- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. 2.3 Further information

Should you wish to discuss the matters in this Notice of Meeting please do not hesitate to contact the Company Secretary on +61 8 9481 0389.

3. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at .

4. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

4.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

4.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting within 90 days of the second annual general meeting.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

5. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR JASON FERRIS

5.1 General

Rule 9.3 of the Company's Constitution requires that one third of the Company's directors must retire at each annual general meeting. Accordingly, Mr Ferris retires by rotation and, being eligible, offers himself for re-election.

Resolution 2 is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote.

5.2 Qualifications and other material directorships

Mr Ferris has worked in financial services, property and corporate finance industries for more than 25 years. He is a Fellow of the Australian Institute of Management (FAIM) and is a Member of the Australian Institute of Company Directors (MAICD). He has also facilitated many joint venture opportunities in the property, tech and mining sectors.

5.3 Independence

If elected, the Board considers Mr Ferris will be an independent director.

5.4 Board recommendation

The Board, other than Mr Ferris, supports the re-election of Mr Ferris and recommends that Shareholders vote in favour of Resolution 2.

6. RESOLUTION 3 – APPROVAL OF 10% PLACEMENT CAPACITY

6.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes. As at the date of this Notice, the Company is an 'eligible entity' as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$300,000,000 or less.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by the Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

6.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

6.3 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in Section 6.3(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company may only seek to issue the Equity Securities under the 7.1A Mandate for cash consideration. The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate towards:

- (i) continued exploration expenditure on the Company's current assets/or projects;
- (ii) the development of the Company's current business;
- (iii) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition); and
- (iv) general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 10 October 2025 (being \$0.007).

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			0.0035	0.007	0.0105
			50% decrease	Issue Price	50% increase
Funds Raised					
Current	2,344,747,190	234,474,719	\$820,661	\$1,641,323	\$2,461,984
50% increase	3,517,120,785	351,712,079	\$1,230,992	\$2,461,984	\$3,692,9767
100% increase	4,689,494,380	468,949,438	\$1,641,323	\$3,282,646	\$4,923,969

The table above uses the following assumptions:

1. There are currently 2,344,747,190 Shares on issue.
2. The issue price set out above is the closing market price of Shares as 10 October 2025 (being \$0.007).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no convertible securities are exercised or converted into Shares before the date of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 13 November 2024 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 13 November 2024, the Company issued 125,000,000 Shares to the Placement Participants on 18 February 2025. These Shares represented approximately 5.6% of the total number of Equity Securities on issue as at the date of the Previous Approval. These Shares were issued as part of the Placement completed by the Company to raise \$500,000 (before costs). Further details in relation to the Placement and the use of funds raised are set out in Section 7.1. The issue price (being \$0.004) represented a 13% discount to the 15-day VWAP of Shares up to when the Placement was announced (being \$0.00446) and a 20% discount to the market price of Shares on the date of issue (being \$0.005).

As at the date of this Notice, the Company estimates it has spent approximately 50% of the funds raised. It is not possible to state the exact amount of funds used and remaining, however Shareholders are referred to the Company's Quarterly Report to 30 June 2025 which reported the Company's cash balance of approximately \$223,000 at the end of that period. The remaining funds will be allocated for the purposes set out in Section 7.1.

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

7. RESOLUTIONS 4 AND 5 – RATIFICATION OF PLACEMENT

7.1 Background

On 12 February 2025, the Company announced that it had received firm commitments from sophisticated and professional investors to raise \$500,000 (before costs) via a placement of 125,000,000 Shares (**Placement Shares**) at an issue price of \$0.004 each (**Placement**). The terms of the Placement including one free attaching unlisted option (exercisable at \$0.023 and expiring 2 years from the date of issue) for every 2 Shares issued under the Placement (**Placement Options**).

The funds raised from the Placement have or will be used to advance the regulatory and approvals process for completion of the EIA approval and progression towards obtaining an IML at TSL's Mannar Island Heavy Mineral Project in Sri Lanka, as well as for general working capital purposes.

CPS Capital acted as lead manager to the Placement and received fees of 6% of funds raised under the Placement. CPS Capital will also receive 20,000,000 unlisted options (exercisable at \$0.023 and expiring 2 years from the date of issue) at an issue price of \$0.00001 per Option (**Broker Options**).

The Company completed the issue of Placement Shares, Placement Options and Broker Options on 18 February 2025 and 3 March 2025 as follows:

- (a) the Placement Shares were issued on 18 February 2025 using the Company's additional 10% annual limit permitted under Listing Rule 7.1A;
- (b) the Placement Options were issued on 18 February 2025 using the Company's annual limit permitted under Listing Rule 7.1; and
- (c) the Broker Options were issued on 3 March 2025 using the Company's annual limit permitted under Listing Rule 7.1.

7.2 Listing Rules 7.1, 7.1A and 7.4

Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12 month period any equity securities, or other securities with rights to conversion to equity (such as an option), if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.1A enables eligible entities to issue equity securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting at which shareholders approve the 10% placement facility. The 10% placement facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made (pursuant to Listing Rule 7.1 or the additional 10% capacity under Listing Rule 7.1A). If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, Resolution 4 seeks Shareholder ratification of the issue of 82,500,000 Options (which were issued pursuant to the Company's 15% capacity under Listing Rule 7.1) under and for the purposes of Listing Rule 7.4. Resolution 5 seeks Shareholder ratification of the issue of

125,000,000 Shares (which were issued pursuant to the Company's additional 10% capacity under Listing Rule 7.1A) under and for the purposes of Listing Rule 7.4.

7.3 Technical information required by Listing Rule 14.1A

If Resolutions 4 and 5 are passed, the prior issue of Placement Shares, Placement Options and Broker Options (**Placement Securities**) will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 and additional 10% placement capacity under Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of such securities or during the balance of the 12 months from the date of the Company's 2024 Annual General Meeting (as applicable).

If Resolutions 4 and 5 are passed,, the prior issue of Placement Securities will be included in calculating the Company's 15% limit in Listing Rule 7.1 and additional 10% placement capacity under Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of such securities or during the balance of the 12 months from the date of the Company's 2024 Annual General Meeting (as applicable).

Resolutions 4 and 5 are ordinary resolutions.

7.4 Information required by Listing Rule 7.5

The following information is provided for the purposes of Listing Rule 7.5:

- (a) The Placement was completed as follows:
 - (i) 62,500,000 Options were issued on 18 February 2025 and a further 20,000,000 Options were issued on 3 March 2025 pursuant to the Company's 15% capacity under Listing Rule 7.1. Ratification of the issue of these Options is being sought pursuant to Resolution 4; and
 - (ii) 125,000,000 Shares were issued on 18 February 2025 pursuant to the Company's additional 10% capacity under Listing Rule 7.1A. Ratification of the issue of these Shares is being sought pursuant to Resolution 5.
- (b) The Placement Shares and Placement Options were issued to the Placement Participants, who are professional and sophisticated investors that are clients of CPS Capital or other brokers who participated in the Placement. The recipients were identified through a bookbuild process, which involved CPS Capital seeking expressions of interest to participate in the Placement. None of the Placement Participants are a related party or substantial holder of the Company, a member of the Company's key management personnel, an adviser to the Company, or any associates of those persons who received more than 1% of the Company's issued capital under the Placement. The Broker Options were issued to CPS Capital, who acted as lead manager to the Placement.
- (c) The Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The Placement Shares were issued at \$0.004 each.
- (e) The Placement Options and Broker Options are Options exercisable at \$0.023 and expiring 2 years from the date of issue. Full terms and conditions of the Placement Options and Broker Options are set out in Schedule 1.
- (f) The issue of Placement Shares raised \$500,000 (before costs). The funds raised from the Placement have or will be used for the purposes set out in Section 7.1. No funds

were raised from the issue of Placement Options as these were free attaching options issued to the Placement Participants. The Broker Options were issued to CPS Capital as part of the fees payable for lead manager services provided in relation to the Placement and only a nominal amount was received from their issue.

- (g) The Placement Shares and Placement Options were not issued pursuant to an agreement. The Broker Options were issued pursuant to a lead manager mandate with CPS Capital, the material terms of which are set out in Section 7.1.
- (h) A voting exclusion statements are included in the Notice.

8. RESOLUTION 6 – ADOPTION OF EMPLOYEE SECURITIES INCENTIVE PLAN

8.1 General

The Company considers that it is desirable to establish a securities incentive plan pursuant to which the Company can issue securities to eligible officers, employees and consultants in order to attract, motivate and retain such persons and to provide them with an incentive to deliver growth and value to all Shareholders.

Accordingly, Resolution 6 seeks Shareholder approval for the adoption of the Employee Incentive Securities Plan (**Plan**) in accordance with Listing Rule 7.2 Exception 13. The terms of the Plan are consistent with the new Division 1A in Part 7.12 of the Corporations Act introduced by the *Treasury Laws Amendment (Cost of Living Support and Other Measures) Act 2022*, which took effect from 1 October 2022.

Under the Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of securities in the Company as the Board may decide and on the terms set out in the rules of the Plan, a summary of which is set out in Schedule 2.

In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

A summary of Listing Rule 7.1 is provided in Section 7.2.

Listing Rule 7.2, Exception 13 provides an exception to Listing Rule 7.1 by which equity securities issued under an employee incentive scheme are exempt for a period of three years from the date on which shareholders approve the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 6 is passed, the Company will be able to issue securities under the Plan to eligible participants over a period of three years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period. If Resolution 6 is not passed, the Company will not be able to adopt the Plan and, instead, any issues of securities will be made either with Shareholder approval under Listing Rules 7.1 and 7.1A or, in default of Shareholder approval, pursuant to the Company's placement capacity under either or both Listing Rules 7.1 and 7.1A.

No securities have been issued under the Plan as it is a new employee incentive plan and has not previously been approved by Shareholders.

The maximum number of securities that the Company proposes to issue under the Plan following Shareholder approval of the adoption of the Plan is 234,474,719 securities (representing 10% of the Company's Shares on issue as at the date of this Notice). It is not envisaged that the maximum number of securities for which approval is sought will be issued immediately.

Prior Shareholder approval will be required under Listing Rule 10.14 before any Director or associate of a Director can participate in the Plan.

Pursuant to the Listing Rules, Shareholders must re-approve the Plan and all unissued securities issuable pursuant thereto every three years.

A voting exclusion statement is included in the Notice.

Resolution 6 is an ordinary resolution.

SCHEDULE 2 – SUMMARY OF EMPLOYEE INCENTIVE SECURITIES PLAN

Summary of the Plan and terms on which offers may be made:

1. Eligible Participant

"Eligible Participant" means an employee or officer of, or a person who provides services to, the Company or an associated body corporate of the Company, or such other person who has been determined by the Board to be eligible to participate in the Plan from time to time.

The Company will seek Shareholder approval for Director and their associates participation in accordance with Listing Rule 10.14.

2. Purpose

The purpose of the Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

3. Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

4. Eligibility, invitation and application

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.

If an Eligible Participant is permitted in the invitation, the Eligible Participant may subject to compliance with applicable law and by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

5. Grant of Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

6. Terms of Convertible Securities

Each "Convertible Security" represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

7. Vesting of Convertible Securities

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

8. Exercise of Convertible Securities and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice or otherwise by the method specified in the invitation.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the

Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

9. Delivery of Shares on exercise of Convertible Securities

In accordance with the method and timing specified in the invitation or otherwise as soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

10. Forfeiture of Convertible Securities

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly; committed an act which has brought the Company, the Group or any entity within the Group into disrepute, or wilfully breached his or her duties to the Group or where a Participant is convicted of an offence in connection with the affairs of the Group; or has a judgment entered against him or her in any civil proceedings in respect of the contravention by the Participant of his or her duties at law, in equity or under statute, in his or her capacity as an employee, consultant or officer of the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation or vesting notice.

11. Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event provided that, in respect of Convertible Securities, the maximum number of Convertible Securities (that have not yet been exercised) that the Board may determine will vest and be exercisable into Shares under this Rule is that number of Convertible Securities that is equal to 10% of the Shares on issue immediately following vesting under this Rule, which as far as practicable will be allocated between holders on a pro-rata basis on the basis of their holdings of Convertible Securities on the date of determination of vesting.

12. Rights attaching to Plan Shares

All Shares issued or transferred under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank equally in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

13. Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

14. Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

15. Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

16. Compliance with applicable law

No Security may be offered, granted, vested or exercised if to do so would contravene any applicable law. In particular, the Company must have reasonable grounds to believe, when making an invitation, that the total number of Plan Shares that may be issued upon exercise of Convertible Securities offer when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous three year period under:

- (a) an employee incentive scheme of the Company covered by Division 1A of Part 7.12 of the Corporations Act; or
- (b) an ASIC exempt arrangement of a similar kind to an employee incentive scheme,
- (c) but disregarding any offer made or securities issued in the capital of the Company by way of or as a result of:
 - (i) an offer for no monetary consideration;
 - (ii) an offer to a person situated at the time of receipt of the offer outside Australia;
 - (iii) an offer that did not need disclosure to investors because of section 708 of the Corporations Act (exempts the requirement for a disclosure document for the issue of securities in certain circumstances to investors who are deemed to have sufficient investment knowledge to make informed decisions, including professional investors, sophisticated investors and senior managers of the Company); or
 - (iv) an offer made under a disclosure document,

would not exceed 10% (or such other maximum permitted under any applicable law) of the total number of Shares on issue at the date of the invitation.

17. Maximum number of Securities

The Company will not make an invitation under the Plan if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan, will exceed 10% of the total number of issued Shares at the date of the invitation.

18. Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

19. Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

20. Income Tax Assessment Act

The Plan is a plan to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) applies (subject to the conditions in that Act).

SCHEDULE 3 – SUMMARY OF PROPOSED CONSTITUTION

In summary, the Proposed Constitution Includes provisions to the following effect:

(a) **Shares**

The issue of shares and options by the Company is under the control of the Directors, subject to the Corporations Act, Listing Rules and any rights attached to any special class of shares.

(b) **Preference Shares**

The Corporations Act requires certain rights of preference shares to be either set out in the Company's constitution or approved in general meeting by special resolution before preference shares are issued.

The Proposed Constitution sets out a framework of rights for preference share issues from which the Board can determine to allot and issue preference shares, without the need to obtain further shareholder approval every time an allotment of preference shares is proposed. The Proposed Constitution contains the framework as well as specific rights of preference shares as to the repayment of capital, requirements for redemption (if the preference shares are redeemable), participation in surplus assets and profits, voting rights and priority of payment of capital and dividends. Other specific terms, including the dividend amount, the redemption date (if applicable) and redemption amount (if applicable), would be set by the issuing resolution of the Directors.

(c) **Reductions of Capital**

The Proposed Constitution is consistent with the Corporations Act requirements which must be satisfied by the Company in undertaking an alteration of capital.

(d) **Liens**

If the Company issues partly paid shares and a call made on those shares is unpaid, the Company will have a lien over the shares on which the call is unpaid. The lien may be enforced by a sale of those shares.

(e) **Transfer of Shares**

The Company may participate in any clearing and settlement facility provided under the Corporations Act, the Listing Rules and the ASX Settlement Pty Ltd (**ASX Settlement**) Operating Rules. Transfers through ASX Settlement are effected electronically in ASX Settlement's Clearing House Electronic Sub register System (**CHESS**). For the purposes of the Company's participation in the CHESS, the Company may issue holding statements in lieu of share certificates. The Company will not charge any fee for registering a transfer of shares. The Directors may refuse to register a transfer of shares in the circumstances permitted or required under the Corporations Act and Listing Rules.

(f) **Proportional Takeovers**

A proportional takeover bid is one in which the offeror offers only to buy a specified proportion of each Shareholders' shares.

The Proposed Constitution provides for Shareholder approval of any proportional takeover bid for the shares. Subject to the Listing Rules and ASX Settlement Operating Rules, the provisions require the Directors to refuse to register any transfer of shares made in acceptance of a proportional takeover offer until the requisite Shareholder approval has been obtained.

The perceived advantages of including proportional takeover provisions in the Proposed Constitution are that such provisions may:

- (i) enhance the bargaining power of Directors in connection with any potential sale of the Company;
- (ii) improve corporate management by eliminating the possible threat of a hostile takeover through longer term planning;
- (iii) make it easier for Directors to discharge their fiduciary and statutory duties to the Company and its Shareholders to advise and guide in the event of a proportional bid occurring; and
- (iv) strengthen the position of Shareholders of the Company in the event of a takeover, assuming the takeover will result in a sharing of wealth between the offeror and Shareholders, as the more cohesive Shareholders are in determining their response the stronger they are. A requirement for approval can force Shareholders to act in a more cohesive manner. Where Shareholders know that a bid will only be successful if a specified majority of Shareholders accept the offer, they have less to fear by not tendering to any offer which they think is too low.

The perceived disadvantages of including proportional takeover provisions in the Proposed Constitution include the following matters:

- (i) a vote on approval of a specific bid suffers from a bias in favour of the incumbent Board;
- (ii) the provisions are inconsistent with the principle that a share in a public company should be transferable without the consent of other Shareholders; and
- (iii) a Shareholder may lack a sufficient financial interest in any particular company to have an incentive to determine whether the proposal is appropriate.

To comply with the Corporations Act, the proportional takeover provisions must be renewed by Shareholders in general meeting at least every 3 years to remain in place.

(g) **Alterations of share capital**

Shares may be converted or cancelled with Shareholder approval and the Company's share capital may be reduced in accordance with the requirements of the Corporations Act and the Listing Rules.

(h) **Buy Backs**

The Company may buy back shares in itself on terms and at such times determined by the Directors.

(i) **Disposal of less than a Marketable Parcel**

For the sake of avoiding excessive administration costs, the Proposed Constitution contains provisions enabling the Company to procure the disposal of shares where the Shareholder holds less than a marketable parcel of shares within the meaning of the Listing Rules (being a parcel of shares with a market value of less than \$500). To invoke this procedure, the Directors must first give notice to the relevant Shareholder holding less than a marketable parcel of shares, who may then elect not to have his or her shares sold by notifying the Directors.

(j) **Variation of class rights**

Class rights attaching to a particular class of shares may be varied or cancelled with the consent in writing of holders of 75% of the shares in that class or by a special resolution of the holders of shares in that class.

(k) **Meetings of Shareholders**

Directors may call a meeting of Shareholders whenever they think fit. Shareholders may call a meeting as provided by the Corporations Act. The Proposed Constitution contains provisions prescribing the content requirements of notices of meetings of Shareholders and all Shareholders are entitled to a notice of meeting.

A meeting may be held in two or more places linked together by audio-visual communication devices or by wholly virtually means provided that the technology gives Shareholders as a whole a reasonable opportunity to participate and is permitted by law. A quorum for a meeting of Shareholders is 2 eligible voters.

The Company will hold annual general meetings in accordance with the Corporations Act and the Listing Rules.

(l) **Voting of Shareholders**

Resolutions of Shareholders will be decided by a show of hands unless a poll is demanded. On a show of hands each eligible voter present has one vote. On a poll each eligible Shareholder has one vote for each fully paid share held and a fraction of a vote for each partly paid share determined by the amount paid up on that share.

(m) **Proxies**

An eligible Shareholder may appoint a proxy to attend and vote at the meeting on the Shareholder's behalf. The Proposed Constitution contains provisions specifying the manner of lodgement of proxy instruments. A Shareholder may appoint an individual or corporation to act as its representative.

(n) **Directors**

Unless changed by the Company in general meeting, the minimum number of directors is 3 and the maximum is 10. The existing directors of the Company may appoint a new Director to fill a casual vacancy or as an addition to the board. Any such Director must retire at the next following annual general meeting of the Company (at which meeting he or she may be eligible for election as director). No Director other than the Managing Director may hold office for longer than 3 years without submitting himself or herself for re-election.

(o) **Powers of Directors**

The business of the Company is to be managed by or under the direction of the Directors.

(p) **Remuneration of Directors**

The Company may pay non-executive Directors a maximum of the total amount as determined by the Shareholders in general meeting and such sum must not be paid by way of commission on, or percentage of, profits or operating revenue.

The remuneration of executive Directors will be subject to the provisions of any contract between each of them and the Company and may be by way of commission on, or percentage of, profits of the Company, but will not be by way of commission on, or percentage of, operating revenue.

(q) **Execution of documents**

The Proposed Constitution provides for execution of documents by the Company without the use of the Company's company seal.

(r) **Dividends**

Subject to and in accordance with the Corporations Act, the Listing Rules, the rights of any preference shares and to the rights of the holders of any shares created or raised under any special arrangement as to dividends, the Directors may from time to time declare dividends to be paid to the shareholders entitled to dividends. Subject to the rights of any preference shares and to the rights of the holders of any Shares created or raised under any special arrangement as to dividends, the dividends as declared shall be payable on all Shares according to the

proportion that the amount paid (not credited) is of the total amounts paid and payable (excluding amounts credited) in respect of such Shares.

(s)

Indemnities and insurance

To the extent permitted by law, the Company indemnifies every person who is, or has been, a Director or Secretary of the Company against a liability incurred by that person in his or her capacity as a Director or Secretary provided that the liability does not arise out of conduct involving a lack of good faith (otherwise referred to as an excluded liability). A similar indemnity is provided in respect of legal proceedings. The Company may also pay the premiums on directors' and officers' liability insurance.
