EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.pointerra.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF A DIRECTOR - ANDREW GEE

3.1 General

Resolution 2 relates to the election of Mr Andrew Gee as a Director.

Clause 13.4 of the Company's Constitution allows the Directors to appoint at any time a person to be a Director of the Company but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Under clause 13.4 of the Constitution, Directors so appointed must retire at the next Annual General Meeting of the Company and are eligible for election at that Meeting but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Similarly, the Listing Rule 14.4 provides that a person appointed as a Director by the Board must not hold office (without re-election) past the Company's next annual general meeting.

Mr Gee was appointed as a Non-Executive Chairman by the Board on 25 November 2024 in accordance with the Constitution and will retire in accordance with Listing Rule 14.4 and clause 13.4 of the Constitution, Mr Gee and being eligible, seeks election from the Shareholders.

Mr Gee currently has no directorships with any other ASX listed companies and has no former listed company directorships in the last 3 years.

3.3 Independence

Mr Gee has no interests, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an

independent judgement to bear on issues before the Board and to act in the best interest of the Company and its security holders generally.

If elected, the Board considers Mr Gee will be an independent Director.

3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Mr Gee.

3.5 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Gee will be elected to the Board as an independent Director.

If this Resolution is not approved by the Shareholders, Mr Gee will cease to be a Director at the conclusion of the Meeting. In consequence, the Company may seek nominations or otherwise identify suitably qualified candidates to join the Company.

3.6 Board recommendation

The Board has reviewed Mr Gee's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. The Directors, except for Mr Gee, recommend that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF A DIRECTOR - DAMON FIELDGATE

4.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Damon Fieldgate, who has held office without re-election since 13 November 2023 and being eligible, retires by rotation and seeks re-election.

Further information in relation to Damon Fieldgate is set out below.

4.2 Qualifications and other material directorships

Mr Fieldgate has more than 30 years of experience in the International and Australian software solutions sector and has spent the past 18 years in senior executive positions across the public, private, and private equity sectors, and has also contributed his expertise to Company boards.

Having spent the past 10 years in the US leading and growing businesses in digital services, developing go-to-market strategies, focusing on customer success and profitable growth, Mr Fieldgate has also driven capital markets transactions, including a Nasdaq listing as part of the senior executive team, and multiple business sales to strategic and growth minded investors.

Mr Fieldgate was a part of the Senior Executive Management team that listed

Endurance International Group on the Nasdaq and then spent 5 years working as Vice President and General Manager at Deluxe Corporation leading digital products and services, merging multiple businesses into one and executing 14 acquisitions, efficiently integrating operations, and driving revenue and EBITDA growth.

More recently he was the Chief Executive Officer of companies in the Cyber Security and Remote Wellness Management sectors, focusing on product development, and executing successful go-to-market strategies, before achieving exits via strategic business sales.

In his current role as Operating Partner with Banyan Software, a diversified global software company that acquires, builds, and grows enterprise software businesses, Mr Fieldgate leads the effort to grow Banyan through acquisitions, and helps portfolio companies achieve their growth objectives.

Mr Fieldgate currently has no directorships with any other ASX listed companies and has no former listed company directorships in the last 3 years.

4.3 Independence

Mr Fieldgate has no interests, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company and its security holders generally.

4.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Fieldgate will be re-elected as an independent Director.

If this Resolution is not passed, Mr Fieldgate will not continue in their role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4.5 Board recommendation

The Board has reviewed Mr Fieldgate's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. The Directors, except for Mr Fieldgate, recommend that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – ELECTION OF STEPHEN DAVID MAYNE WHO HAS NOMINATED HIMSELF AS A DIRECTOR (NOT BOARD ENDORSED)

5.1 General

The Company received Stephen David Mayne's nomination for election and consent to act as a Director within the required time prescribed under the Company's Constitution.

5.2 Qualifications and other material directorships

Mr Mayne, in his nomination advised the following information on his biography – this information has not been verified by the Company:

Stephen Mayne, 56, BCom (Melb), GAICD. Stephen is a Walkley Award-winning business journalist and Australia's best known retail shareholder advocate. He was the founder of www.crikey.com.au, publishes the corporate governance website www.maynereport.com, writes regular columns for The Intelligent Investor and co-hosts The Money Café podcast with Alan Kohler. His governance experience includes 8 years as a City of Manningham councillor in Melbourne's eastern suburbs, a 4 year term (2012–2016) as a City of Melbourne councillor where he chaired the Finance and Governance committee, 5 years on the Australian Shareholders' Association board and asking questions at more than 1100 ASX listed company AGMs since 1998.

5.3 Board recommendation

In his nomination, Mr Mayne raised concerns about the Company holding physical only shareholder meetings.

Mr Mayne did not engage with the Company's usual director candidate assessment process.

Mr Mayne indicated that he would withdraw his nomination if the Company agreed to hold a full hybrid AGM.

The Board has assessed Mr Mayne's nomination including his stated skills and experience in the context of the current composition of the Board and against the skills matrix in the Company's Corporate Governance Statement.

Based on the information available, in the Board's view:

- a) Mr Mayne's skills and experience are not complementary to the current Board and he does not have the requisite technology or software industry experience to be an effective director;
- b) Mr Mayne would not add to the effectiveness of the Board; and
- c) it is not in the best interest of the Company and its Shareholders that Mr Mayne be elected as a non-executive director.

The Directors unanimously recommend that Shareholders vote against this Resolution. The Chair of the Meeting intends to vote all available proxies against this Resolution.

5.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Mayne will be elected to the Board as an independent Director.

If this Resolution is not passed, Mr Mayne will not join the Board as an independent Director.

6. RESOLUTION 5 – APPROVAL OF 7.1A MANDATE

6.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the

amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$43,474,147 (based on the number of Shares on issue and the closing price of Shares on the ASX on 9 October 2025).

6.2 Technical information required by Listing Rule 14.1A

Resolution 5 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

6.3 Technical information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 5:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity

Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section (i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate towards the global commercialisation of its proprietary 3D technology solution to support digital asset management activities across a range of sectors, potential new asset or investment acquisitions and general working capital (including corporate and administration costs).

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 9 October 2025.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)			Dilution		
			Issue Price		
			\$0.027	\$0.054	\$0.081
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	808,076,797 Shares	80,807,679 Shares	\$2,181,807	\$4,363,614	\$6,545,421
50% increase	1,212,115,196 Shares	121,211,519 Shares	\$3,272,711	\$6,545,422	\$9,818,133
100% increase	1,616,153,594 Shares	161,615,359 Shares	\$4,363,614	\$8,727,229	\$13,090,844

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with

Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 808,076,797 Shares on issue comprising:
 - a) 805,076,797 existing Shares as at the date of this Notice;
 - b) 3,000,000 Shares which will be issued to Mr Damon Fieldgate as approved at the Company's annual general meeting held on 29 November 2024.
2. The issue price set out above is the closing market price of the Shares on the ASX on 9 October 2025 (being \$0.054).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule a) unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;

- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
 - (v) prevailing market conditions; and
 - (vi) advice from corporate, financial and broking advisers (if applicable).
- (f) **Previous approval and issues under Listing Rule 7.1A in previous 12 months**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 29 November 2024 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 24 November 2024, the Company has not issued any Equity Securities pursuant to the Previous Approval.

6.4 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

6.5 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 5 as it will give the Company the flexibility to issue securities without Shareholder approval to raise necessary working capital in the future.

7. RESOLUTION 6 – ISSUE OF DIRECTOR INCENTIVE SHARES AND APPROVAL OF LOAN TO RELATED PARTY (ANDREW GEE)

7.1 Background to the Loan

The Company has agreed, subject to obtaining Shareholder approval, to the provision of a non-recourse, interest free loan (**Loan**) to Mr Andrew Gee, pursuant to the employee securities incentive plan which was adopted by Shareholders on 29 November 2024 (**ESIP**), for the purpose of subscribing for 3,000,000 Shares (**Plan Shares**) on the terms and conditions set out below. Mr Gee is a non-executive director of the Company.

The Company is in an important stage of growth with significant opportunities and challenges in both the near and long-term, and the proposed issue seeks to align the efforts of the Directors in seeking to achieve growth of the Share price and in the creation of Shareholder value. In addition, the Board also believes that the issue of Plan Shares is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Plan Shares to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

In March 2025, the Board determined to issue the Plan Shares to Mr Gee at its next general meeting of shareholders. The 5-day volume weighted average closing price at the date of determination was \$0.052.

The Plan Shares are to be issued under the Company's ESIP, the terms of which are summarised in the table at Annexure A and in the Company's 2024 notice of annual general meeting, announced on ASX on 29 October 2024.

7.2 General

As set out in Section 7.1 above, Resolution 6 seeks Shareholder approval for the purposes of Listing Rule 10.14 for the issue of up to 3,000,000 Plan Shares under the ESIP to Mr Gee (or his nominee) (**Related Party**).

7.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of Plan Shares constitutes giving a financial benefit and Mr Gee is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Gee) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Plan Shares, reached as part of the remuneration package for Mr Gee, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

7.4 ASX Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme:

- (a) a director of the company (Listing Rule 10.14.1);
- (b) an associate of a director the company (Listing Rule 10.14.2); or
- (c) a person whose relation with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3), unless it obtains the approval of its shareholders.

The proposed issue of the Plan Shares falls within Listing Rule 10.14.1 (or Listing Rule 10.14.2 if a Related Party elects for the Plan Shares to be granted to their nominee) and therefore requires the approval of Shareholders under Listing Rule 10.14.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 or 10.11 is not required.

7.5 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue of the Plan Shares to Mr Gee.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Plan Shares to Mr Gee and the Company may need to consider other forms of performance-based remuneration, including by the payment of cash.

7.6 Specific information required by ASX Listing Rule 10.15

Pursuant to and in accordance with the requirements of ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of Plan Shares to the Related Party:

- (a) Mr Gee is the recipient of the Plan Shares and is a related party by virtue of being a Director and falls into the category stipulated by Listing Rule 10.14.1. In the event the Plan Shares are issued to a nominee of Mr Gee, that person will fall into the category stipulated by Listing Rule 10.14.2;
- (b) the maximum amount of the Loan (being the nature of the financial benefit) to be provided to the Related Party (or his nominee) can be calculated by multiplying the number of Shares to be issued (determined in accordance with paragraph (c)) by the issue price (determined in accordance with paragraph (d)). Based on the issue price (ie \$0.08), the amount of the Loan will be \$240,000;
- (c) the maximum number of Shares to be issued is 3,000,000 Shares to Mr Gee (or his nominee);
- (d) the issue price of the Shares will be \$0.08 per Share;
- (e) no funds will be raised from the issue of the Plan Shares as there will be no change to the Company's cash position (ie the Loan made by the Company will be used to subscribe for the Plan Shares to be issued to the Related Party). Amounts repaid to the Company by the Related Party in the future in satisfaction of the Loan will be used by the Company for general working capital purposes;
- (f) Mr Gee's remuneration package for the financial year ended 30 June 2025 was \$55,332, noting that Mr Gee was appointed on 25 November 2024. Mr Gee's remuneration package for the current financial year ending 30 June 2026 is \$115,973, comprising Directors salary of \$48,000 and share-based payments of \$67,973 being the value of the Plan Shares;
- (g) the issue of the Plan Shares will have a diluting effect on the percentage interest of existing Shareholders' holdings. As the Plan Shares will be issued as fully paid ordinary shares the dilutionary effect will be 0.43%.

The dilution effect assumes the current Share capital structure as at the date of this Notice (being 805,076,797 Shares) and assumes that no Shares are issued other than the Plan Shares to Mr Gee).

- (h) the Loan will be provided on the following key terms and otherwise subject to the terms and conditions of the ESIP, a summary of which is set out in Annexure A:
 - (i) (non-recourse): the Loan is secured against the Plan Shares but the Related Party is not personally liable for the Loan. In other words, in the event the Plan Shares are sold to repay the Loan but the sale proceeds are insufficient to cover the amount of the Loan which is outstanding the Company cannot recover the remaining amount

from the Related Party. Conversely, where the sale proceeds are greater than the amount of the Loan the Company will not receive any additional repayment as the Related Party is entitled to the surplus proceeds;

- (ii) (interest free): the Loan will be interest free unless otherwise agreed by the Related Party; and
 - (iii) (term): 5 years from the date of issue of the Plan Shares subject to earlier repayment in accordance with the terms of the ESIP (e.g. ceasing to be an employee of the Company, an event of insolvency);
- (i) the value of the Loan using the Trinomial Lattice Option Pricing model valuation methodology is \$83,800;

This value is based on the following assumptions:

- (i) a valuation date of 9 October 2025;
- (ii) an issue price of \$0.08 per Plan Share and corresponding Loan principal of \$240,000;
- (iii) a current market price of \$0.054 per Share. Shareholders should also note that the market price of Shares during the term of the Loan will affect the value of the financial benefit provided to the Related Party;
- (iv) a risk free interest rate of 3.76% per annum;
- (v) a Loan term of 5 years. Shareholders should note that the actual term of the Loan may be shorter (eg where a Related Party ceases to be an employee of the Company, an event of insolvency occurs in respect of a Related Party, or, a Related Party elects to repay their Loan early). The actual term of the Loan will affect the value of the financial benefit provided to the Related Party; and
- (vi) a Share price volatility of 96%;

- (j) the highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

Highest: \$0.098 per Share on 29 January 2025

Lowest: \$0.038 per Share on 27 December 2024

The latest available closing market sale price of the Shares on ASX prior to the date of this Notice was \$0.054 per Share on 9 October 2024.

- (k) no Plan Shares have previously been issued under the ESIP to Mr Gee;
- (l) at the date of this Notice, Mr Gee holds no interests in any Equity Securities of the Company. Assuming that Resolution 6 is approved by Shareholders, the issue of the Plan Shares to Mr Gee and no other Equity Securities are issued or exercised, Mr Gee's interest would approximate 0.43% of the Company's expanded capital.
- (m) The Directors, other than Mr Gee who declines to make a

recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution, recommend that Shareholders vote in favour of Resolution 6 for the following reasons:

- (i) through his legal professional expertise and listed company knowledge, Mr Gee has contributed to the enhancement of the Company's contractual matters and governance practices, whilst contributing on future strategy, throughout a period of growth and advancement over the last 12 months;
 - (ii) accordingly, the grant of the Plan Shares is a reasonable benefit to recognise the past performance by Mr Gee;
 - (iii) the Company will receive up to \$240,000 in equity funds in the future, assuming the disposal of the Plan Shares at a price greater than \$0.08, or on early repayment of the Loan by Mr Gee;
 - (iv) the issue of the Plan Shares will further align the interests of Mr Gee with those of Shareholders to increase shareholder value;
 - (v) the issue of the Plan Shares provides Mr Gee with incentives to focus on superior performance in creating shareholder value;
 - (vi) the issue of the Plan Shares is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Gee; and
 - (vii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Plan Shares upon the terms proposed;
- (n) the Company will not issue any Plan Shares later than three years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
 - (o) the nature of the financial benefit to be given is the issue of Plan Shares on the basis outlined above. The Plan Shares issued to the Related Party will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares other than being subject to a holding lock until such time as the respective Loan has been extinguished or repaid under the terms of the Plan or 12 months from the date of issue of the Shares, whichever is the greater;
 - (p) details of the Plan Shares issued under the ESIP will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under listing Rule 10.14;
 - (q) any additional persons covered by listing rule 10.14 who become entitled to participate in an issue of securities under the ESIP after this resolution is approved and who are not named in this Notice will not participate until approval is obtained under listing rule 10.14; and
 - (r) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 6.

7.7 Board Recommendation

The Board (other than Mr Gee who has a material personal interest in the outcome of Resolution 6) recommends that Shareholders vote in favour of Resolution 6 for the reasons set out in Section 7.6(o).

ANNEXURE A

TERMS AND CONDITIONS OF THE COMPANY'S EMPLOYEE SECURITIES INCENTIVE PLAN

A summary of the terms of the Company's Employee Securities Incentive Plan (Plan) is set out below.

1.1 Awards

Award means an Option, a Performance Right, a Share Award and/or a Loan Funded Share, as the case may be.

1.2 Eligible Participant

Eligible Participant means:

- (i) any Director or a person who is a full-time or part-time employee of the Company or its Related Bodies Corporate who is declared by the Board in its sole and absolute discretion to be eligible to receive grants of Awards under the Plan; or
- (ii) any other person providing services to the Group and who is declared by the Board in its sole and absolute discretion to be eligible to receive grants of Awards under the Plan.

1.3 Plan administration

The Plan will be administered by the Board in accordance with the Plan rules.

1.4 Purpose

The purpose of the Plan is to:

- (i) assist in the reward, retention and motivation of Eligible Participants;
- (ii) link the reward of Eligible Participants to Shareholder value creation; and
- (iii) align the interests of Eligible Participants with Shareholders by providing an opportunity to Eligible Participants to earn rewards via an equity interest in the Company based on creating Shareholder value.

1.5 Eligibility, invitation and application

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination) of the different types of Awards on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Awards the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.

If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

1.6 Terms of Awards

The terms and conditions of Awards offered or granted under these Rules to each Eligible Participant will be determined by the Board in its sole and absolute discretion.

1.7 Grant of Awards

The Company will, to the extent that it has accepted a duly completed application, grant the Eligible Participant the relevant number of Awards, subject to the terms and conditions set out in the Invitation, the Plan rules and any ancillary documentation required.

1.8 Terms of Options and Performance Rights

Each Option and/or Performance Right (Convertible Security) represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan. Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

1.9 Vesting of a Convertible Security

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

1.10 Exercise of Convertible Securities and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Options (see below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.

The Board may determine in its sole and absolute discretion that a Participant will not be required to provide payment of the exercise price of Options, but that on exercise of the Options the Company will only allot and issue or transfer that number of Plan Shares to the Participant that are equal in value to the difference between the exercise price otherwise payable in relation to the Options and the then Market Value of the Plan Shares as at the time of the exercise (with the number of Plan Shares rounded down).

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means:

- (i) in relation to Options and Performance Rights, a value determined by application of a valuation methodology approved by the Board; and
- (ii) in relation to Share Awards, Loan Funded Shares and Plan Shares, the 'volume weighted average market price' (as that term is defined in the Listing Rules) per Share during the previous five trading days.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

Options must be exercised in multiples of 100 unless fewer than 100 Options are held by a Participant or the Board otherwise agrees.

1.11 Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

1.12 Forfeiture

The Board may determine, and set out in the Invitation, Forfeiture Conditions which apply to the Awards. Where such Forfeiture Conditions are met, unless the Board in its sole discretion determines otherwise, all unvested and vested Convertible Securities will automatically lapse and all unvested and vested Share Award or Loan Fund Shares will automatically be surrendered.

In addition, where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breaches his or her duties to the Group, the Board may in its discretion deem all Awards to be forfeited.

1.13 Change of control

If a change of control event occurs in relation to the Company, and unless the Board determines otherwise in its sole and absolute discretion, Awards granted will vest where vesting conditions and performance hurdles have been satisfied on a pro rata basis based on the period which has elapsed from the grant date to the change of control date. As determined by the Board, any Convertible Securities which do not vest in this way will automatically lapse and any Share Awards or Loan Funded Shares will automatically be surrendered.

1.14 Adjustment for capital reconstructions

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the number of Awards each Participant holds and the exercise price of Options will be adjusted in accordance with the Listing Rules.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

1.15 Participation rights in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

1.16 Share Awards

The Board may from time to time make an invitation to an Eligible Participant to acquire Share Awards under the Plan. The Board will determine in its sole and absolute discretion the acquisition price (if any) for each Share Award which may be nil. The Share Awards may be subject to performance hurdles and/or vesting conditions as determined by the Board.

Where Share Awards granted to a Participant are subject to performance hurdles and/or vesting conditions, the Participant's Share Awards will be subject to certain restrictions until the applicable performance hurdles and/or vesting conditions (if any) have been satisfied, waived by the Board or are deemed to have been satisfied under these Rules.

Following the issue of a vesting notification to the Participant, the Share Awards held by the Participant will no longer be subject to any restrictions and may be transferred or sold by the Participant, subject to compliance with applicable laws, the Company's Securities Trading Policy and the terms of the Plan.

1.17 Loan Funded Shares

The Board may from time to time make an invitation to an Eligible Participant to acquire Loan Funded Shares under the Plan. The Board will determine in its sole and absolute discretion the acquisition price (if any) for each Loan Funded Share which may be nil. The Loan Funded Shares may be subject to performance hurdles and/or vesting conditions as determined by the Board.

Where Loan Funded Shares granted to a Participant are subject to performance hurdles and/or vesting conditions, the Participant's Loan Funded Shares will be subject to certain restrictions until the applicable performance hurdles and/or vesting conditions (if any) have been satisfied, waived by the Board or are deemed to have been satisfied under these Rules.

Following the issue of a vesting notification to the Participant, the Loan Funded Shares held by the Participant will no longer be subject to any restrictions and may be transferred or sold by the Participant, subject to compliance with applicable laws, the Company's Securities Trading Policy and the terms of the Plan.

When the Company makes an Invitation to an Eligible Participant to acquire Loan Funded Shares, the Company will also offer the Eligible Participant a Loan on terms and conditions to be determined by the Board, for the amount of the acquisition price of the Loan Funded Shares, for the purposes of acquiring all or part of the Loan Funded Shares the subject of the invitation.

The loan amount may accrue interest as determined by the Board.

A Participant may repay all or part of a Loan at any time before the expiration of the Loan term, and at the expiration of the Loan term the Participant must immediately repay all of the Loan.

1.18 Rights Attaching to Share Awards, Loan Funded Shares and Plan Shares

Any Share Awards, Loan Funded Shares and/or Plan Shares allotted, issued or transferred by the Company to a Participant under the Plan will rank equally with all existing Shares on and from the date of allotment, issue or transfer, including in respect of all rights and bonus issues.

A Participant will have a vested and indefeasible entitlement to any dividends declared and distributed by the Company on any Share Awards, Loan Funded Shares and/or Plan Shares which, at the record date for determining entitlement to those dividends, are standing to the account of the Participant.

The Participant may also participate in any dividend reinvestment plan operated by the Company in respect of Share Awards, Loan Funded Shares (provided the Loan has been fully repaid) and/or Plan Shares held by the Participant.

1.19 Disposal restrictions

If the invitation provides that any Share Awards, Loan Funded Shares and/or Plan Shares held by any Participants are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as Share Awards, Loan Funded Shares and/or Plan Shares held by any Participants are subject to any disposal restrictions under the Plan, the Participant will not:

- (i) transfer, encumber or otherwise dispose of, or have a security interest granted over that security; or
- (ii) take any action if to do so would contravene applicable laws.

At all times, the Participant must comply with the Company's Share Trading Policy.

1.20 Buy-back

Subject to applicable law, the Company may at any time buy-back Awards in accordance with the terms of the Plan.

1.21 Compliance with applicable law

No act will be done or determination made in accordance with the Plan rules where to do so would be a breach of any applicable laws, and where any such act is done or determination made it will be considered void and to the extent possible be unwound and of no effect in respect of Awards.

1.22 Amendment of Plan

Subject to the following paragraph, the Listing Rules and the Company's constitution, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Awards that have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by the relevant Participant.

1.23 Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, the Board must consider and endeavour to ensure that there is fair and equitable treatment of all Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Convertible Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Convertible Securities may be cancelled in the manner agreed between the Company and the Participant.
