Accordingly, those persons are entitled to attend and vote (if not excluded) at the Meeting.

### **Voting**

Shareholders are encouraged to vote by voting online or by completing a Proxy Form.

### **Voting in Person**

To vote in person attend the Meeting at the time, date and place set out in this Notice.

### **Voting by Proxy**

A Shareholder who is entitled to attend and vote has a right to appoint a proxy to attend and vote instead of the Shareholder. A proxy need not be a Shareholder and can be either an individual or a body corporate. If a Shareholder appoints a body corporate as a proxy that body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise its powers at the Meeting, in accordance with section 250D of the Corporations Act; and
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the Meeting.

If such evidence is not received before the Meeting, then the body corporate (through) its representative will not be permitted to act as proxy.

A Shareholder that is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the Shareholder's votes.

A proxy may decide whether to vote on any motion, except where the proxy is required by law or the Constitution to vote, or abstain from voting, in their capacity as proxy.

The **enclosed** Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

### **Undirected and Directed Proxies**

**The Company encourages all Shareholders who submit proxies to direct their proxy how to vote on each Resolution.**

**NOTICE OF ANNUAL GENERAL MEETING**

---

The Company will not disregard any votes cast on a Resolution by a person if the person is the Chair voting an undirected proxy and their appointment expressly authorises the Chair to exercise the proxy.

If you intend to appoint the Chair as your proxy, you can direct him how to vote by marking the boxes for each Resolution (for example, if you wish to vote "For", "Against" or "Abstain"). If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on any of the Resolutions, by signing and returning the Proxy Form you are considered to have provided the Chair to vote the proxy in accordance with the Chair's intention, even if the Resolution is connected, directly or indirectly, with the remuneration of a member of the Key Management Personnel of the Company.

If you intend to appoint a Director (other than the Chair) or another member of the Key Management Personnel, or their Closely Related Parties as your proxy, you must specify how they should vote on Resolutions 3, 8, 9, 10 and 12 by marking the appropriate box. If you don't, your proxy will not be able to exercise your vote for Resolutions 8, 9, 10 and 12. If the Chair is your proxy (or if they are appointed by default) but you do not direct them how to vote on a Resolution (that is, you do not mark any of the boxes "For", "Against" or "Abstain" opposite that Resolution), the Chair may then vote as they see fit on that Resolution.

If you mark more than one box on an item your vote will be invalid on that item.

In accordance with the Corporations Act, any directed proxies that are not voted on a poll at the meeting will automatically default to the Chair, who is required to vote proxies as directed.

**It is the Chair's intention to vote all undirected proxies in favour of all Resolutions including Resolutions 3, 8, 9, 10 and 12.**

**EXPLANATORY MEMORANDUM**

---

This Explanatory Memorandum and all attachments are important documents. They should be read carefully.

If you have any questions regarding the matters set out in this Explanatory Memorandum or the preceding Notice, please contact the Company, your stockbroker or other professional adviser.

### **General Information**

This Explanatory Memorandum has been prepared to assist Shareholders to understand the business to be put to Shareholders at the Annual General Meeting to be held on Tuesday, 25 November 2025.

The purpose of the Explanatory Memorandum is to provide Shareholders with information that the Board believes to be material to Shareholders in deciding whether or not to approve the above resolutions in the Notice (of which this Explanatory Memorandum forms a part).

## **AGENDA**

### **1. Financial Report, Directors' and Auditor's Report**

The Corporations Act requires:

- the reports of the Directors and auditors; and
- the 2025 Annual Report,

to be laid before the Annual General Meeting. Neither the Corporations Act nor the Constitution requires a vote of Shareholders on the reports or statements. However, Shareholders at the Meeting will be given reasonable opportunity to raise questions or comments.

Reasonable opportunity will also be given to Shareholders at the Meeting to ask the Company's auditor questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

The Company will not provide a hard copy of the 2025 Annual Report to Shareholders unless specifically requested to do so. The 2025 Annual Report is available on the Company's website at [www.redstone.com.au](http://www.redstone.com.au).

### **2. Resolutions 1 & 2 – Re-election of Messrs Hodgins and Homsany**

Rule 8.1(d) of the Constitution requires that at every annual general meeting of the Company, one third of Directors (after excluding a Director who is the Managing Director or any Director appointed by the Board since the date of the last annual general meeting of the Company), or if this number of Directors is 5 or less, then 2 of the remaining Directors, must retire from office and if eligible seek re-election in accordance with Rule 8.1(i) of the Constitution.

ASX Listing Rule 14.4 provides that other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 years, whichever is the longer.

Accordingly, Messrs Hodgins and Homsany retire by rotation and, being willing and eligible, offer themselves for re-election.

The experience and qualifications of, and other information about, Messrs Hodgins and Homsany can be found in the 2025 Annual Report.

### **Directors' Recommendation**

### **3. Resolution 3 – Adoption of the Remuneration Report (Non-Binding)**

#### **General**

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Board or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the 2025 Annual Report.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

#### **Voting consequences**

While the vote does not bind the Company or the Directors, there are important consequences if there is a material 'against' vote on Resolution 3. Changes to the Corporations Act that came into effect on 1 July 2011 introduced what is referred to as the 'two strikes' rule, whereby if at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, a company will be required to put to its shareholders a resolution proposing the calling of a general meeting to consider the appointment of directors of the company (the **Spill Resolution**) at the second annual general meeting.

If at least 25% of the votes cast on Resolution 3 at the Annual General Meeting are voted against adoption of the Remuneration Report, this will constitute a 'first strike', and if at least 25% of the votes are cast against the 2025 Remuneration Report resolution at the Company's 2025 annual general meeting, constituting a 'second strike', then the Company will be required to put to Shareholders a resolution proposing the calling of a general meeting to consider a Spill Resolution.

The Board considers that the Company's remuneration arrangements as set out in the Remuneration Report are fair, reasonable and appropriate, in line with industry standards and structured in a way that the Company can attract and retain suitably qualified and experienced employees to manage the Company.

#### **Directors' Recommendation**

The Directors unanimously recommend the Shareholders vote in favour of Resolution 3.

### **4. Resolutions 4 and 5 - Ratification of Previous Issue of Placement Shares**

#### **4.1. Background**

On 1 October 2025 the Company announced a placement for the issue of Shares (**Placement Shares**) at an issue price of \$0.0035 per Placement Share, and a one (1) for three (3) free attaching unlisted \$0.007 option expiring one year from the date of issue (**Placement Options**), to raise gross proceeds of up to \$650,000 (the **Placement**).

Accordingly, 185,714,286 Placement Shares were issued on 9 October 2025 (**Issue Date**) pursuant to existing ASX Listing Rule 7.1 and ASX Listing 7.1A capacity. Of the total 185,714,286 Placement Shares issued, 104,426,735 Placement Shares were issued pursuant to ASX Listing Rule 7.1A. and 81,287,551 Placement Shares were issued pursuant to ASX Listing Rule 7.1.

Ratification of the 81,287,551 Placement Shares issued pursuant to ASX Listing Rule 7.1 and of the 104,426,735 Placement Shares issued pursuant to ASX Listing Rule 7.1A are sought under Resolution 4 and Resolution 5 respectively, and in accordance with the requirements of ASX Listing Rule 7.4.

Approval for the issue of up to 61,904,770 free attaching Placement Options under the Placement is the subject of Resolution 6.

#### **4.2. Resolution 4 - ASX Listing Rule 7.1**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Issue of 81,287,551 Placement Shares on the Issue Date does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Dates.

ASX Listing Rule 7.4 provides that an issue of securities made without approval under Listing Rule 7.1 and will be treated as having been made with Shareholder approval for the purposes of those Listing Rules if Shareholders subsequently approve it and the issue did not breach Listing Rules 7.1, and so does not reduce Redstone's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

By ratifying the issue of the 81,287,551 Placement Shares the subject of Resolution 4, the Company will retain the flexibility to issue up to the 15% annual placement capacity in relation to the 81,287,551 Placement Shares issued pursuant to ASX Listing Rule 7.1.

#### **4.3. Resolution 5 - ASX Listing Rule 7.1A**

ASX Listing Rule 7.1A provides that in addition to securities permitted without prior shareholder approval under ASX Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under ASX Listing Rule 7.1A may issue or agree to issue during the period for which the approval is valid, a number of quoted securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period as adjusted in accordance with ASX Listing Rule 7.1.

Where an eligible entity obtains shareholder approval to increase its placement capacity under ASX Listing Rule 7.1A then any ordinary securities issued under that additional placement capacity:

- (a) will not be counted in variable "A" in the formula in ASX Listing Rule 7.1A; and
- (b) are counted in variable "E",

until their issue has been ratified under ASX Listing Rule 7.4 (and provided that the previous issue did not breach ASX Listing Rule 7.1A) or 12 months has passed since their issue.

The Company obtained approval to utilise the additional 10% placement capacity under ASX Listing Rule 7.1A at the annual general meeting held on 29 November 2024.

By ratifying the issue of the 104,426,735 Placement Share pursuant to ASX Listing Rule 7.1A, the base figure (i.e. variable "A") in which the Company's 15% and 10% annual placement capacities are calculated will be a higher number, which in turn will allow a proportionately higher number of securities to be issued without prior shareholder approval.

#### **4.4. ASX Listing Rule 7.4**

Broadly speaking, and subject to a number of exceptions, Listing Rules 7.1 and 7.1A limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15 % and 10% respectively of the fully paid ordinary securities it had on issue at the start of that period.

ASX Listing Rule 7.4 provides that an issue of securities made without approval under Listing Rules 7.1 and 7.1A will be treated as having been made with Shareholder approval for the purposes of those Listing Rules if Shareholders subsequently approve it and the issue did not breach Listing Rules 7.1 and 7.1A.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, Resolutions 4 and 5 seek Shareholder approval for the issue of the 81,287,551 Placement Shares and 104,426,735 Placement Shares issued pursuant to ASX Listing Rule 7.1 and 7.1A respectively, under and for the purposes of ASX Listing Rule 7.4.

**REDSTONE RESOURCES LIMITED**  
**ABN 42 090 169 154**  
**EXPLANATORY MEMORANDUM**

---

If Resolutions 4 and 5 are passed, the issue of the total 185,714,286 Placement Shares on the Issue Date will be excluded in calculating the Company's combined 25% limit under ASX Listing Rules 7.1 and 7.1A effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12 month period following the Issue Dates.

If Resolutions 4 and 5 are not passed, the issue of the total 185,714,286 Placement Shares on the Issue Date will be included in calculating the Company's 15% and 10% limits in ASX Listing Rule 7.1 and 7.1A respectively, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the Issue Dates.

Accordingly, Resolutions 4 and 5 seek Shareholder approval for the issue of the total 185,714,286 Placement Shares under and for the purposes of ASX Listing Rule 7.4.

#### **4.5. ASX Listing Rule Disclosure Requirements**

The following information is provided for the purpose of ASX Listing Rule 7.5:

#### **Directors' Recommendation**

The Board recommends Shareholders vote in favour of Resolutions 4 and 5 as it allows the Company greater flexibility to issue further Securities representing up to 15% (under ASX Listing Rule 7.1) of the total number of Shares on issue in any 12 month period without Shareholder approval.

**5. Resolution 6 – Approval of Issue of Placement Options**

**5.1. Background**

On 1 October 2025 the Company announced a Placement for the issue of Placement Shares at an issue price of \$0.0035 per Placement Share, and a one (1) for three (3) free attaching unlisted \$0.007 option expiring one year from the date of issue (**Placement Options**), to raise gross proceeds of up to \$650,000. Subject to Shareholder approval, the Placement Options will be granted on the terms and conditions set out in Annexure A to this Explanatory Memorandum.

Resolution 6 seeks Shareholder approval under ASX Listing Rule 7.1 for the issue and allotment of up to 61,904,770 free attaching Placement Options to sophisticated and/or professional investors of Volatility Pty Ltd pursuant to the Placement.

The net funds raised from the Placement will contribute to cash reserves so as to enable Redstone to advance its planned work programs on its 100% owned West Musgrave Project, including for a potential reverse circulation drilling program, evaluation of the James Bay Lithium Joint Venture Projects in Quebec, Canada and for working capital purposes.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15 % of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Placement Options pursuant to the Placement does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

Resolution 6 seeks the required Shareholder approval for the issue of up to 61,904,770 Placement Options under and for the purposes of Listing Rule 7.1.

If Resolution 6 is passed, Redstone will be able to proceed with the issue of Placement Options to sophisticated and/or professional investors pursuant to the Placement for the purposes set out above. In addition, the issue of Placement Options will be excluded from the calculation of the number of equity securities that Redstone can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 6 is not passed, Redstone will not be able to proceed with the issue of the Placement Options to sophisticated and/or professional investors pursuant to the Placement for the purposes set out above.

**ASX Listing Rule 7.3 Disclosure Requirements**

The following information is provided for Resolution 6 in accordance with ASX Listing Rule 7.3:

- (a) The name of the persons to whom Redstone will issue the securities or the basis on which those persons were or will be identified or selected

The identity of the persons to whom the Placement Options will be issued and allotted will be the sophisticated and/or professional investors who participated in the Placement as introduced by Volatility Pty Ltd, the Lead Manager, and who are not related parties of the Company or their associates.

- (b) Number and class of securities issued

A maximum of 61,904,770 Placement Options will be issued. The terms and conditions of the Placement Options are set out in Annexure A.

The Shares issued upon exercise of the Placement Options will rank equally in all respects with all other ordinary shares in the capital of the Company.

- (c) The date or dates on or by which the entity will issue the securities.

The Placement Options will be issued by no later than 3 months after the date of this Meeting (or such later date as may be approved by ASX (including such later date as permitted by any ASX waiver or modification of the ASX Listing Rules).

Allotment of the Placement Options may occur progressively.

- (d) The price or other consideration the entity will receive for the securities

**REDSTONE RESOURCES LIMITED**  
**ABN 42 090 169 154**  
**EXPLANATORY MEMORANDUM**

---

The Placement Options will be issued as free attaching Options to the Placement Shares referred to in section 4.1 pursuant to the terms of the Placement. As such the Company will not receive consideration for their issue.

- (e) The purpose of the issue, including the intended use of any funds raised by the issue

No funds will be raised by the issue of the Placement Options as they are being issued as free attaching Options to the Placement Shares the subject of Resolutions 4 and 5, on the basis of one (1) free Placement Option for every three (3) Placement Shares.

- (f) If the securities are being issued under an agreement, a summary of any other material terms of the agreement

The Placement Options are not being issued under an agreement.

### **Directors' Recommendation**

The Directors recommend that Shareholders vote in favour of Resolution 6 as it will enable Redstone to proceed with the issue of Placement Options to sophisticated and/or professional investors pursuant to the Placement for the purposes set out in Section 4.1 above and also be excluded from the calculation of the number of equity securities that Redstone can issue without Shareholder approval under Listing Rule 7.1.

## **6. Resolution 7 - Approval of 10% Placement Capacity**

### **6.1. Background**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to issue Equity Securities up to 10% of its issued share capital over a 12 month period after the entity's annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an Eligible Entity for the purposes of ASX Listing Rule 7.1A. As at the date of this Notice the market capitalisation of the Company is \$3,689,945.

Any equity securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of equity securities. At the date of this Notice, the Company has one class of quoted equity securities, being its Shares.

Resolution 7 seeks Shareholder approval by way of a special resolution for Redstone to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If Shareholders approve Resolution 7, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in the Summary of ASX Listing Rule 7.1A (b) below).

If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A during the period of 12 months after the Meeting without any further shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the additional 10% Placement Capacity to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issued Equity Securities without shareholder approval set out in Listing Rule 7.1.

Resolution 7 is a special resolution. Accordingly, 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 7 for it to be passed.

### **6.2. Information required by ASX Listing Rule 7.3A**

Under ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 7:

**REDSTONE RESOURCES LIMITED**  
**ABN 42 090 169 154**  
**EXPLANATORY MEMORANDUM**

(a) Minimum Price at which Equity Securities may be issued

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (a)(i) above, the date on which the Equity Securities are issued.

(b) Risk of economic and voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 7 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice assuming the full 10% dilution.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

The table below uses the following assumptions:

1. The current Shares on issue are as at the date of the Notice.
2. The issue price set out above is the closing price of the Shares on 6 October 2025 of \$0.004.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity hence the voting dilution is shown in each example as 10%.
4. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own Shareholding depending on their specific circumstances, and if necessary, seek advice from their professional advisers.
5. No Options are exercised into Shares before the date of issue of the Equity Securities.
6. The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, and not dilution under the 15% placement capacity under ASX Listing Rule 7.1, under ASX Listing Rule 7.2, or Shareholder approvals under ASX Listing Rule 7.1.
7. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes listed options, it is assumed that those listed options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.004 (50% decrease in issue price)	\$0.004 (Issue price)	\$0.006 (50% increase in issue price)
1,229,981,644 (As at date of Notice)	Shares issued	122,998,164	122,998,164	122,998,164
	Funds Raised	\$245,996	\$491,993	\$737,989
1,844,972,466 (50% increase)*	Shares issued	184,497,247	184,497,247	184,497,247
	Funds Raised	\$368,994	\$737,989	\$1,106,983
2,459,963,288 (100% increase)*	Shares issued	245,996,329	245,996,329	245,996,329
	Funds Raised	\$491,993	\$983,985	\$1,475,978

\*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

Shareholders should note that there is a risk that:

- (i) the market price for the Equity Securities to be issued may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the date of issue.

(c) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) The date that is 12 months after the date of this Meeting;
  - (ii) The time and date of the Company's next annual general meeting; and
  - (iii) the date of approval by Shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (10% Placement Capacity Period).**

(d) Purpose of Funds Raised under an Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for cash consideration, in which case the Company intends to use funds to advance its planned work programs on its 100% owned West Musgrave Project, including for a potential reverse circulation drilling program, evaluation of the James Bay Lithium Joint Venture Projects in Quebec, Canada and for working capital purposes.

(e) Allocation policy for issues under the 10% Placement Capacity

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities will be current Shareholders or new investors (or both), but in either case will not be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) Previous Approval under ASX Listing Rule 7.1A

The Company has previously obtained approval from Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 29 November 2024 **(2024 Previous Approval)**.

During the period preceding the date of the Meeting, being on and from 29 November 2024, the Company has issued 92,537,846 Shares on 5 June 2025 (subsequently approved by Shareholders on 18 August 2025) and 104,426,735 Shares on 9 October 2025, pursuant to the 2024 Previous Approval.

(g) Voting Exclusion Statement

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not invited any existing Shareholder or security holder or an identifiable class of security holder to participate in any such issue. Therefore, no existing Shareholders will be excluded from voting on Resolution 7.

However, in the event that between the date of the Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

### **6.3. Compliance with ASX Listing Rules 7.1A.4 and 3.105A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (i) a list of recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

#### **Directors' Recommendation**

The Directors recommend that Shareholders vote in favour of Resolution 7 as the approval of the issue of the 10% Placement Capacity described above is beneficial for the Company as it provides the Company with the flexibility to issue up to the maximum number of securities permitted under ASX Listing Rule 7.1A in the next 12 months (without further Shareholder approval), should it be required. At the date of the Notice, the Company has no plans to use the 10% Placement Capacity should it be approved.

## **7. Resolutions 8 to 10 (inclusive) - Approval of the Issue of Annexure A Options to Directors**

### **7.1. Background**

Resolutions 8 to 10 (inclusive) seek the approval of Shareholders for the issue of up to 40,000,000 Annexure A Options to Directors and/or their nominee(s) for the purposes ASX Listing Rule 10.11 as follows:

<b>Resolution</b>	<b>Director</b>	<b># of Annexure A Options (*)</b>
Resolution 8	Richard Homsany	20,000,000
Resolution 9	Edward van Heemst	10,000,000
Resolution 10	Brett Hodgins	10,000,000
<b>Total</b>		<b>40,000,000</b>

(\*) Expiry date on or before 5.00pm WST on 20 November 2030 and an exercise price that is at least 145% of the volume weighted average price for Shares traded on the ASX over the five (5) Trading Days immediately preceding the day of the Annual General Meeting.

### **7.2. Options to Directors (Resolutions 8 to 10 inclusive)**

ASX Listing Rule 10.11 provides that, subject to certain exceptions (none of which are relevant here), a company must not issue or grant securities to a related party without shareholder approval.

The object of Resolutions 8 to 10 (inclusive) is to provide the Directors with a mechanism to participate in the future development of the Company and an incentive for their future involvement with and commitment to the Company. The Directors believe that the success of the Company in the future will depend in part, largely, upon the skills of the people engaged to manage the Company's operations. Accordingly, it is important that the Company is able to attract and retain people of the highest calibre. The Directors consider that the most appropriate means of achieving this is to provide directors with an opportunity to participate in the Company's future growth and an incentive to contribute to that growth.

The Directors believe that the grant of the Annexure A Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties.

### **7.3. Terms of Annexure A Options**

Subject to Shareholder approval, the Annexure A Options will be granted on the terms and conditions set out in Annexure A to this Explanatory Memorandum.

The Annexure A Options will have an expiry date on or before 5.00pm WST on 20 November 2030 and an exercise price that is at least 145% of the volume weighted average price for Shares traded on the ASX over the five (5) Trading Days immediately preceding the day of the Annual General Meeting.

### **7.4. Part 2E of the Corporations Act**

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. The issue of the Annexure A Options to Messrs Homsany, van Heemst and Hodgins under Resolution 8, 9 and 10 respectively, constitutes the provision of a financial benefit to related parties.

**REDSTONE RESOURCES LIMITED**  
**ABN 42 090 169 154**  
**EXPLANATORY MEMORANDUM**

---

It is the view of the Directors that the proposed grant of Annexure A Options pursuant to Resolutions 8 to 10 (inclusive), falls within the exception under section 211 of the Corporations Act (reasonable remuneration) given the circumstances of the Company and the positions held by Messrs Homsany, van Heemst and Hodgins. Accordingly, the Directors have determined not to seek Shareholder approval under section 208 of the Corporations Act for the grant of the Annexure A Options to Messrs Homsany, van Heemst and Hodgins pursuant to Resolution 8, 9 and 10 respectively.

The Board's view concluded that the totality of Messrs Homsany, van Heemst and Hodgins remuneration packages, including the equity component of up to 40,000,000 Annexure A Options now to be considered for approval by Shareholders, is fair and reasonable in the circumstances of Redstone given its size and stage of development, market practice of other companies in the mineral exploration industry and given the necessity to attract and retain the highest calibre of skilled professionals to the Company whilst maintaining the Company's cash reserves, and in light of Messrs Homsany, van Heemst and Hodgins' management experience and knowledge of the mineral exploration industry.

### **7.5. ASX Listing Rule 10.11**

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- (a) a related party (ASX Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company (ASX Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (ASX Listing Rule 10.11.3);
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or
- (e) a person whose relation with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (ASX Listing Rule 10.11.5),

unless it obtains the approval of its shareholders.

The proposed issues of Annexure A Options, the subject of Resolutions 8 to 10 (inclusive), to Messrs Homsany, van Heemst and Hodgins fall within Listing Rule 10.11.1 as they are related parties of the Company, in their capacity as Directors. As the proposed issue does not fall within any of the exceptions in Listing Rule 10.12 it therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

The Company reviews director remuneration annually, based on market practice, duties and accountability and to ensure their remuneration is competitive in attracting, retaining and motivating people with the appropriate skills and experience. The purpose of issuing options to directors as part of a remuneration package also provides directors with an opportunity to participate in the company's future growth and give them an incentive to contribute to that growth, thereby aligning directors' interests with shareholder interests. The proposed issue of Annexure A Options, the subject of Resolutions 8 to 10 (inclusive) has the benefit of conserving cash whilst properly remunerating and rewarding the Directors.

Accordingly, Resolution 8, 9 and 10 seek the required Shareholder approval to the issue of Annexure A Options, the subject of Resolution 8, 9 and 10, to Messrs Homsany, van Heemst and Hodgins under and for the purposes of Listing Rule 10.11.

If Shareholders do not approve Resolution 8, 9 and 10, the Company will not be able to issue the Annexure A Options, the subject of Resolution 8, 9 and 10, to Messrs Homsany, van Heemst and Hodgins.

If Shareholder approval is obtained for Resolution 8, 9 and 10, the Annexure A Options, the subject of Resolution 8, 9 and 10, to Messrs Homsany, van Heemst and Hodgins will be issued by the Company within one month of Shareholder approval.

## 7.6. ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that prior approval of shareholders is required for an issue of equity securities if the equity securities will, when aggregated with the equity securities issued by a company during the previous 12 months, exceed 15% of the number of ordinary shares on issue at the commencement of that 12 month period.

Approval pursuant to ASX Listing Rule 7.1 is not required (under Exception 14 to ASX Listing Rule 7.1) in order to issue the Annexure A Options to Messrs Homsany, van Heemst and Hodgins and/or their nominee(s) as approval is being obtained under ASX Listing Rule 10.11.

Shareholders should note that the issue of securities to Messrs Homsany, van Heemst and Hodgins and/or their nominee(s) will not be included in the 15% calculation for the purposes of ASX Listing Rule 7.1.

**Directors' Recommendation**

Mr Richard Homsany declines to make a recommendation to Shareholders in relation to Resolution 8 due to his material personal interest in the outcome of the Resolution. The Directors (other than Mr Homsany) recommend that, for the reasons set out above, Shareholders vote in favour of Resolution 8.

Mr Edward van Heemst declines to make a recommendation to Shareholders in relation to Resolution 9 due to his material personal interest in the outcome of the Resolution. The Directors (other than Mr van Heemst) recommend that, for the reasons set out above, Shareholders vote in favour of Resolution 9.

Mr Brett Hodgins declines to make a recommendation to Shareholders in relation to Resolution 10 due to his material personal interest in the outcome of the Resolution. The Directors (other than Mr Hodgins) recommend that, for the reasons set out above, Shareholders vote in favour of Resolution 10.

**8. Resolution 11 – Approval of the Issue of Annexure A Options to Key Consultants and/or Employees**

**8.1. Background**

The Board has decided to reward the efforts of key consultants and/or employees for services previously rendered to the Company over the past 12 months. The Company is seeking Shareholder approval for the issue of up to 4,000,000 Annexure A Options to Dr Greg Shirliff of Zephyr Professional Pty Ltd, a key technical geological consultant to the Company, and 10,000,000 Annexure A Options to Ms Miranda Conti, Company Secretary, a key employee of the Company.

The Annexure A Options will have an expiry date on or before 5.00pm WST on 20 November 2030 and an exercise price that is at least 145% of the volume weighted average price for Shares traded on the ASX over the five (5) Trading Days immediately preceding the day of the Annual General Meeting.

**8.2. ASX Listing Rule 7.3**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15 % of the fully paid ordinary securities it had on issue at the start of that period.

The issue of up to 14,000,000 Annexure A Options to key consultants and/or employees of the Company does not fit within any of these exceptions. While the issue does not exceed the 15% limit in Listing Rule 7.1 and can therefore be made without breaching that rule, the Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval under Listing Rule 7.1. To do this, the Company is asking Shareholders to approve the issue of up to 14,000,000 Annexure A Options to key consultants and/or employees of the Company under Listing Rule 7.1 so that it does not use up any of the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

To this end, Resolution 11 seeks Shareholder approval to the issue of up to 14,000,000 Annexure A Options to key consultants and/or employees of the Company under and for the purposes of Listing Rule 7.1.

If Resolution 11 is passed, the issue of up to 14,000,000 Annexure A Options to key consultants and/or employees of the Company can proceed without using up any of the Company's 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

If Resolution 11 is not passed, the issue of up to 14,000,000 Annexure A Options to key consultants and/or employees of the Company can still proceed but it will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for 12 months following the issue of up to 14,000,000 Annexure A Options to key consultants and/or employees of the Company.

The following information is provided for the purpose of ASX Listing Rule 7.3.

- (a) *The name of the persons to whom Redstone will issue the securities or the basis on which those persons were identified or selected*

Key consultants and/or employees (and/or their nominee(s)), none of whom are related parties or substantial shareholders of the Company:

*(b) Number and class of securities the entity will issue*

Up to 14,000,000 Annexure A Options.

*(c) If the securities are not fully paid ordinary securities, a summary of the material terms of the securities*

The terms and conditions of the Annexure A Options are set out in Annexure A.

*(d) The date or dates on or by which the entity will issue the securities*

The Annexure A Options will be issued within three months of the date of the Meeting (or such later date as may be approved by ASX (including such later date as permitted by any ASX waiver or modification of the ASX Listing Rules).

*(e) The price or other consideration the entity will receive for the issue*

Nil. The Annexure A Options will be issued as an incentive for technical, management and corporate administration services provided to the Company.

*(f) The purpose of the issue, including the intended use of any funds raised by the issue*

As the Annexure A Options are being issued for no consideration, no funds will be raised by their issue. Any funds received by the Company upon exercise of the Annexure A Options will be used for general exploration and development work on Redstone projects and for working capital purposes.

**Directors' Recommendation**

The Directors recommend that Shareholders vote in favour of Resolution 11, as it approves the above issue of up to 14,000,000 Annexure A Options to key consultants and/or employees and retains the Company's flexibility to issue further securities representing up to 15% of the Company's Share capital during the next 12 months.

**9. Resolution 12 - Approval of Securities Incentive Plan (2022)**

**9.1. Background**

Resolution 12 seeks Shareholder approval for the new Redstone Resources Limited Securities Incentive Plan (2022) (Incentive Plan). A summary of the key terms and conditions of the Incentive Plan is set out in Annexure C to this Notice.

Listing Rule 7.1 places certain restrictions on the extent to which a listed company may issue certain equity securities, including options. The effect is that shareholder approval is required before the company may issue equity securities representing more than 15% of the capital of the company within a 12-month period. However, certain issues are exempt from the restrictions of Listing Rule 7.1 and are effectively disregarded for the purposes of determining the number of securities which a company may issue within a 12-month period. Exempt issues include an issue of securities to persons participating in an employee incentive scheme where shareholders have approved the issue of securities under the scheme as an exemption from Listing Rule 7.1. Shareholder approval must be given in a general meeting held not more than 3 years before the date of issue when the notice of meeting contains or is accompanied by certain prescribed information (set out below) (Exception 13 of Listing Rule 7.2).

In order to take advantage of the exemption from Listing Rule 7.1 and allow the Company flexibility to issue securities, Shareholders are requested to approve the issue of securities under the Incentive Plan (**Plan Securities**) as an exemption from Listing Rule 7.1. This approval will be effective for a period of three (3) years from the date of the Resolution. It should be noted that Resolution 12 does not approve the issue of any Plan Securities to any Director, employee or consultant of the Company. Plan Securities cannot be granted to Directors or any of their associates unless prior approval of Shareholders is obtained in accordance with the Listing Rules.

Other Information

The Treasury Laws Amendment (Cost of Living Support and Other Measures) Act 2022 (**the ESS Act**), which received royal assent on 31 March 2022, introduces a new Division 1A into Part 7.12 of the Corporations Act 2001 (Cth). The ESS Act, which takes effect from 1 October 2022, will significantly decrease red tape for companies and registered incentive plans/schemes looking to attract, retain or reward employees through offers to participate in an employee share scheme (ESS). Specifically, the ESS Act makes it easier for companies and registered incentive plans/schemes to access 'regulatory relief' from the Corporations Act's securities disclosure, licensing, advertising, anti-hawking and on-sale regulatory requirements which would otherwise apply when making offers of interests under an ESS.

To avoid the application of the Corporations Act (Disclosure Requirements) entities have relied largely on the regulatory relief provided by the ASIC Class Orders regime, namely [CO 14/1000] Employee incentive schemes: Listed bodies and ASIC Class Order [CO 14/1001] Employee incentive schemes: Unlisted bodies (**Class Orders**).

The ESS Act will replace the Class Orders and will provide very similar regulatory relief as the Class Orders.

In addition to the Class Orders, there are also two specific exemptions from the Disclosure Requirements set out in the Corporations Act. These exemptions apply to offers made to 'senior managers' and small-scale offerings (<20 acceptances and <AU\$2 million raised in any one year). These exemptions (which by themselves offer relief in very limited circumstances) will remain in force and will exist alongside the new ESS Act.

It should also be noted that the definition of eligible participants, who can receive offers under an incentive plan/scheme, has been substantially broadened to include all classes of employees, directors, spouse and associates, consultants, contractors etc.

The new Redstone Resources Limited Securities Incentive Plan (2022) reflects the incorporation of the ESS Act.

The main purpose of the Incentive Plan is to additionally reward the Directors, employees and consultants of the Company so that they continue to provide dedicated and ongoing commitment and effort to the Company. The Incentive Plan is designed to increase the motivation of personnel and create a stronger link between increasing Shareholder value and personnel reward.

If convertible securities issued under the Incentive Plan are exercised, it will have the effect of increasing the Company's cash position by the amount of the exercise price multiplied by the number of Incentive Plan convertible securities exercised. It will also increase the number of Shares that are on issue by the number of Incentive Plan convertible securities exercised.

Shares issued pursuant to the exercise of Incentive Plan convertible Securities will rank *pari passu* in all respects with the Company's existing Shares.

The Board believes that the Incentive Plan will:

- enable the Company to recruit and retain the talented people needed to achieve the Company's business objectives;
- link the rewards of key personnel with the achievements of strategic goals and the performance of the Company;
- align the financial interest of participants in the Incentive Plan with those of shareholders of the Company; and
- provide reward to participants in the Incentive Plan to focus on superior performance that creates shareholder value.

The purpose of Resolution 12 is to consider and approve the adoption of the Incentive Plan in accordance with ASX Listing Rule 7.2, exception 13(b). If Resolution 12 is passed and the Incentive Plan is approved by shareholders, any securities issued to eligible participants under the Incentive Plan in the course of the next three years will be excluded from the Company's 15% limit for the purpose of ASX Listing Rule 7.1 (subject to the maximum number of securities to be issued under the Incentive Plan as set out below).

If shareholder approval is not obtained and Resolution 12 is not passed, the Company will be able to proceed with issues of securities under the Incentive Plan (again, subject to the maximum number of securities to be issued under the Incentive Plan set out below) to eligible participants, but any issue of securities will be counted as part of the Company's 15% annual placement capacity, as detailed in ASX Listing Rule 7.1, and will reduce to that extent, the Company's capacity to issue securities without shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the issue of the securities.

**9.2. ASX Listing Rule 7.2 (Exception 13) Disclosure Requirements**

In accordance with Listing Rule 7.2 (Exception 13(b)), the following information is disclosed to Shareholders for the purposes of Resolution 12:

- (a) A summary of the terms and conditions of the Incentive Plan are set out in Annexure C to this Notice of Meeting.
- (b) A voting exclusion statement is included in the Notice.
- (c) As at the date of this notice, no offers or issues of securities have been made and accepted under the previous Redstone Resources Limited Employee Share Option Plan since the date of last approval (28 January 2022).
- (d) No Equity Securities will have been issued under the Incentive Plan as at the date of the Meeting.
- (e) The maximum number of Equity Securities proposed to be issued under the Plan as at the date of this Notice is 50,000,000. The Board will make determinations from time to time during the currency of the Incentive Plan as to whether Plan Securities should be issued up to this maximum number under it at their discretion and subject to any approvals that may be required under the ASX Listing Rules.

**Directors' Recommendation**

As the Directors may have a personal interest in Resolution 12, the Directors make no recommendation as to how Shareholders should vote on this resolution.

**Resolution 13 – Re-Insertion of Proportional Takeover Provisions**

Previously, the Constitution of the Company contained proportional takeover approval provisions requiring Shareholders to approve any takeover offer for only a proportion of each Shareholder's Shares (Rule 6). These provisions are designed to assist Shareholders to receive proper value for their Shares if a proportional takeover bid is made for the Company.

In accordance with the Corporations Act and the Constitution, the proportional takeover approval provisions expire three years from their adoption, or if renewed, from the date of renewal.

The Company has not renewed its proportional takeover provisions since shareholder approval at the 2022 annual general meeting of the Company held on 29 November 2022, and accordingly Rule 6 of the Constitution ceases to apply on 29 November 2025.

If re-inserted, the proportional takeover provisions will continue to apply on the same terms as the provisions which currently exist in the Constitution immediately prior to the date of the Meeting and will have effect for a period of three years, commencing on 25 November 2025.

The proportional takeover provisions are set out in full in Annexure D to this Notice.

**Effect**

If a proportional takeover bid is made, the Directors must:

- convene a general meeting no less than 14 days before the end of the bid period; and
- allow Shareholders to vote on a resolution to approve the proportional takeover bid.

The bidder and its associates are not allowed to vote on the resolution.

If the resolution is rejected, binding acceptances are required to be rescinded, and all unaccepted offers and offers failing to result in binding contracts are taken to have been withdrawn.

If the bid is approved, the transfers resulting from the bid may be registered provided they comply with other provisions of the Corporations Act and the Constitution.

If no resolution is voted on by the above deadline, a resolution approving the bid is taken to have been passed.

**REDSTONE RESOURCES LIMITED**  
**ABN 42 090 169 154**  
**EXPLANATORY MEMORANDUM**

---

The proportional takeover provisions do not apply to full takeover bids and will only apply until 29 November 2025, unless again renewed by Shareholders.

**Reasons for re-inserting proportional takeover provisions**

As a proportional takeover bid involves an offer for only a proportion of each Shareholder's Shares, a bidder may acquire control of the Company:

- without Shareholders having the chance to sell all their Shares, leaving them as part of a minority interest in the Company; and
- without payment of an adequate control premium.

The Board considers that the proportional takeover provisions should be re-inserted as they lessen the risk of a bidder obtaining control without adequately compensating existing Shareholders as they allow Shareholders to decide collectively whether a proportional takeover bid is acceptable and appropriately priced.

**Advantages and disadvantages**

**Advantages**

Re-insertion of the proportional takeover provisions provide Shareholders:

- the right to decide whether a proportional takeover bid should proceed;
- protection from being locked in as a minority Shareholder;
- increased bargaining power; and
- the view of majority of Shareholders which may assist individual Shareholders to decide whether to accept or reject an offer under proportional takeover bid.

**Disadvantages**

Re-insertion of the proportional takeover provisions may:

- discourage proportional takeover bids;
- reduce Shareholders' opportunities to sell Shares at a premium;
- restrict the ability of individual Shareholders to deal with their Shares as they see fit; and
- reduce the likelihood of a proportional takeover bid succeeding.

The Board considers that the potential advantages for Shareholders of the proportional takeover approval provisions outweigh the potential disadvantages.

**Knowledge of acquisition proposals**

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

**Directors' Recommendation**

The Directors unanimously recommend the Shareholders vote in favour of Resolution 13.

**Enquiries**

Shareholders are invited to contact the Company Secretary, Miranda Conti on (08) 9328 2552 if they have any queries in respect of the matters set out in this Notice.

**Annexure A – Terms and Conditions of Annexure A Options**

Each Option entitles the holder to subscribe for Shares on the following terms and conditions:

**1. Entitlement**

Each Annexure A Option entitles the holder to subscribe for one Share upon exercise of each Annexure A Option.

**2. Exercise Price**

The exercise price of each Annexure A Option is that price which is at least 145% of the volume weighted average price for Shares traded on the ASX over the five (5) Trading Days immediately preceding the day of the Annual General Meeting.

**3. Expiry Date**

Each Annexure A Option has an expiry date of 5.00pm WST on 20 November 2030.

**4. Exercise Period**

Each Annexure A Option is exercisable at any time on or before the Expiry Date.

**5. Notice of Exercise**

Each Annexure A Option may be exercised by notice in writing to the Company. Any notice of exercise of Annexure A Options received by the Company will be deemed to be a notice of the exercise of the Annexure A Option as at the date of receipt.

**6. Timing of issue of Shares**

After an Annexure A Option is validly exercised, the Company must as soon as possible:

- (a) issue and allot the Share; and
- (b) do all such acts matters and things to obtain the grant of quotation for the Share on ASX no later than 5 days from the date of exercise of the Annexure A Option.

**7. Shares issued on exercise**

Shares issued on exercise of the Annexure A Options rank equally with the then shares of the Company.

**8. Quotation of Shares on exercise**

Application will be made by the Company to ASX for official quotation of the Shares issued upon the exercise of the Annexure A Options.

**9. Participation in new issues**

There are no participation rights or entitlements inherent in the Annexure A Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Annexure A Options.

However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least three business days after the issue is announced. This will give holders of Annexure A Options the opportunity to exercise their Annexure A Options prior to the date for determining entitlements to participate in any such issue.

**10. Adjustment for bonus issues of Shares**

If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction, of dividends or by way of dividend reinvestment):

- (a) the number of Shares which must be issued on the exercise of an Annexure A Option will be increased by the number of Shares which the Optionholder would have received if the Optionholder had exercised the Annexure A Option before the record date for the bonus issue; and

**EXPLANATORY MEMORANDUM**

---

(b) no change will be made to the Exercise Price.

**11. Adjustment for rights issue**

If the Company makes an issue of Shares pro rata to existing Shareholders (other than an issue in lieu of in satisfaction of dividends or by way of dividend reinvestment) the Exercise Price of a Annexure A Option will be reduced according to the following formula:

$$\text{New exercise price} = O - \frac{E[P - (S + D)]}{N + 1}$$

O = the old Exercise Price of the Annexure A Option.

E = the number of underlying Shares into which one Annexure A Option is exercisable.

P = average market price per Share weighted by reference to volume of the underlying Shares during the 5 trading days ending on the day before the ex rights date or ex entitlements date.

S = the subscription price of a Share under the pro rata issue.

D = the dividend due but not yet paid on the existing underlying Shares (except those to be issued under the pro rata issue).

N = the number of Shares with rights or entitlements that must be held to receive a right to one new share.

**12. Adjustments for reorganisation**

**Annexure C – Key Terms and Conditions of the Redstone Resources Limited Securities Incentive Plan**

The Redstone Resources Limited Securities Incentive Plan (2022) (**Plan**) is being considered for approval by Shareholders at the Annual General Meeting. The full terms of the Plan may be inspected at the registered office of the Company during normal business hours. A summary of the terms of the Plan is set out below:

- (a) **(Eligible Participant):** Eligible Participant means a person that:
- (i) is an "ESS participant" (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company; and
  - (ii) has been determined by the Board to be eligible to participate in the Plan from time to time.
- (b) **(Purpose):** The purpose of the Plan is to:
- (i) assist in the reward, retention and motivation of Eligible Participants;
  - (ii) link the reward of Eligible Participants to Shareholder value creation; and
  - (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- (c) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.
- (d) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company.

The Board may accept an application from an Eligible Participant in whole or in part.

If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

- (e) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (f) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (g) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (h) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

**REDSTONE RESOURCES LIMITED**  
**ABN 42 090 169 154**  
**EXPLANATORY MEMORANDUM**

---

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

**Market Value** means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 Trading Days immediately preceding that given date, unless otherwise specified in an invitation. A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (i) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (j) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
  - (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (k) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (l) **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
- (m) **(Disposal restrictions on Plan Shares):** If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.  
  
For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:
  - (i) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
  - (ii) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
- (n) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been

---

issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

- (o) **(Participation in new issues)**: There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Amendment of Plan)**: Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (q) **(Plan duration)**: The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.
- (r) **(Board powers and discretion)**: Any power or discretion which is conferred on the Board by these Rules may be exercised in its sole and absolute discretion except to the extent that it prevents the Company relying on the deferred tax concessions under Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth). Any decision by the Board regarding the interpretation, effect or application of these Rules, is final, conclusive and binding. The Board does not, in exercising any power or discretion under these Rules, owe any fiduciary or other obligations to any Eligible Participant or Participant.

#### **Compliance with Applicable Laws**

Notwithstanding these Rules or any terms of a Security, no Security may be offered, granted, vested or exercised, and no Share may be issued or transferred, if to do so would contravene any Applicable Laws.

Where monetary consideration is payable by the Eligible Participant for a Security, and in respect of Convertible Securities where the Exercise Price on exercise of those Convertible Securities is greater than zero, the Company must have reasonable grounds to believe, when making an Invitation:

- (i) the total number of Plan Shares that are, or are covered by the Securities that may be issued under an Invitation; or
- (ii) the total number of Plan Shares that are, or are covered by the Securities that may be issued, or could have been issued in connection with the Plan in reliance on Division 1A of Part 7.12 of the Corporations Act at any time during the previous 3 year period prior to the date the Invitation is made,

does not exceed:

- (i) if the Constitution specifies an issue cap percentage, that percentage; or
- (ii) 5% (or such other maximum permitted under any Applicable Law),

of the total number of Shares on issue at the date of the Invitation.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
