

Are all of your products GMO free?

Bubs Organic baby food products are proudly certified organic by ACO, Australia's largest organic certifying body. ACO are approved, accredited and recognised by the Department of Agriculture & Water Resources Australia. In addition, our products undergo strict quality control, they do not contain any artificial ingredients, and are free from GMO ingredients, pesticides and chemicals.

 This blog is for informational or educational purposes only and does not substitute professional medical advice or consultations with a healthcare professional.
