A proxy may decide whether to vote on an item of business, except where the proxy is required by law or the constitution to vote, or abstain from voting, in his or her capacity as proxy. The Chair intends to vote all available (including undirected) proxies in favour of all resolutions, subject to the applicable voting exclusions.

If you are entitled to cast two or more votes, you may appoint two proxies and you may specify the proportion or number of votes that each proxy is appointed to exercise. If your appointment does not specify the proportion or number of your voting rights, each proxy may exercise half your votes (disregarding fractions).

The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending the meeting and voting personally. If the Shareholder votes on a resolution, the proxy must not vote as the Shareholder's proxy on that resolution.

ANNUAL GENERAL MEETING EXPLANATORY STATEMENT

This Annual General Meeting (**AGM**) Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the AGM.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the General Meeting resolutions.

1. ANNUAL REPORT

1.1 General

The first agenda item is to receive the Annual Report of the Company for the year ended 30 June 2025.

1.2 Corporations Act

Section 317 of the *Corporations Act 2001 (Cth)* requires the directors to lay before the Annual General Meeting the Financial Report, the Directors' Report (including the Remuneration Report) and the Auditor's Report for the last financial year that ended 30 June 2025.

The Annual Report is available on the Company's website and a printed copy has been sent to those shareholders who requested it.

In accordance with sections 250S and 250SA of the Corporations Act, Shareholders present at the Annual General Meeting will be provided with a reasonable opportunity to:

- (a) ask questions or make comment to the Directors present on the management of the Company and Remuneration Report; and
- (b) ask questions or make comment to the Auditor about the conduct of the audit and the preparation and content of the Auditor's Report.

No formal resolution to adopt the Annual Report will be put to the Shareholders at the Annual General Meeting.

Shareholders who are unable to attend the Annual General Meeting are able to submit written questions to the Chairman or the auditor about:

- (a) The preparation and the content of the 2025 Auditor's Report;
- (b) The conduct of the 2025 audit;
- (c) Accounting policies adopted by the Company in relation to the preparation of the 2025 financial statements; and
- (d) The independence of the Auditor in relation to the conduct of the 2025 audit.

The questions will need to be submitted no later than five (5) business days before the Annual General Meeting to the Company Secretary at the Company's Registered Office or via email to elissa.hansen@cosecservices.com.au.

2. RESOLUTION 1 – REMUNERATION REPORT

2.1 General

In accordance with Section 250R(2) of the Corporations Act, at a listed company's Annual General Meeting, a resolution that the Company's Remuneration Report be adopted must be put to the vote. Section 250R(3) of the Corporations Act provides that the vote on the resolution is advisory only and does not bind the Directors or the Company.

In accordance with Section 300A, the Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel. The Remuneration Report is part of the Directors' Report contained in the Annual Financial Report for the financial year ending 30 June 2025. A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

2.2 Voting Consequences

Under the Corporations Act, companies are required to put to shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company ("Spill Resolution") if, at two consecutive Annual General Meetings, at least 25% of the votes cast on the Remuneration Report are voted against the adoption of the Remuneration Report and at the first of those Annual General Meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those Annual General Meetings.

If more than 50% of votes are cast in favour of a Spill Resolution, the Company must convene a shareholder meeting ("Spill Meeting") within 90 days of the second Annual General Meeting. At that meeting, all directors who were in office at the time of the Directors' Report, other than the managing director, will cease to hold office immediately before the Spill Meeting. Those persons who are elected or re-elected at the Spill Meeting will be the directors of the company. Note those directors who ceased to hold office immediately prior to the Spill Meeting may stand for re-election.

At the 2024 Annual General Meeting, the adoption of the remuneration report was approved by 84.82% of votes by shareholders who voted on the resolution. Accordingly, a Spill Resolution is not required at this AGM.

Shareholders of the Company will be provided with the opportunity to ask questions about or make comments on the Remuneration Report.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR

3.1 General

In accordance with ASX Listing Rule 14.5, a public listed company must hold an election of directors at each annual general meeting. Further, in accordance with ASX Listing Rule 14.4 and the Company's Constitution, a director must not hold office (without re-election) past the third annual general meeting following the director's appointment and a director appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting.

3.2 Mr. Roland Sleeman

Mr. Roland Sleeman was appointed as a director in November 2019 and retires by rotation at the conclusion of this meeting. Being eligible, Roland offers himself for re-election.

Roland has extensive experience in the oil and gas, utilities and infrastructure sectors. He has held senior executive positions and has provided specialist consulting advice to both Government and Businesses, across these sectors. He has a Bachelor of Engineering (Mech.) and a Master of Business Administration and is a Graduate of the Australian Institute of Company Directors.

Roland was CEO of Lakes Blue Energy from June 2016 until December 2024.

4. RESOLUTION 3 - RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES UNDER LR 7.1

4.1 Background

On 12 September 2025, Lakes Blue Energy announced that it had received firm commitments to raise a total of \$5.8 million (before costs) via a two-tranche placement (**Placement**) with the second tranche being subject to shareholder approval. The Placement received strong demand and sees the Company well-funded to further advance the Company's Wombat Project to target near term cash flow opportunities.

The Company issued 4,608,696 fully paid ordinary shares (**Shares**) at an issue price of \$1.15 per Share using its ASX Listing Rule 7.1 placement capacity on 22 September 2025, for which Shareholder ratification is sought pursuant to Resolution 3.

The tranche two Shares (434,783 Shares) are subject to Shareholder approval (Resolution 4).

Funds raised from the issue will be used to further advance Company's Wombat Project to target near-term cash flow opportunities and for working capital. Drilling of the Wombat-5 well commenced on 1 August 2025, targeting the Strzelecki Formation at approximately 1,450 mRT. Drilling was completed on 30 September and the well secured for testing, scheduled for 10 November 2025.

Morgans Financial Limited acted as Lead Manager for the placement. Under the terms of the placement, a 6% fee (plus GST) on the total amount raised in tranche one was payable.

4.2 ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, ASX Listing Rules 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of Shares to clients of Morgans Financial Limited does not fall within any of the relevant exceptions set out in ASX Listing Rule 7.2 and, as they have not yet been approved by Shareholders, utilise the Company's 15% placement limit in ASX Listing Rule 7.1, thereby reducing the Company's capacity to issue further equity securities without Shareholder approval for the 12-month period following the issue dates. ASX Listing Rule 7.4 provides that where shareholders subsequently approve an issue of securities, the issue will be treated as having been approved under ASX Listing Rules 7.1, thereby replenishing the Company's 15% capacity, enabling it to issue further securities up to that limit.

Lakes wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. Accordingly, Resolution 3 seeks approval under and for the purposes of ASX Listing Rule 7.4 for the issue of the Placement Shares.

4.3 Technical information required by ASX Listing Rule 14.1A

If Resolution 3 is passed, the issue will be excluded in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

If Resolution 3 is not passed, the issue will be included in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

4.4 Technical information required by ASX Listing Rule 7.5

In accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (a) 4,608,696 Shares were issued under ASX Listing Rule 7.1 to clients of Morgans Financial Limited;
- (b) The Shares issued rank equally in all respects with existing Shares on issue;
- (c) The Shares were issued on 22 September 2025 at \$1.15 per Share;
- (d) Funds raised from the Placement are being used to further advance Company's Wombat Project to target near-term cash flow opportunities and for working capital;
- (e) The key terms of the agreement between the Company and Morgans Financial Limited was a 6% fee (plus GST) payable on the total amount raised in tranche one.

5. RESOLUTION 4 – ISSUE OF TRANCHE 2 PLACEMENT SHARES | NICHOLAS MATHER

5.1 General

Resolution 4 seeks Shareholder approval to issue 434,783 Shares to Mr. Nicholas Mather, being Tranche Two of the Placement, under ASX Listing Rule 10.11. The Shares are to be issued on the same terms and conditions as all other shares issued under the Placement.

See 4.1 above for further background on the Placement.

5.2 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Company will be able to proceed with the issue of Shares to Mr. Mather within one (1) month after the date of the Meeting on the same terms and conditions as other investors to the Placement, further aligning his interests with those of Shareholders. It will also raise a total of \$500k without utilising the Company's placement capacity under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Shares and the Company will not raise the additional \$500,000.

5.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that, unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to any of the following persons without the approval of holders of ordinary securities (Shareholders):

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3;
- 10.11.5 a person whose relationship with the company or a person referred to in ASX Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its Shareholder.

The issue falls within ASX Listing Rule 10.11.1 and none of the exceptions in ASX Listing Rule 10.12 applies, and so therefore requires the approval of Shareholders under ASX Listing rule 10.11.

Resolutions 4 seek the required Shareholder approval for the issue under and for the purposes of Listing rule 10.11.

5.4 Technical Information required by ASX Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to Resolution 4:

- (a) the Shares to be issued to Mr. Nicholas Mather (or his nominees) who is a related party under Listing Rule 10.11.1 by virtue of being a director of the Company;
- (b) the maximum number of securities to be issued is 434,783 Shares;
- (c) the Shares will be issued no later than one month after the date of the meeting;
- (d) the Shares will be issued at \$1.15 per Share;
- (e) the Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (f) Funds raised from the Placement are being used to further advance Company's Wombat Project to target near-term cash flow opportunities and for working capital;
- (g) The key terms of the agreement between the Company and Morgans Financial Limited was a 6% fee (plus GST) payable on the total amount raised in tranche one.

6. RESOLUTION 5 - APPROVAL FOR ADDITIONAL SHARE PLACEMENT CAPACITY

6.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Additional Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. LKO Ltd is an eligible entity for these purposes.

Resolution 5 seeks shareholder approval by way of special resolution for Lakes to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval, should the need arise.

As a **special resolution** at least 75% of votes cast by Shareholders eligible to vote at the meeting must be in favour of the resolution for it to be passed.

6.2 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, Lakes will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 5 is not passed, Lakes will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

6.3 ASX Listing Rule 7.3A Requirements

Pursuant to ASX Listing Rule 7.3A, the issue price for each security issued under the Additional Placement Capacity will not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

Therefore, Shares will only be able to be issued under this Rule should the Company's Shares be trading on ASX for at least 15 days prior to issue.

The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

Table 1 following shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.3A.2 on the basis of the current market price of Shares and the current number of ordinary securities quoted on ASX for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% against the current market price.

Table 1

Variable "A" Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.575 50% decrease in Issue Price	\$1.150 Issue Price	\$1.725 50% Increase in Issue Price
72,891,100 (Current number of Shares on Issue)	10% Voting Dilution	7,289,110 Shares	7,289,110 Shares	7,289,110 Shares
	Funds Raised	\$4,191,238	\$8,382,477	\$12,573,715
109,336,650 (50% increase in Shares on Issue)	10% Voting Dilution	10,933,665 Shares	10,933,665 Shares	10,933,665 Shares
	Funds Raised	\$6,286,857	\$12,573,715	\$18,860,572
145,782,200 (100% increase in Shares on Issue)	10% Voting Dilution	14,578,220 Shares	14,578,220 Shares	14,578,220 Shares
	Funds Raised	\$8,382,477	\$16,764,953	\$25,147,430

The above table is based on the following assumptions:

- The number of shares on issue (variable “A”) is calculated as 72,891,100 being all fully paid ordinary shares quoted on ASX as at the date of this Notice.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
- The issue of equity securities under the Additional Placement Capacity includes only Shares.
- The issue price of \$1.15 was the last closing price of shares on ASX on 7 October 2025.

Equity securities under the Additional Placement Capacity may be issued until the earlier of:

- the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- the time and date of the Company’s next Annual General Meeting; or
- the date of approval by ordinary shareholders of a significant change to the Company’s activities under ASX Listing Rule 11.1.2 or the date of approval by ordinary shareholders of a disposal of a major asset under ASX Listing Rule 11.2.
- To be clear, any approval of the Additional Placement Capacity at this Annual General Meeting will cease to be valid in the event that ordinary shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.
- The Company may issue equity securities in an existing quoted class of securities under the Additional Placement Capacity for cash consideration:
 - to raise funds for the development of the Company’s new and existing products and services;
 - to raise funds for the acquisition of new assets or investments (including assets associated with such acquisition);
 - to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon issue of any equity securities under the Additional Placement Capacity.

The Company’s allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including, but not limited to, the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from the Company’s advisors.

As the Company has no current plans to undertake a new capital raising, the allottees under the Additional Placement Capacity have not yet been determined, but if such an exercise was

undertaken, allottees may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

Lakes sought Additional Placement Capacity at its 2024 Annual General Meeting. During the 12 months preceding the date of this meeting, the Company did not issue any securities utilising the Company's placement capacity under Listing Rule 7.1A.

As at the date of this Notice, the Company is not proposing to make an issue of equity securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.
