participant to have been forfeited; (b) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (c) on the date the Participant becomes insolvent; or (d) on the Expiry Date, subject to the discretion of the Board.
Listing of Convertible Securities	Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.
Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.

	An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities. Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation. Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.
Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Convertible Securities will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Convertible Securities on a change of control event is limited to vesting or varying any vesting conditions in respect to the Convertible Securities and does not include a discretion to lapse or forfeit unvested Convertible Securities for less than fair value.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.

Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	Notwithstanding any other provision of these rules, and without limiting the amounts which may be deducted or withheld under Applicable Laws, if a member of the Group, a trustee or the Plan administrator is obliged, or reasonably believes that it may have an obligation to account for any tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Participant (Withholding Amount), then that Group company, trustee or Plan administrator (as applicable) is entitled to withhold or be reimbursed by the Participant for the Withholding Amount payable or paid.
