Whilst the Company will not provide a hard copy of the Company's Annual Financial Report unless specifically requested to do so, Shareholders may view the Company's Annual Financial Report on its website at https://prospectresources.com.au.

No resolution is required for this item, but Shareholders will be given the opportunity to ask questions and to make comments on the management and performance of the Company.

The Company's auditor will be present at the Meeting. During the discussion of this item, the auditor will be available to answer questions on the:

- Conduct of the audit;
- Preparation and content of the Auditor's Report;
- Accounting policies adopted by the Company in relation to the preparation of the financial statements; and

Written questions of the auditor

If you would like to submit a written question about the content of the Auditor's Report or the conduct of the audit of the Annual Financial Report of the Company's auditor, please send your question to the Company Secretary. A list of qualifying questions will be made available at the Meeting.

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at https://prospectresources.com.au.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2026 Annual General Meeting (2026 AGM), the Company will be required to put to the vote a resolution (Spill Resolution) at the 2026 AGM to approve the calling of a further meeting (Spill Meeting). All of the Directors who were in office when the 2026 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair's stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Resolutions 2 - 4 - Re-elections of Directors

Background

Clause 13.4 of the Company's Constitution states that the Directors may at any time appoint a person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. The Constitution further states that any Director so appointed holds office only until the next annual general meeting and is then eligible for re-election. ASX Listing Rule 14.4 also requires that a Director appointed as an addition to the board must not hold office (without re-election) past the next annual general meeting of the entity.

Matt Pascall and Doug Jones were appointed as additional Directors on 16 June 2025 and 8 October 2025 respectively. Accordingly, as this AGM is the first AGM since they were appointed as additional Directors, Matt Pascall (Resolution 2) and Doug Jones (Resolution 3) are seeking reelection as Directors of the Company. Bios for Matt and Doug can be found below.

Clause 13.2 of the Company's Constitution states that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded down in case of doubt), shall retire from office. Clause 13.4 states that a Director seeking re-election having been appointed as an additional Director, shall not be taken into account in determining the Directors who are to retire by rotation. Accordingly, one Director is required to retire by rotation at this AGM. Clause 13.2 states that the Director to retire is the Director longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots. A retiring Director is eligible for re-election.

Gaurav Gupta was last re-elected as a Director at the 2023 AGM and has elected to retire by rotation, and being eligible, seek re-election as a Director (Resolution 4). A bio for Gaurav can be found below.

Directors' recommendation

The Directors (excluding each Director the subject of their own re-election) recommend that Shareholders vote in favour of Resolutions 2 to 4.

Resolutions 5 - 8 - Approval of Issues of Incentive Securities to the Executive Directors (or their nominees) of the Company

Background

The Company is seeking to invite the Company's Executive Directors, Samuel Hosack and Ian Goldberg (together the **Executive Directors**), subject to Shareholder approval that is sought under Resolutions 5 to 8, to participate in the Company's Incentive Plan by subscribing for the following securities (together the **ED Securities**):

- (a) 1,201,384 Performance Rights being the Short-Term Incentives to Samuel Hosack (Resolution 5)
- (b) 1,202,000 Options being the Long-Term Incentives to Samuel Hosack (Resolution 6)
- (c) 957,679 Performance Rights being the Short-Term Incentives to Ian Goldberg (Resolution 7)
- (d) 958,000 Options being the Long-Term Incentives to Ian Goldberg (Resolution 8)

A summary of the material terms of the ED Securities is included in the "Information Required by ASX Listing Rule 10.15" section below.

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As the Executive Directors are Directors of the Company, the proposed issue of the ED Securities constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, Resolutions 5 to 8 seek the required Shareholder approval to issue the ED Securities to the Executive Directors under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If Resolutions 5 to 8 are passed, the Company will be able to proceed with the proposed issue of the ED Securities as outlined in the Resolutions.

If any of Resolutions 5 to 8 are not passed, the Company will not be able to proceed with the proposed issue of the ED Securities to the Executive Director the subject of the failed Resolution, which may result in the Company considering less cash-less effective means of incentives.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of the ED Securities constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The non-conflicted Directors of the Company (being Mark Wheatley, Gerry Fahey, Gaurav Gupta, Matt Pascall and Doug Jones) (**Non-Conflicted Directors**) carefully considered the issue of the ED Securities to the Executive Directors, and formed the view that the giving of this financial benefit as part of the Executive Directors' remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the ED Securities, and the responsibilities held by the Executive Directors in the Company.

Accordingly, the Non-Conflicted Directors of the Company believe that the issue of these ED Securities to the Executive Directors fall within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act, and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of the ED Securities to the Executive Directors requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

The following information in relation to the issue of the ED Securities to the Executive Directors is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

The directors will have discretion to exclude any member of the Peer Group from the final performance comparison where the member has undergone significant changes to its business during the Measurement Period.

2. A service condition of three years from the Grant Date.

Vested ZEPOs will be available to exercise at the Executive Directors discretion for up to one year after vesting.

Further, the ED Securities:

- (i) Are not transferable (and, consequently, will not be quoted on ASX or any other exchange):
- (ii) Do not confer any right to vote, except as otherwise required by law;
- (iii) Do not confer any entitlement to a dividend, whether fixed at the discretion of the directors;
- (iv) Do not confer any right to a return of capital, whether in winding up, upon a reduction of capital or otherwise;
- (v) Do not confer any right to participate in the surplus profit or assets of the entity upon winding up; and
- (vi) Do not confer any right to participate in new issues of securities such as bonus issues or entitlement issues,

unless and until the applicable vesting conditions have been achieved and the ED Securities have been converted into fully paid ordinary shares.

The Company has chosen these types of security to provide variable remuneration that is performance focussed and linked to value creation for the Company's Shareholders. In previous years the Options issued under the Incentive Plan as a long-term incentive (**LTI**) were measured against the compound annual growth rate (**CAGR**) of the Company's share price. Despite strong Company performance, the LTI securities issued in 2022 and due to vest in 2025 did not meet the annual CAGR requirement of 35% and did not vest. Considering this, the Board reviewed the structure of its LTI plan and has determined that future offers will be measured by comparing the Company's share price performance with a basket of peer group companies. The Board considered this to be a fairer approach and a better LTI for staff compared to the use of an arbitrary CAGR hurdle. The terms of the Options have also been adjusted so that, going forward, they are zero exercise price options rather than premium exercise price options. The Board considers this will provide a better incentive should relative share price performance stay strong in a weaker copper price environment.

The value of the ED Securities is as follows:

Executive Director	Potential Short-Term Incentive*	Potential Long-Term Incentive*	
Samuel Hosack	\$210,242	\$210,242	
Ian Goldberg	\$167,594	\$167,594	

^{*} This valuation is indicative only based on achievement of 100% of the vesting conditions set out above over the respective measurement periods. The actual value of the ED Incentive Securities will be dependent upon the underlying share price at the time of grant and the number of ED Incentive Securities that vest when assessed against the vesting conditions.

- (g) The ED Securities will be issued as soon as practicable after the date of this Meeting and in any event no later than three years after the date of this Meeting, if approved by Shareholders of the Company.
- (h) The ED Securities are being issued for nil cash consideration pursuant to the terms of the Incentive Plan.
- (i) The material terms of the Incentive Plan are set out in Annexure A of this Notice of Meeting.
- (j) There is no loan associated with the issue of the ED Securities.
- (k) Details of any securities issued under the Incentive Plan will be published in each annual report of the Company relating to a period which securities have been issued, and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons who become entitled to participate in the Equity Plan after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

Directors' Recommendation

Given the Directors are excluded from voting on this Resolution, the Board is not making a recommendation for this Resolution.

Chair's Intention

The Chair intends to vote any undirected proxies in favour of these Resolutions where expressly permitted to do so.

Resolutions 9 - 12 - Approval of Issue of Service Rights to the Non-Executive Directors (or their nominees) of the Company

Background

Following a review of Non-Executive Director (**NED**) remuneration and best practise approach to structure, the Company is seeking to invite the Company's Non-Executive Directors; Mark Wheatley, Gaurav Gupta, Matt Pascall and Doug Jones (together the **NEDs**), subject to Shareholder approval that is sought under these Resolutions, to participate in the Company's Incentive Plan by subscribing for service rights under the Company's Incentive Plan (**NED Service Rights**).

The NED Service Rights represent an at-risk proportion of the NED's total remuneration and are subject to retention based vesting conditions designed to align the interests of the NEDs to the Shareholders of the Company. Importantly, the vesting conditions of the NED Service Rights do not include the performance targets used for the ED Securities.

The Company's NEDs last received equity related remuneration in 2022 (following approval at the 2022 AGM). That approval granted the NEDs three years of equity remuneration, the final

tranche of which vested in 2025. Accordingly, Resolutions 9 to 12 seek approval to provide the NEDs with their equity related remuneration for the next three years.

A summary of the material terms of the NED Service Rights is included in the "Information Required by ASX Listing Rule 10.15" section below.

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As each of the NEDs is a Director of the Company, the proposed issues of NED Service Rights constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, Resolutions 9 to 12 seek the required Shareholder approval to issue the NED Service Rights to the NEDs under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If Resolutions 9 to 12 are passed, the Company will be able to proceed with the proposed issue of the NED Service Rights to each of the NEDs as outlined in the Resolutions.

If any of Resolutions 9 to 12 are not passed, the Company will not be able to proceed with the proposed issue of the NED Service Rights to the NED the subject of the failed Resolution, which may result in the Company finding less cash-less effective means of incentives being considered.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of the NED Service Rights constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

In respect of each of Resolutions 9 to 12 the non-conflicted directors (being Samuel Hosack and lan Goldberg) (**Non-Conflicted Directors**) carefully considered the issue of the NED Service Rights to the NEDs, and formed the view that the giving of this financial benefit as part of their remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the NED Service Rights, and the responsibilities held by the NEDs in the Company.

Accordingly, the Non-Conflicted Directors of the Company believe that the issue of the NED Service Rights to the NEDs fall within the "reasonable remuneration" exception as set out in

section 211 of the Corporations Act, and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of the NED Service Rights to the NEDs requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Information Required by ASX Listing Rule 10.15

The following information in relation to the issue of the NED Service Rights to the NEDs is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

	 Tranche 1 – one-third will vest on 21 July 2026; Tranche 2 – one-third will vest on 21 July 2027; and Tranche 3 – one-third will vest 21 July 2028. 			

Further, the NED Service Rights:

- (i) Are not transferable (and, consequently, will not be quoted on ASX or any other exchange):
- (ii) Do not confer any right to vote, except as otherwise required by law;
- (iii) Do not confer any entitlement to a dividend, whether fixed at the discretion of the directors;
- (iv) Do not confer any right to a return of capital, whether in winding up, upon a reduction of capital or otherwise;

- (vi) Do not confer any right to participate in new issues of securities such as bonus issues or entitlement issues,

unless and until the applicable vesting conditions have been achieved and the NED Service Rights have been converted into fully paid ordinary shares.

The Company has chosen this type of security to provide bring the NEDs' total remuneration package in line with industry and experience expectations whilst also preserving the Company's cash and aligning a portion of the remuneration with the Company's Shareholders. The value of the NED Service Rights is as follows:

Non-Executive Director	Value*

Gaurav Gupta	\$90,000
Matt Pascall	\$90,000
Doug Jones	\$90,000

^{*} This valuation is a total valuation of three years' worth of NED Service Rights and does not represent the annual remuneration provided to the NEDs through the issue of the NED Service Rights. The annual value of the NED Service Rights is one-third of the value shown.

- (g) The NED Service Rights will be issued as soon as practicable after the date of this Meeting and in any event no later than three years after the date of this Meeting, if approved by Shareholders of the Company.
- (h) The NED Service Rights are being issued for nil cash consideration pursuant to the terms of the Equity Plan.
- (i) The material terms of the Equity Plan are set out in Annexure A of this Notice of Meeting.
- (j) There is no loan associated with the issue of the NED Service Rights.

(k) Details of any securities issued under the Equity Plan will be published in each annual report of the Company relating to a period which securities have been issued, and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons who become entitled to participate in the Equity Plan after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

Directors' Recommendation

Given the Directors are excluded from voting on Resolutions 8 to 12, the Board is not making a recommendation for these Resolutions.

Chair's Intention

The Chair intends to vote any undirected proxies in favour of Resolutions 8 to 12 where expressly permitted to do so.

Resolution 13 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$140 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

The number of Shares to be issued

The exact number of equity securities that the Company may issue under an approval under ASX Listing Rule 7.1A will be calculated according to the following formula:

$(A \times D) - E$

Where:

A is the number of Shares on issue at commencement of the Relevant Period:

(a) **plus** the number of Shares issued in the Relevant Period under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;

- (b) **plus** the number of Shares issued in the Relevant Period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
- (i) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
- (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- (c) **plus** the number of Shares issued in the Relevant Period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
- (i) the agreement was entered into before the commencement of the Relevant Period; or
- (ii) the agreement or issue was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- (d) **plus** the number of any other Shares issued in the Relevant Period with approval under ASX Listing Rule 7.1 or 7.4;
- (e) plus the number of partly paid shares that became Shares in the Relevant Period; and
- (f) **less** the number of Shares cancelled in the Relevant Period.

D is 10%.

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by holders of Shares under ASX Listing Rule 7.4.

Relevant Period means the 12 month period immediately preceding the date of the issue or agreement.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid – Listing Rule 7.3A.1

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A – Listing Rule 7.3A.2

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

<u>Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used – Listing Rule 7.3A.4</u>

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash

consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue. As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds raised could be used for the following purposes:

- (a) advancing exploration and development activities on the Company's Mumbezhi Copper Project in Zambia, and
- (b) seeking other mineral asset exploration and development opportunities, particularly within Zambia.

Risk of economic and voting dilution to existing ordinary Securityholders – Listing Rule 7.3A.4

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (that is not less than the limit described above) to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

If this Resolution is approved by Shareholders and the Company issues equity securities under the 10% placement capacity, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table. The table shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2 (and set out above):

- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.

- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A – Listing Rule 7.3A.5

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, however, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when any determination to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Resolution 14 - Renewal of Proportional Takeover Provisions

Background

The Company's Constitution contains Proportional Takeover Provisions in Clause 35. The Proportional Takeover Provisions provide that the Company can refuse to register Shares acquired under a proportional takeover bid unless an approving resolution is passed by Shareholders.

Section 648G(1) of the Corporations Act provides that a company's proportional takeover provisions will cease to have effect at the end of three years from the date of adoption (or renewal, as the case may be). Clause 35 of the Company's Constitution was adopted by on 23 November 2022. The Company accordingly seeks the Shareholder approval of this Resolution for the renewal of the Proportional Takeover Provisions, which, for the purposes of the Corporations Act, requires the same process to amend or adopt a new constitution for the purposes of 136(2) of the Corporations Act. Shareholder approval will not result in a change to the wording of clause 35 of the Company's current Constitution.

The following information is provided for the purposes of Section 648G of the Corporations Act.

Proportional Takeover Bid

A proportional takeover bid is a takeover bid where the offer made to each Shareholder is only for a proportion of the Shareholder's Shares. If a Shareholder accepts, in full, an offer under a proportional takeover bid, the Shareholder will only dispose of a specified portion of their Shares in the Company and retain the balance of the Shares.

The Proportional Takeover Provisions are designed to assist Shareholders to receive proper value for their Shares if a proportional takeover bid is made for the Company by providing, in the Constitution, that:

- (a) in the event of a proportional takeover bid being made for Shares in the Company, Shareholders are required to vote and collectively decide whether to accept or reject the offer; and
- (b) the majority decision of the Company's members will be binding on all Shareholders

Effect of the proposed provisions

Where offers have been made under a proportional takeover bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional takeover bid is prohibited unless and until a resolution to approve the proportional takeover bid is passed by Shareholders or otherwise, as pursuant to the terms of the Proportional Takeover Provisions.

In more detail, the effect of the Proportional Takeover Provisions is as follows:

- (a) if a proportional takeover bid is made for Securities of the Company, the Directors must ensure that a meeting of Shareholders is convened to vote on a resolution to approve that bid;
- (b) the bidder and persons associated with the bidder may not vote;
- (c) approval of the bid will require a simple majority of the votes cast;
- (d) the meeting must take place more than 14 days before the last day of the bid period (**Resolution Deadline**);
- (e) if the resolution is rejected before the Resolution Deadline, the bid cannot proceed and any transfers giving effect to takeover contracts for the bid will not be registered;
- (f) the bid will be taken to have been approved if, as at the end of the day before the Resolution Deadline, the resolution has not been voted on;
- (g) if the resolution is approved, the transfers must be registered (subject to other provisions of the Corporations Act and the Constitution); and
- (h) the Directors will breach the Corporations Act if they fail to ensure the resolution is voted on. However, the bid will still be taken to have been approved if it is not voted on within the Resolution Deadline.

The Proportional Takeover Provisions do not apply to full takeover bids. If the Proportional Takeover Provisions are renewed, they will cease to apply at the end of three years after renewal unless renewed by a Special Resolution of Shareholders.

Reasons for the proposed provisions

In the absence of the Proportional Takeover Provisions, a proportional takeover bid may result in control of the Company changing without Shareholders having an opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders could be exposed to the risks of passing control to the bidder without payment of an adequate control premium for all their Shares and being left with a minority interest in the Company. Such Shareholders could suffer potential further loss if the takeover bid were to cause a decrease in the Share price or otherwise make the Shares less attractive and, therefore, more difficult to sell.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal to acquire, or to increase the extent of, a substantial interest in the Company.

Advantages and Disadvantages

During the period in which the Proportional Takeover Provisions have been in effect the Directors do not consider that they had any advantages or disadvantages for them.

The advantages and disadvantages for the Company's Shareholders during the period were the same as the potential advantages and disadvantages set out below.

Potential advantages and disadvantages

Renewal of the Proportional Takeover Provisions in the Company's Constitution will enable the Directors to formally ascertain the views of the Shareholders in respect of a proportional takeover bid. Without such provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that the Proportional Takeover Provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the Proportional Takeover Provisions for Shareholders include:

- (a) providing the right to discuss, in a meeting called specifically for that purpose, and then decide, by majority vote, whether an offer under a proportional takeover bid should proceed;
- (b) assisting the prevention of Shareholders being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced;
- (d) potentially increasing the likelihood of a full takeover bid rather than a proportional takeover bid; and/or
- (e) enabling individual Shareholders to better assess the likely outcome of the proportional takeover bid, by knowing the view of the majority of Shareholders, which may assist in deciding whether to accept or reject an offer under the bid.

The potential disadvantages of the Proportional Takeover Provisions for Shareholders include:

- (a) imposing a hurdle to, and potentially discouraging the making of, provisional takeover bids which, in turn, may reduce any takeover speculation element in the price of Shares;
- (b) potentially reducing the likelihood of success of a proportional takeover bid;
- (c) possible reduction or loss of opportunities for Shareholders sell some or all of their Shares at a premium; and/or
- (d) potentially causing some Shareholders to form the view that the Proportional Takeover Provisions impose an unreasonable restriction on their ability to freely deal with their Shares

As section 648G(4) of the Corporations Act provides that the renewal of the Proportional Takeover Provisions is undertaken in the same manner as that in which the Company could alter its Constitution, if this Resolution is passed, the Company considers that its Constitution will have been modified in accordance with section 136(2) of the Corporations Act notwithstanding there will be no actual amendments to the Constitution.

A copy of the Constitution is available for review by Shareholders at the Company's registered office during normal business hours and a copy will be tabled at the Meeting.

This Resolution is a Special Resolution that can only be passed if at least 75% of the total votes cast by Shareholders entitled to vote on this Resolution are voted in its favour.

If you have any doubt or do not understand this Resolution, it is strongly recommended that you seek advice from a solicitor or other professional advisor.

Annexure A - Material Terms of Incentive Plan

The Incentive Plan provides "Eligible Employees" the opportunity to receive Awards as determined in the Board's discretion. The key terms of the Incentive Plan are set out below. Unless otherwise defined below, any capitalised terms used in this section relating to the Incentive Plan refer to terms defined in the Incentive Plan or the Notice only. A copy of the rules of the Incentive Plan is available upon request from the Company.

Commencement

On the date determined by the Board.

Eligibility

The Board may, from time to time, invite full-time, part-time or casual employees of the Company or a Related Company (including executive Directors) or individuals who provides services to the Company or a Related Company (**Eligible Employees**) to participate in the Incentive Plan and may invite them to apply for an Option, a Performance Right and/or a Share Award (**Awards**) (each as defined below).

An Eligible Employee may only be entitled to participate in the Incentive Plan where they continue to satisfy conditions imposed by the Board (for example, that they continue to be an employee of the Group at the time of grant).

Invitations to participate in the Incentive Plan

An Eligible Employee who is invited to apply for, or participate in a grant of Awards under the Incentive Plan will receive an invitation (**Invitation**).

The Board has general discretion to determine the form and terms and conditions of an Invitation. The Invitation must include information regarding, among other things, the number of Awards being offered, whether the Awards are in the form of Options, Performance Rights or Share Awards or a combination, the date and circumstances in which Awards may lapse, if any amount is payable by the Participant upon grant of the Awards, whether Cashless Exercise is permitted, whether Awards carry entitlements to Dividend Equivalent Payments, and the period/s during which Awards may vest and any applicable conditions, including time or performance conditions, as determined by the Board in its discretion (**Vesting Conditions**).

Options and Performance Rights

Options or **Performance Rights** under the Incentive Plan are options or rights (respectively) to acquire one fully paid ordinary share (**Share**) in the capital of the Company.

Participants who hold Options and/or Performance Rights under the Incentive Plan are not entitled to:

- notice of, or to vote at or attend, a Shareholder meeting unless and until the Options and/or Performance Rights are exercised, and the Participant holds Shares; or
- receive any dividends declared by the Company in respect of such Options and/or Performance Rights.

Vesting of Options and Performance Rights

Options and/or Performance Rights granted to a Participant will vest and be exercisable if the applicable Vesting Conditions have been satisfied or waived by the Board or are deemed to have been satisfied under the Incentive Plan.

On vesting of Performance Rights or the exercise of an Option, the Company must, at the Boards discretion:

- allot, issue or transfer a Share to the Participant; or
- if specified in the Invitation, make a cash payment to the Participant in lieu of a Share,

and satisfy any Dividend Equivalent Payment that a Participant becomes entitled to (if specified in the Invitation).

Each vested Option and vested Performance Right entitles the Participant to one Share, (in the case of an Option, on payment of the Exercise Price).

Exercise of Options

An Option is only exercisable if:

- the Option has vested;
- the Option has not lapsed; and
- the Participant has paid the Exercise Price (if any) or Cashless Exercise is permitted and elected by the Participant.

An exercise may only be effected in a form and manner specified in the Invitation or as determined by the Board. A Participant may not exercise an Option 10 years after its grant.

Cashless Exercise Provisions

Under the Cashless Exercise provisions, a Participant may elect on the exercise of vested Options to receive an allotment, issuance or transfer of Shares equal to the difference between the market value of Shares on the date of exercise and the Exercise Price if:

- the Invitation specifies that the exercise will only be satisfied by the allotment, issuance or transfer of Shares to the Participant;
- the Invitation specifies that Cashless Exercise is permitted;
- the Participant elects that Cashless Exercise is to apply to the exercise; and
- the market value on the date of exercise is greater than the Exercise Price.

The number of Shares is calculated in accordance with the formula specified in the Incentive Plan.

Share Awards

The Board may, from time to time, at its discretion make offers to Eligible Employees to acquire Share Awards under the Incentive Plan.

The Board's discretion includes determining the issue price or purchase price (if any) of Shares offered for subscription or purchase under a Share Award (**Acquisition Price**). The Acquisition Price will be specified in the Invitation and may be Nil.

If Vesting Conditions apply to the Share Award they will be specified in the Invitation. Share Awards will be subject to Restrictions on Disposals (summarised below) unless and until the Vesting Conditions are satisfied, waived by the Board or deemed to be satisfied.

Rights attaching to Shares

Any Share Awards or Shares allotted, issued or transferred under the Incentive Plan:

- will rank equally with all existing Shares; and
- entitle the Participant to exercise any voting rights which attach.

If Shares of the same class as those issued on the vesting or exercise of an Award quoted on ASX, the Company will apply for quotation of Shares allotted, issued or transferred under the Incentive Plan.

A Participant will have a vested and indefeasible entitlement to any dividends declared and distributed by the Company on any Share Awards or Shares.

Shares held by Trustee

On such terms and conditions as the Board determines, the Company may instruct a trustee under any trust deed entered into by the Company for the purposes of the Incentive Plan (**Trustee**) to acquire and deliver Shares to Participants and/or hold Shares on behalf of the Participants where specified in an Invitation, where the Participants hold Awards.

Where the terms of an Invitation specify the Trustee is to acquire/deliver or hold Shares (as above), on written notice by the Board, the Trustee will acquire (whether on-market, or otherwise) or allocate Shares for the benefit of a Participant and will hold those Shares and any Entitlements as trustee for and on behalf of the Participant as beneficial owner upon the trusts and subject to the terms and conditions of the Trust Deed and the Incentive Plan.

The Company will pay to the Trustee such amount as is necessary for the purpose above having regard to the Invitation.

Transfers / Restrictions on Disposals

An Award is only transferrable with the prior consent of the Board or by force of law upon death to the Participant's Personal Representative or upon bankruptcy to the Participant's trustee in bankruptcy. Any Dealing in respect of an unvested Award is prohibited, unless the Board determines otherwise.

Subject to any disposals required by law, when making an Invitation the Board may determine that, other than as provided by the Incentive Plan, Shares issued under an Award may not be disposed of or dealt with in any way whatsoever until the earlier of:

- the end of the period determined by the Board;
- the time when the Participant is no longer employed by its employer (when making the Invitation), the Company or a Related Company; and
- in other circumstances where the Board resolves that the disposal restrictions should apply.

Forfeiture

While Awards are subject to Vesting Conditions which have not been satisfied or waived, or subject to a Disposal Restriction, the Board may declare that the Participant forfeit the right or interest in the Awards or other Entitlements if among other things:

- the Awards are not vested by the end of any applicable Vesting Period; or
- 30 days after the Participant has ceased to be employed by a Group Member for any reason, the Board has not made a determination that Entitlements have vested (or the Participant was still entitled to retain the Entitlements).

The Board's discretion includes determining how the forfeited Share Awards are to be dealt with (for example, to be sold, transferred or otherwise disposed of or allocated to other existing or new Participants).

Restrictions on registering transfers

The Company must not register or permit the Company's share registry to register, a transfer of a Shares where such share transfer is prohibited under the Incentive Plan (including, Restrictions on Disposals and Forfeiture). The Company may do such things as it considers necessary (including applying a Holding Lock), to enforce such restrictions on the transfer.

Adjustments to Awards

All unvested rights (to acquire shares), options or other securities granted or issued by the Company (**Entitlements**) of a Participant are to vest on the date:

- the Participant dies;
- the Participant ceases to be employed by a Group Member (as a result of Total and Permanent Disablement, Redundancy or Retirement);
- the Shares cease (or will cease) to be quoted on any exchange; or
- the Board determines that the Entitlements of the Participant have vested.

The Board may adjust the portion of entitlements which vests to account for the Participant ceasing to be employed or determine that the Participant is entitled to retain the Entitlements as though the Participant was still employed.

Lapse of Awards

An unvested Award will lapse upon the earliest to occur of:

- the dates or circumstances specified in the Invitation;
- the Participant purports to Deal with the Award (including, among others, by sale, transfer, assignment, trust, encumbrance, option, swap, any alienation of all or any part of the rights attaching to the Award) without the prior written consent of the Board:
- failure to meet the Vesting Conditions applicable to the Award within the specified period; or
- in the opinion of the Board, a Participant has acted fraudulently or dishonestly.

An Option will lapse if it has not been exercised by the expiry period (or periods as specified in the Invitation).

Restrictions on the Incentive Plan

Awards may not be issued to, or acquired by a Participant or other person if to do so would contravene the Corporations Act or the Listing Rules or where compliance with any applicable law would in the opinion of the Board be unduly onerous.

In addition, the Company must not issue Awards involving payment of monetary consideration under an Invitation, if:

- the number of Shares that may be issued under the Invitation; and
- the number of Shares issued or that may be issued as a result of invitations made during the previous three years which were received in Australia and issued in connection with an 'employee share scheme' (as defined in the Corporations Act),

would exceed 5% of the total number of Shares on issue as at the start of the day on the date of the Invitation.

Takeover Event

If:

- a Takeover Bid (as defined in the Corporations Act) is made for Shares in the Company (and for these purposes, a Takeover Bid is made when a bidder serves its bidder's statement on the Company); or
- the Board recommends that Shareholders accept any Takeover Bid; or
- a Takeover Bid for Shares in the Company becomes unconditional (each a **Takeover Event**),

the Board may determine in its discretion that, all or a specified number of a Participant's unvested Awards vest and in the case of Options, may be exercised having regard to all the relevant circumstances, including whether performance is in line with the Vesting Conditions over the period from the date of grant of the Award to the date of the relevant event.

On occurrence of a Takeover Event all Shares allotted, issued or transferred under the Incentive Plan which were subject to a Restriction on Disposals (summarised above) will be released and any Shares held by the Trustee will be transferred into the name of the Participant unless the Board determines otherwise (on receipt of written notice from the Company)

Change of Control

If:

- any person, either alone or together with any associate (as defined in the Corporations Act), acquires a relevant interest (as defined in the Corporations Act) in more than 50% of the issued Shares in the Company; or
- a Court orders a meeting to be convened in relation to a proposed compromise or arrangement for the purposes of, or in connection with, a scheme or scheme for the reconstruction of the Company or its amalgamation; or
- any person becomes bound or entitled to acquire Shares under section 414 or Part 6A.1 or 6A.2 of the Corporations Act; or
- a resolution is proposed to be put to Shareholders proposing a voluntary winding up or an order is sought for the compulsory winding up of the Company; or
- any similar event occurs which the Board determines, in its discretion, is a Change of Control (each a **Change of Control**),

the Board may determine in its discretion that, all or a specified number of a Participant's unvested Awards vest and in the case of Options, may be exercised having regard to all the relevant circumstances, including whether performance is in line with the Vesting Conditions over the period from the date of grant of the Award to the date of the Change of Control.

On occurrence of a Change of Control all Shares allotted, issued or transferred under the Incentive Plan which were subject to a Restriction on Disposals (summarised above) will be released and any Shares held by the Trustee will be transferred into the name of the Participant unless the Board determines otherwise (on receipt of written notice from the Company)

Administration	The Board administers the Incentive Plan in accordance with the Rules. The Board may delegate the administration of the Incentive Plan for such period and upon such conditions as the Board may determine.
Amendment of the Incentive Plan	The Company may at any time by written instrument or by resolution of the Board, amend all or any of the provisions of the Incentive Plan provided that the amendment does not materially reduce the rights of any Participant. However, the Incentive Plan provides that in limited circumstances (for example, for the purpose of complying with relevant legislation or the Listing Rules) amendments may be made even if they materially reduce the rights of a Participant.
