BUSINESS

FINANCIAL REPORT

To receive and consider the Annual Financial Statements, the Directors' Report and Audit Report of the Company and its Controlled Entities for the financial period ended 30 June 2025.

The above documents are contained in the Annual Report. Shareholders who have elected to receive an electronic copy of the Annual Report can download a copy at https://x2mconnect.com/investor-centre/. Shareholders who have elected to receive a hard copy of the Annual Report will receive one with this Notice of Meeting.

RESOLUTION 1 - ADOPTION OF REMUNERATION REPORT

To consider and, if thought fit, to pass the following non-binding resolution:

That the Remuneration Report contained in the Directors' Report for the financial period ended 30 June 2025 be adopted.

Short Explanation

The Corporations Act requires listed companies to put to Shareholders at the Annual General Meeting a non-binding resolution concerning the Remuneration Report which is contained in the Directors' Report section of the Annual Report.

Shareholders will be given an opportunity to ask questions concerning the Remuneration Report at the Annual General Meeting.

As stated, Resolution 1 is non-binding.

Voting Exclusion Statement

The Company will disregard any votes cast on the proposed resolution for adoption of the remuneration report by or on behalf of:

- (a) a Key Management Personnel (KMP) named in the Remuneration Report; or
- (b) a Closely Related Party of a KMP,

whether the votes are cast as a Shareholder, proxy or in any other capacity.

However, the Company will not disregard a vote cast by a KMP or Closely Related Party of a KMP if it is cast as a proxy and it is not cast on behalf of a KMP or a Closely Related Party of a KMP. If the proxy is the Chairman, and the proxy does not specify the way in which the proxy should vote, the Chairman intends to vote in favour of the resolution.

Important for Resolution 1

If you are KMP or a Closely Related Party of KMP (or are acting on behalf of any such person) and purport to cast a vote that will be disregarded by the Company (as indicated above), you may be liable for an offence for breach of voting restrictions that apply to you under the Corporations Act.

RESOLUTION 2 - RETIREMENT OF DIRECTORS BY ROTATION AND BY OPERATION OF THE CONSTITUTION

To consider, and if thought fit, to pass the following resolution as an ordinary resolution:

That, having retired pursuant to the Constitution of the Company, The Hon Alan Stockdale AO be elected as a director.

Short Explanation

The Company's Constitution requires one third of the directors (other than the Managing Director) to retire at each Annual General Meeting, being the directors longest in office since being re-elected by Shareholders at the date of the Annual General Meeting. It also requires any director appointed during the year to retire at the first AGM held after their election. This year the rule applies to The Hon Alan Stockdale AO.

Details of Mr Stockdale's experience and background are contained in Explanatory Statement.

RESOLUTION 3 - APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

To consider and, if thought fit, to pass the following resolution as a special resolution:

That, for the purposes of ASX Listing Rule 7.1A and for all other purposes, approval is given for the Company to issue up to that number of Shares equal to 10% of the issued capital of the Company at the time of issue, calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 and otherwise on the terms and conditions set out in the Explanatory Statement.

Short Explanation

ASX Listing Rule 7.1A provides that a listed entity such as the Company may seek shareholder approval at its annual general meeting by way of special resolution to allow it to issue equity securities up to 10% of its issued capital over a period up to 12 months after its Annual General Meeting. This is in addition to the 15% permitted by ASX Listing Rule 7.1. That approval is the purpose of Resolution 3.

Voting Exclusion Statement

The Company will disregard any votes cast in favour of Resolution 3 by any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity) if the resolution is passed and any associates of those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- A person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way;
- The Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- A holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - The beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - The holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

RESOLUTION 4.1 and 4.2 - RATIFICATION OF PRIOR ISSUES OF SECURITIES

To consider and, if thought fit, to pass, with or without amendment, the following resolutions as ordinary resolutions:

- 4.1 That for the purposes of ASX Listing Rules 7.4, and for all other purposes, Shareholders ratify the issue and allotment by the Company under ASX Listing Rule 7.1 of the Placement Shares, Placement Option and Piggy Back Options to entities as set out in section 5.1 of the Explanatory Statement.
- 4.2 That for the purposes of ASX Listing Rules 7.4, and for all other purposes, Shareholders ratify the issue and allotment by the Company under ASX Listing Rule 7.1 and 7.1A of the Placement Shares to entities as set out in section 5.3 of the Explanatory Statement.
- 4.3 That for the purposes of ASX Listing Rules 7.4, and for all other purposes, Shareholders ratify the issue and allotment by the Company under ASX Listing Rule 7.1 of the Shares to entities as set out in section 5.5 of the Explanatory Statement.

Short Explanation

The Company has issued securities to investors before the Meeting, as detailed in section 5 of the Explanatory Statement. ASX Listing Rule 7.4 provides that a company may in general meeting by shareholder approval ratify a previous issue of securities (provided that the previous issue did not breach ASX Listing Rule 7.1 or 7.1A) and those securities will then be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1 or 7.1A. That approval is the purpose of these Resolutions.

Voting Exclusion Statement

The Company will disregard any votes cast in favour of these Resolutions by or on behalf of a person who participated in the Securities issues or a counterparty to an agreement under which securities were issued, or any associates of that persons.

However, this does not apply to a vote cast in favour of a resolution by:

- A person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- The Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- A holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - The beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - The holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

RESOLUTION 5 - APPROVAL OF ISSUE OF SECURITIES TO MANAGING DIRECTOR

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an ordinary resolution:

That for the purposes of ASX Listing Rule 10.14 and for all other purposes, the issue of securities to Mohan Jesudason or his nominee, as referred to in section 6.1 of the Explanatory Statement, is approved.

Short Explanation

The Company proposes to issue securities to the Managing Director Mohan Jesudason on the same terms as the Company's *Employee Incentive Performance Rights and Options Plan* (EIPROP) but as a separate grant. Mr Jesudason is a related party to the Company and therefore the issue of the securities requires Shareholder approval under ASX Listing Rule 10.14. An issue of securities under ASX Listing Rule 10.14 approved by Shareholders is an exception to ASX Listing Rule 7.1. The effect of Resolution 5 will be to allow the Company to issue the securities to Mr Jesudason without using the Company's 15% annual placement capacity or the cap of the EIPROP.

Voting Exclusion Statement

The Company will disregard any votes cast in favour of this resolution by or on behalf of Mr Jesudason, a person referred to in ASX Listing Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the employee incentive scheme in question, or an associate of those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- A person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- The Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- A holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - The beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution: and

• The holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting Prohibition Statement

A person appointed as a proxy must not vote, on the basis of that appointment, on this resolution if:

- (a) the proxy is either:
 - (i) a member of the KMP; or
 - (ii) a Closely Related Party of such a member; and
- (b) the appointment does not specify the way the proxy is to vote on this resolution.

Provided the Chair is not a Resolution 5 Excluded Party, the above prohibition does not apply if:

- (a) the proxy is the Chair; and
- (b) the appointment expressly authorises the Chair to exercise the proxy even though this resolution is connected directly or indirectly with remuneration of a member of the KMP.

RESOLUTION 6 - APPROVAL OF ISSUE OF PREMIUM PRICED OPTIONS

To consider and, if thought fit, to pass, with or without amendment, the following resolutions as ordinary resolutions:

- 6.1 That for the purposes of ASX Listing Rule 10.11 and for all other purposes, the issue of Premium Priced Options to The Hon Alan Stockdale AO or his nominee, as referred to in section 7.1 of the Explanatory Statement, is approved.
- 6.2 That for the purposes of ASX Listing Rule 10.11 and for all other purposes, the issue of Premium Priced Options to Damien Johnson or his nominee, as referred to in section 7.1 of the Explanatory Statement, is approved.
- 6.3 That for the purposes of ASX Listing Rule 10.11 and for all other purposes, the issue of Premium Priced Options to John Stewart or his nominee, as referred to in section 7.1 of the Explanatory Statement, is approved.
- 6.4 That for the purposes of ASX Listing Rule 10.11 and for all other purposes, the issue of Premium Priced Options to Mohan Jesudason or his nominee, as referred to in section 7.1 of the Explanatory Statement, is approved.
- 6.5 That, for the purposes of ASX Listing Rule 7.1 and all other purposes, the issue of Premium Priced Options in lieu of equivalent cash payment to non-related parties as referred to in section 7.1 of the Explanatory Statement, is approved.

Short Explanation

The Company proposes to issue Premium Priced Options to Non-Executive Directors in lieu of 50% of their Director fees and to the Managing Director for his awarded short term incentive. The Directors are related parties to the Company and therefore the issue of the securities requires Shareholder approval under ASX Listing Rule 10.11. An issue of securities under ASX Listing Rule 10.11 approved by Shareholders is an exception to ASX Listing Rule 7.1. The effect of Resolutions 6.1 to 6.4 will be to allow the Company to issue the Premium Priced Options to Directors without using the Company's 15% annual placement capacity.

The Company also proposes to issue Premium Priced Options to employees who are not related parties for awarded short term incentives. The effect of Resolution 6.5 will be to allow the Company to issue the Premium Priced Options to employees without using the Company's 15% annual placement capacity.

Voting Exclusion Statement

The Company will disregard any votes cast in favour of these Resolutions by or on behalf of the person who will receive the Remuneration Securities in respect of each Resolution, any other person who will receive a material benefit (except a benefit solely by reason of being a holder of ordinary securities in the entity) from the issue of the Remuneration Securities, or an associate of those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- A person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- The Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- A holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - The beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution: and
 - The holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting Prohibition Statement

A person appointed as a proxy must not vote, on the basis of that appointment, on this resolution if:

- (a) the proxy is either:
 - (i) a member of the KMP; or
 - (ii) a Closely Related Party of such a member; and
- (b) the appointment does not specify the way the proxy is to vote on this resolution.

Provided the Chair is not a Resolution 5 Excluded Party, the above prohibition does not apply if:

- (a) the proxy is the Chair; and
- (b) the appointment expressly authorises the Chair to exercise the proxy even though this resolution is connected directly or indirectly with remuneration of a member of the KMP.

RESOLUTION 7 - APPROVAL OF VARIATION TO EMPLOYEE INCENTIVE PERFORMANCE RIGHTS AND OPTIONS PLAN AND EMPLOYEE SHARE INCENTIVE PLAN

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an ordinary resolution:

That, for the purposes of ASX Listing Rule 7.2 Exception 13(b) and for all other purposes, approval is given for the Company to issue securities at the discretion of the Board in accordance with the provisions of the Employee Incentive Performance Rights and Options Plan and the Employee Incentive Share Plan, and on the terms and conditions set out in the Explanatory Statement.

Short explanation

Prior to listing on ASX, the Company established an *Employee Incentive Performance Rights and Options Plan* (EIPROP) and an *Employee Incentive Share Plan* (EISP), details of which were set out in the IPO Prospectus. The Board has offered the EIPROP and EISP to employees of the Company to assist in the reward, retention and motivation of employees.

Shareholders approved changes to the EISP and EIPROP at the 2023 AGM which set the limits of securities issued under those Plans to the then 5% and 15% respectively of issued capital at that time. Given the issued capital has increased, the Board wishes to update the specified security limits of the EISP and EIPROP to 5% and 15% of the current issued capital. That approval is the purpose of Resolution 7.

The approval if given does not extend to directors or other related parties and separate approval will continue to be sought to issue securities to them.

Voting Exclusion Statement

In accordance with ASX Listing Rules, the Company will disregard any votes cast in favour of the resolution by a person who is eligible to participate in the EIPROP and EISP. However, the Company will not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or it is cast by the person changing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

By order of the Board:

Oliver Carton Company Secretary

Dated: 27 October 2025

EXPLANATORY STATEMENT

INTRODUCTION

The purpose of this Explanatory Statement is to provide Shareholders with an explanation of the business of the meeting and the Resolutions proposed to be considered at the Annual General Meeting.

1 FINANCIAL STATEMENTS AND REPORT

At the Annual General Meeting, Shareholders will be given an opportunity to ask questions and comment on the Directors' Report, Financial Statements and Independent Auditor's Report for the financial period ended 30 June 2025.

Shareholders who have elected not to receive a hard copy of the Company's 2025 Annual Report can view or download a copy from the Company's website at https://x2mconnect.com/investor-centre/.

The Company's auditors will be present at the meeting and be available to answer questions as to the conduct of the audit and the auditor's report.

2 RESOLUTION 1 - REMUNERATION REPORT

In accordance with section 250R(2) of the Corporations Act, listed companies are required to put to Shareholders at the Annual General Meeting a non-binding resolution concerning the Remuneration Report which is contained in the Directors' Report section of the Annual Report.

As stated the resolution is non biding however if at least 25% of the votes cast on the resolution at the Annual General Meeting are against adoption of the report, then there are the following consequences. The Corporations Act was amended in June 2011 to introduce the "two-strikes" rule. The two strikes rule provides that if at least 25% of the votes cast (excluding KMP and their Closely Related Parties) on the adoption of the remuneration report at two consecutive AGMs are against adopting the remuneration report, members will have the opportunity to vote on a Spill Resolution.

A Spill Resolution is a resolution that a separate meeting be called where all Directors other than the Managing Director retire and can be re-elected.

The Directors recommend that all Shareholders vote in favour of the Remuneration Report.

As stated the Company will disregard any votes cast on the proposed resolution for adoption of the remuneration report by or on behalf of:

- (a) a KMP; or
- (b) a Closely Related Party of a KMP.

3 RESOLUTION 2 - RETIREMENT OF DIRECTORS BY ROTATION AND BY OPERATION OF THE CONSTITUTION

The X2M Constitution requires directors appointed during the year to retire and offer themselves for election at the first AGM following their appointment. The Constitution also requires one third of Directors, other than the Managing Director, to retire at each Annual General Meeting. Those directors are eligible to be re-elected by Shareholders. This year the rule applies to The Hon Alan Stockdale AO.

Mr Stockdale was appointed as Director and Chairman of X2M on 8 February 2021 and is considered by the Board to be an independent Non-Executive Director.

Mr Stockdale has significant legal, Government, investment banking and other business experience. He was Victorian Treasurer (1992-1999) and was the Minister for IT and Multimedia from 1996 to 1999. He was a successful barrister, law firm Partner and Consultant and worked as an investment banker for Macquarie Bank. Mr Stockdale is Chairman of Knosys Limited and was previously Chairman of ASX-listed companies Senetas, Axon Instruments and Symex (now Prestal), and Chairman of the Medical Research Commercialisation Fund. He has been Chairman or a Director of several other listed companies, unlisted companies and voluntary organisations.

The Directors recommend that all Shareholders vote in favour of this resolution. The Chairman intends to vote open proxies in favour of it.

4. RESOLUTION 3 - APPROVAL OF ADDITIONAL 10% placement capacity

4.1 Introduction

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined and explained below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (defined below) equal to 10% of its issued capital (10%) Placement Capacity without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation under \$300,000,000.

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company has 1 class of quoted Equity Securities being Shares (ASX: X2M) and the number of Shares that the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (detailed below) should the Shareholders approve Resolution 3.

The effect of Resolution 3 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue on the date of issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% placement capacity in Listing Rule 7.1A and will be limited to its placement capacity under Listing Rule 7.1 without first obtaining shareholder approval.

Note that Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the meeting must be in favour of the resolution for it to be passed.

4.2 The number of Shares to be issued

The Number of Shares that the Company may issue under the 10% Placement Capacity will be calculated according to the following formula:

(A X D) - E

A: is the number of Shares on issue at the commencement of the relevant period:

- plus the number of Shares issued in the relevant period under an exception in ASX Listing Rule 7.2, other than exceptions 9, 16 or 17;
- plus the number of Shares issued in the relevant period on conversion of convertible securities within rule 7.2 exception 9 where:
- the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
- the issue of, or agreement to issue, the convertible securities was approved, or take under these rules to have been approved, under rule 7.1 or 7.4;
- plus the number of Shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
- the agreement was entered into before the commencement of the relevant period;
 or
- the agreement or issue was approved, or take under these rules to have been approved, under rule 7.1 or 7.4;
- plus the number of Shares issued in the previous 12 months with approval of holders of Shares under rules 7.1 or 7.4;
- plus the number of partly paid shares that became fully paid in the previous 12 months; ; and
- less the number of Shares cancelled in the previous 12 months.

D: is 10%

E: is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under ASX Listing Rule 7.4.

4.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

4.3.1 Minimum Price

Any Equity Securities issued under rule 7.1A.2 must be in an existing quoted class of the eligible entity's quoted securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed by the entity and recipient of the Equity Securities; or
- if the Equity Securities are not issued within 10 ASX trading days of the date in the above bullet point, the date on which the Equity Securities are issued.

4.3.2 Date of Issue

An approval under this rule 7.1A commences of the date of the AGM at which the approval is obtained and expires on the first to occur of the following:

- the date that is 12 months after the date of the AGM;
- the time and date of the entity's next AGM;
- the time and date of approval by holders of Shares of any transaction under ASX Listing Rules 11.1.2 or 11.2.

(10% Placement Capacity Period)

The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature and scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

4.3.3 Risk of economic and voting dilution

Any issue of Shares under the 10% Placement Capacity will dilute the interest of the Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by the Shareholders and the Company issues the maximum number of Shares available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be shown in the table below.

The table below shows the dilution of existing Shares calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the market price of Shares of \$0.015 and the number of Shares on issue as at 3 October 2025.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue	Dilution			
(Variable A in ASX Listing	Issue Price /	\$0.0075	\$0.0015	\$0.0225

in Current Variable A)	10% voting			
	dilution			
	Funds raised (\$)	1,513,440	3,026,881	4,540,321

^{*} The number of Shares on issue (Variable A) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The above table assumes:

- (a) There are 1,008,960,293 Shares on issue. This number excludes any Shares that may be issued pursuant to resolutions being put to members in accordance with this Notice of Meeting. It also excludes Shares that might be issued on conversion of Options;
- (b) The Company issues the maximum possible number of Shares under the 10% Placement Capacity.
- (c) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution cased to their own shareholding depending on their specific circumstances.
- (d) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- (e) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue this is why the voting dilution is shown in each example as 10%.
- (f) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the General Meeting.

Shareholders should also note that there are risks that:

- (a) the market price of the Company's Shares may be significantly lower on the issue date than on the date of the General Meeting; and
- (b) the Shares may be issued at a price that is at discount to the market price for those Shares on the date of issue.

4.3.4 Purpose of Issue under the 10% Placement Capacity

The Company must issue Equity Securities under the 10% Placement Capacity for cash consideration in which case the Company intends to use funds raised for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), and general working capital.

The Company will comply with its disclosure obligations under ASX Listing Rule 7.1A(4) and 3.10.3 under issue of any Equity Securities.

4.3.5 Allocation policy under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

At this point in time no decision has been made concerning use of the 10% placement capacity during the relevant period, including the number of Equity Securities it may issue and when this may occur.

Therefore the allottees of the Equity Securities that may be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- the purpose of the issue;
- alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers (if applicable).

4.3.6 Previous approval under ASX Listing Rule 7.1A

The Company previously sought and was given approval from Shareholders under ASX Listing Rule 7.1A at the 2021, 2022, 2023 and 2024 AGMs.

During the last 12 months, the Company has issued 34,055,673 Shares under Listing Rule 7.1A, representing 15.1% of the total number of equity securities on issue at the commencement of that 12 month period, as follows:

Date	No and price	Purpose	Recipients
26 June 2025	36,166,069 at \$0.016 per share per share, a 15.8% discount to the closing price	Business expansion, product development and working capital	Clients of Spark Plus and CBA Capital chosen in conjunction with the Company as investors as appropriate investors in the Company
25 August 2025	55,011,411 at \$0.013 per share, an 11.6% discount to the closing price	Oversubscription of placement of Entitlement Offer shortfall	Clients of Spark Plus and CBA Capital chosen in conjunction with the Company as investors as appropriate investors in the Company
4 September 2025	3,846,154 at \$0.013 per share, a 8.0 % premium to the closing price	Oversubscription of placement of Entitlement Offer shortfall	Clients of Spark Plus and CBA Capital chosen in conjunction with the Company as investors as appropriate investors in the Company

4.3.7 Voting exclusion statement

As stated in the Notice of Meeting, the Company will disregard any votes cast on Resolution 3 by any person who may obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities, if the resolution is passed and any associates of those persons. However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

As at the date of this Notice of Meeting, the Company has not invited any existing Shareholder to participate in an issue of Shares under ASX Listing Rule 7.1A. No existing Shareholders will therefore be excluded from voting on Resolution 3.

The Directors recommend that all Shareholders vote in favour of this resolution.

RESOLUTION 4 - RATIFICATION OF PRIOR ISSUES OF SECURITIES

Resolutions 4.1 to 4.2 concern ratification of various prior issues of securities.

Under Listing Rule 7.4, the Company can seek Shareholder ratification of an issue made within the limit of ASX Listing Rule 7.1 and 7.1A, and, if given, the effect of the ratification is to deem that the securities issued were issued with Shareholder approval, meaning that, from the date of the approval, the Board is again able to issue up to a further 15% and 10% respectively of the issued capital without Shareholder approval.

As stated above, if Shareholder approval is given, the Equity Securities set out in section 5.1 to 5.6 will not count in calculating the Company's 10% limit, thereby increasing the number of Equity Securities it can issue in the 12 months following the issue dates.

If shareholder approval is not given, the Equity Securities set out in sections 5.1 to 5.6 will count in calculating the Company's 10% limit, thereby decreasing the number of Equity Securities it can issue in the 12 months following the issue dates.

5.7 Recommendation of directors

All Directors recommend that Shareholders vote in favour of Resolutions 4.1 to 4.3.

6. RESOLUTION 5 - APPROVAL OF ISSUE OF SECURITIES TO MANAGING DIRECTOR

6.1 Introduction

The Company proposes, subject to obtaining Shareholder approval, to issue 32,258,065 Options to the Managing Director Mohan Jesudason under the Company's Long Term Incentive Corporate Plan (Plan) (MD Options) on the same terms as the Company's Employee Incentive Performance Rights and Options Plan (EIPROP), and otherwise on the terms as set out in this Notice and Explanatory Statement.

The objective of the issue of the MD Options is to provide a long term incentive for Mr Jesudason and give him an increased stake in the Company, thereby aligning his interest

with Shareholders. He must meet performance hurdles set by the Board to be able to exercise the MD Options, which are therefore also a reward for the Company achieving high level performance. He must also remain an employee until the MD Options are exercisable.

The Directors in the absence of Mr Jesudason consider that the number of MD Options to be issued to Mr Jesudason is appropriate and reasonable remuneration in light of his skills and experience, his leadership of the Company and the percentage of risk based remuneration versus total remuneration.

The incentive represented by the MD Options is cost effective and efficient, as opposed to alternative forms of incentive, such as the payment of cash compensation. The Plan on which the proposed issue is based constitutes an employee incentive scheme for the purposes of the ASX Listing Rules, and has been in operation since the listing of the Company.

If the approval is given the MD Options will be issued to Mr Jesudason. If the approval is not given, the MD Options cannot be issued and the Board intends that an equivalent award will be provided in cash, subject to the same performance and other conditions as described in these Explanatory Notes.

6.2 ASX Listing Rules 10.14 and 10.15

ASX Listing Rule 10.14 provides that shareholder approval must be obtained where an entity issues equity securities to a director under an employee incentive scheme such as the Plan. Mr Jesudason is a Director of the Company.

Pursuant to and in accordance with the requirements of the ASX Listing Rules 10.15, the following information is provided in relation to the proposed issue of MD Options:

Any additional +persons covered by listing rule 10.14 who become entitled to participate in an issue of securities under the employee incentive scheme after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

6.3 Section 208 of the Corporations Act

Section 208 of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

• obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

• give the benefit within 24 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the MD Options constitutes giving a financial benefit and Mr Jesudason is a related party of the Company. One of the exceptions to section 208 is the payment of reasonable remuneration. The Directors other than Mr Jesudason have considered that the number of MD Options to be issued to him is appropriate and reasonable remuneration for the reasons set out in paragraph 6.1.

6.4 ASX Listing Rules 7.1 and 7.2

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the MD Options the subject of Resolution 6 as approval is being obtained under ASX Listing Rule 10.14 (Exception 14 under ASX Listing Rule 7.2). Accordingly, the issue of the MD Options will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1. As separate approval is being sought for the issue of the MD Options, they are not being issued under the EIPROP and will not be included in the cap for the EIPROP.

6.5 Recommendation of Directors

The Directors other than Mr Jesudason recommend that Shareholders vote in favour of Resolution 5. The Chair intends to vote undirected proxies in favour of it. Mr Jesudason declines to make a recommendation as he has an interest in this resolution.

7. RESOLUTIONS 6.1 to 6.3 - APPROVAL OF ISSUE OF PREMIUM PRICED OPTIONS

7.1 Introduction

In line with last year, the Company proposes, subject to obtaining Shareholder approval, to issue Premium Priced Options as follows:

- to Non-Executive Directors in lieu of 50% of FY25 director base fees;
- to the Managing Director as FY25 short term incentive award;
- to employees who are not related parties as FY24 short term incentive awards.

The issue of Premium Priced Options to Directors requires shareholder approval as they are related parties. The issue of Premium Priced Options to employees does not require shareholder approval however the Company seeks that approval so that the issue does not take up its placement capacity under Listing Rule 7.1. The purpose of Resolutions 6.1 to 6.5 is to seek that approval.

7.2 Terms of Premium Priced Options and rationale

Premium Priced Options are call options, the terms of which are as follows:

Issue date	Within three months of the date of this meeting
Exercise Price	The greater of \$0.0291 and a premium of 67% to the 5 day
	VWAP from the acquisition date
Expiry date	5 years from the date of issue
Vesting conditions	Premium Priced Options vest when the forgone equivalent
	cash value of the recipient has been earned.

	 For Non-Executive Directors, 1/12th of Premium Priced Options will vest each month for 12 consecutive months from 1 July 2025; For the Managing Director and employees, Premium Priced Options will vest immediately.
Number issued	The number will be the equivalent value of cash for each recipient forgone, divided by the value of a Premium Priced Option. Further details are set out in section 8.3
Other	Other usual terms are set out in Annexure 3

The rationale of issuing the Premium Priced Options is to preserve the cash resources of the Company, and to further align the interests of recipients of the Premium Priced Options with the interests of Shareholders. The Company anticipates the proposal will save approximately \$0.3m a year in costs, and the Company will receive funds when and if they are exercised.

Further, Premium Priced Options will only become "in the money" if the Share price increases by at least 67% from the reference date price.

7.3 Number of Premium Priced Options

The number of Premium Priced Options to be granted to each recipient was determined based on the formula: Equivalent cash foregone, divided by the value of the Premium Priced Options at the grant date, rounded down to the nearest whole number. The value will be determined using a Black-Scholes pricing model. The valuation methodology is a function of the relationship between a number of variables principally being the share price, the option exercise price, the time to expiry, and the volatility of the underlying share prices of a peer group of X2M. The actual value that the recipient may derive from this allocation of Premium Priced Options remains subject to the satisfaction of the applicable vesting criteria and the X2M share price at the time of exercise.

The number of Premium Priced Options is calculated using the following assumptions:

- The Share price is the 5 day VWAP to the date of acquisition being \$0.01401.
- An exercise price of \$0.0291
- 5 year expiry and 70% volatility;
- The value of each Premium Priced Option, using the Black Scholes valuation methodology, is \$0.0062.

The equivalent value of cash forgone and options to be issued are as follows:

Director	Value of Premium Price
	Options
The Hon Alan Stockdale AO	\$49,999.98
Mohan Jesudason	\$130,000.00
Damien Johnston	\$27,252.66
John Stewart	\$22,727.76
Non related party employees	\$61,309.00
Total	\$291,289.40

Using the above assumptions, the number of Premium Priced Options to be issued is as follows:

Recipient	No of Premium Priced Options
The Hon Alan Stockdale AO	8,064,513
Mohan Jesudason	20,967,742
Damien Johnston	4,395,590
John Stewart	3,665,768
Non related party employees	9,888,549
Total	46,982,162

7.4 Resolutions 6.1 to 6.4 rules

Resolutions 6.1 to 6.4 involve the issue of securities to related parties and the following rules apply.

7.4.1 ASX Listing Rules 10.11 and 10.13

ASX Listing Rule 10.11 provides that shareholder approval must be obtained where an entity issues equity securities to a director. Premium Priced Options are equity securities. If Shareholder approval is not given, Premium Priced Options will not be issued to Directors and the Company will revert to cash payments.

Pursuant to and in accordance with the requirements of the ASX Listing Rules 10.13, the following information is provided in relation to the proposed issue of Options:

The name of the person	The Hon Alan Stockdale, Mohan Jesudason, Damien Johnston, John Stewart
Which category of Rules 10.11.1 - 10.11.3 the persons fall within and why	Category 10.11.1 as a Director
The number of securities proposed to be issued to the persons under the scheme for which approval is being sought, which may be expressed as a maximum number or formula	See section 7.3
If the person is a Director, the current remuneration of that person	This is set out below
A summary of the material terms of the Options	This is set out in section 7.2
The date on which the securities will be issued	The Premium Priced Options will be issued within 3 months of the date of this meeting
The price or other consideration the Company will receive for the issue	The Premium Priced Options are issued for nil consideration, however the Company will benefit from the Premium Priced Options in the form of equivalent

cash forgone as set out in section 7.1
and 7.3

Details of Mr Jesudason's current total annual remuneration package are set out in section 6.2.

Details of the Non-Executive Director current total annual fees as paid for FY25 are set out below.

Director	Total FY25 Fees (including superannuation)
The Hon Alan Stockdale AO	\$95,068
Damien Johnston	\$51,817
John Stewart	\$43,214

7.4.2 Section 208 of the Corporations Act

Section 208 of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 24 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Premium Priced Options constitutes giving a financial benefit and the recipients are related parties of the Company. One of the exceptions to section 208 is the payment of reasonable remuneration. The Directors consider that the number of Options to be issued constitute reasonable remuneration as they replace existing remuneration that would otherwise be payable in cash. The methodology of valuing the Premium Priced Options is widely accepted and used.

7.5 Resolution 6.5

Resolution 6.5 seeks an approval to issue Premium Priced Options to non-related parties under ASX Listing Rule 7.1. The effect of this resolution will be that the issue of Premium Priced Options will not count towards the Company's placement capacity under ASX Listing Rule 7.1. If Shareholder approval is not given, Premium Priced Options will not be issued and the Company will revert to equivalent value in cash.

7.5.1 ASX Listing Rule 7.3

The following additional information is provided pursuant to the requirements of Listing Rule 7.3.

The number of securities to be issued	See section 7.3
Issue price per security	See section 7.3
Terms of security	See section 7.2
Summary of Agreement Terms	See section 7.1 to 7.3
Persons to whom securities will be issued or basis of issue	Employees of the Company who are not related parties
Date of Issue	Premium Priced Options will be issued within 3 months of the date of this meeting
Use of funds raised	The Premium Priced Options are issued for nil consideration, however the Company will benefit from the Remuneration Options in the form of equivalent cash forgone as set out in section 7.1 and 7.3. It will use that consideration for working capital

8. RESOLUTION 7 - APPROVAL OF VARIATION TO EMPLOYEE INCENTIVE PERFORMANCE RIGHTS AND OPTIONS PLAN AND EMPLOYEE SHARE INCENTIVE PLAN

8.1 Background

Prior to listing on ASX, the Company established the Employee Incentive Share Plan (EISP) and Employee Incentive Performance Rights and Options Plan (EIPROP), details of which were set out in the IPO Prospectus. The key terms and provisions of the EIPROP are set out in Annexure 3. The key terms of the EISP are set out in Annexure 2. A copy of the rules of the EIPROP and EISP will be provided to any shareholder who requests a copy by sending an email via investor.relations@x2mconnect.com.

The Board adopted the EIPROP and EISP to attract, motivate and retain key employees by providing them with the opportunity to participate in the future growth of the Company by acquiring securities in the form of Shares, options and performance rights.

The employees of the Company have been, and will continue to be instrumental in growth of the Company. The Board considers that the EIPROP and EISP are appropriate methods to reward employees for their performance, to provide long term incentives for participation in the Company's future growth and motivate and generate loyalty from employees.

Shareholders approved changes to the EISP and EIPROP at the 2022 AGM which set the limits of securities issued under those Plans to the then 5% and 15% respectively of issued capital at that time. Given the issued capital has increased, the Board wishes to update the specified security limits of the EISP and EIPROP to 5% and 15% respectively of the current issued capital.

8.2 Exception to ASX Listing Rules 7.1 and 7.1A

Listing Rule 7.1 requires shareholder approval for an issue of equity securities if, over a rolling 12 months period, the amount of equity securities issued (without prior shareholder approval) is more than 15% of the number of ordinary shares on issue at the start of that 12 month period.

Listing 7.1A requires special shareholder approval for a further issue of equity securities if, over a rolling 12 months period, the amount of equity securities issued is more than 10% of the Company's 15% placement capacity under Listing Rule 7.1.

Listing Rule 7.2 Exception 13 provides that an issue of securities under an employee incentive scheme does not detract from the available 15% limit under Listing Rule 7.1 and the further 10% limit under Listing Rule 7.1A if the issue of securities is made under an employee incentive scheme and that employee incentive scheme was approved by shareholders no more than 3 years before the date of issue, or if the Company has been listed for less than three years, the terms of the EIPROP and EISP must have been included in the prospectus issued to list the company. The EIPROP and EISP are regarded as employee incentive schemes for the purpose of Listing Rule 7.2.

The Board wishes to change terms of the EIPROP and EISP as set out above in section 8.1.

The Company intends that the issue of securities under the EIPROP and EISP not be included when undertaking the calculations pursuant to Listing Rules 7.1 and 7.1A. Accordingly, it is seeking shareholder approval for the change in order for the Company to be able to continue to issue securities pursuant to the EIPROP and EISP and have those securities qualify under Exception 13 of Listing Rule 7.2.

Under section 208 of the Corporations Act and ASX Listing Rules 10.11 and 10.14, any specific issue of securities to a director (and/or its associate) or other relevant persons under an employee incentive scheme will need additional shareholder approval. The Company will seek such additional approval before issuing any securities under the EIPROP or EISP where required.

8.3 Technical information required by ASX Listing Rule 7.2

Pursuant to, and in accordance with, ASX Listing Rule 7.2 Exception 13(b), the following information is provided in relation to Resolution 7:

- 8.3.1. a summary of the key terms of the EIPROP and EISP are set out in Annexures 2 and 3 respectively;
- 8.3.2. the number of securities issued under the EIPROP since last approved under Listing Rule 7.2 since last approval the Company has issued 27,814,516 securities under the EIPROP and no securities under the EISP;
- 8.3.3. the maximum number of Equity Securities proposed to be issued under the EIPROP following Shareholder approval is 301,025,129 Securities (being 15% of the issued capital of the Company on a fully diluted basis at the date of the AGM.). It is not envisaged that the maximum number of Securities will be issued immediately. The Company will lodge a cleansing statement under Section 708A(5 of the Corporations Act at the time of issue of the Shares to enable on-sale. Subject to complying with the Trading Policy, you will be free to sell, transfer or otherwise deal with your Shares.
How do I exercise my Vested Options? You may exercise Vested Options by completing and returning a Notice of Exercise to the Company.
Vested Options must be exercised by you during the Exercise Period in order to be allocated Shares.
You may exercise any portion of your Vested Options.
The Exercise Price can be paid by either:

- Payment of Exercise Price Paying the Exercise Price personally with your own funds (by EFT or cheque); or
- Cashless Exercise according to the rules below and while permitted by the ATO.

In lieu of paying the aggregate Option Exercise Price to purchase Shares, the Board may, in its sole and absolute discretion, permit you to elect to receive, without payment of cash or other consideration, upon surrender of the applicable portion of exercisable Options to the Company, a number of Shares determined in accordance with the following formula (a Cashless Exercise):

 $A = [B \times (C - D)]/C$

where:

A = the number of Shares (rounded down to the nearest whole number) to be issued to you pursuant to this cashless exercise method;

B = the number of Shares otherwise issuable upon the exercise of the Option or portion of the Options being exercised;

C = the Market Value of one Share determined as of the date of delivery to the Company Secretary of the Notice of Exercise; and

D = the Option Exercise Price.

For example, if you hold 50 Options (which have vested and are therefore capable of exercise), each with an Option Exercise Price of \$1.00 and you elect to exercise all of your Options by paying the Option Exercise Price, you would pay \$50 and receive 50 Shares. However, if you elect your rights under the Cashless Exercise, and the Market Value of one Share prior to exercise is \$1.50, you will pay no cash and receive 16 Shares (being 50(\$1.50 - \$1.00)/\$1.50 = 16.67, rounded down to 16 Shares.

For greater certainty, upon the Cashless Exercise of an Option (or portion thereof), the total number of Shares that may be issued pursuant to the exercise of Options under the 2026 LTI Offer, shall be reduced by the total number of Shares with respect to which the Option (or portion thereof) was surrendered.

Are there any restrictions applicable to my Shares?

Shares allocated to you on exercise of your Vested Options will not be subject to additional restrictions if they Vested following the release of the FY28 Annual Financial Accounts. Subject to complying with the Trading Policy, you will be free to sell, transfer or otherwise deal with your Shares.

If Vested Options vested due to the immediate vesting SPH, then any Shares issued will be subject to voluntary escrow until the release of the FY28 Annual Financial Accounts and then subject to complying with the Trading Policy, you will be free to sell, transfer or otherwise deal with your Shares.

Forfeiture or Treatment of Options

What happens if I cease employment before the Vesting Date?

In general, if you cease employment prior to the Vesting Date of your Options, your unvested Options will automatically lapse when your employment ends.

Cessation during the Performance Period

Treatment is determined based on the determination of if you are considered a **Good** Leaver or a Bad Leaver.

1. Bad Leaver

A Bad Leaver is considered someone who ceases employment in any of the following circumstances:

- You resign from employment or office.
- Your employment is terminated due to poor performance; or
- Your employment is terminated, or you're dismissed from office for any of the following reasons:
 - You've committed a serious or persistent breach of the provisions of your employment contract.
 - You've been guilty of fraudulent or dishonest conduct while performing your
 duties, which in the reasonable opinion of the Company, effects your
 suitability for employment with the Company, or brings you or the Company
 into disrepute.
 - You've been convicted of any criminal offence which involves fraud or dishonesty'
 - You've committed a wrongful or negligent act or omission which has caused the Company substantial liability.
 - You've been disqualified from managing corporations in accordance with Part 2D.6 of the Corporations Act or has committed any act that may result in the holder being banned from managing a corporation under the Corporations Act; or
 - You've committed serious or gross misconduct, willful disobedience or any other conduct justifying termination of employment without notice.

2. Good Leaver

Where you cease employment in any other circumstance (including death, disability, redundancy, retirement and mutual agreement), it's known as a **Good Leaver**.

In this scenario, a pro-rata number (based on the proportion of the period from the Grant Date to resignation date) of your unvested Options will remain "on-foot" and will be performance tested at the end of the Performance Period. To the extent that the relevant performance hurdles are satisfied, your Options will Vest at the applicable Vesting Date for a tranche.

However, the Board has discretion to determine if an alternative treatment should apply.

Cessation following testing but prior to the Vesting Date

Where you cease employment and are determined a **Bad Leaver**, all of your unvested Rights will automatically lapse.

Where you cease employment in any other circumstance (including death, disability, redundancy, retirement and mutual agreement) and are considered a **Good Leaver**, a pro-rata amount of all of your unvested Rights (that were eligible to Vest following testing at the of the Performance Period) will remain "on-foot" and will Vest at the applicable Vesting Date for a tranche.

However, the Board has discretion to determine if an alternative treatment should apply.

Vested Options

Where you cease employment for any reason, all of your Vested Options must be exercised by the earlier of 30 days following your cessation or the Expiry Date. Any Options which are not exercised by period above will lapse.

Annexure 4

Terms and Conditions of Placement, Piggy Back, Options and Lead Manager Options

- 1. Options may be exercised in whole or in parcels by:
 - a) delivering to the Company before 5.00pm (Melbourne time) prior to the expiry date (the Option Expiry Date) the application for shares on exercise of options (Exercise Notice) duly executed by the Optionholder (together with the Option Certificate) specifying the number of Options being exercised (Relevant Number); and
 - b) payment to the Company by bank cheque or other immediately available funds of an amount equal to the Exercise Price multiplied by the number of Options being exercised (the **Settlement Price**).
- 2. The Company must within 2 Business Days of the receipt by it of the last of the documents referred to above and subject to receipt by the Company of the Settlement Price:
 - a) issue to the Optionholder (or its designee or nominee) the Relevant Number of Shares;
 - b) issue, or cause to be issued, to the Optionholder a holding statement for the Relevant Number of Shares; and
 - c) if applicable, issue a replacement Option Certificate to the Optionholder for the balance of any unexercised Options; and
 - d) lodge a cleansing notice in accordance with section 708A of the Corporations Act to permit the on-sale of any Shares issued upon exercise of the Options. If the Company is unable to issue such a notice, it must notify the Optionholder of such as soon as possible and lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors; and
 - e) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.
- 3. If a notice delivered under clause 2(d) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors. For the avoidance of doubt, the Company must still otherwise comply with the remaining obligations set out in clause 2(a), including the requirement to issue the Optionholder with the Relevant Number of Shares within two Business Days of receiving the Exercise Notice.
- 4. The Shares issued pursuant to the exercise of the Options will be issued as fully paid.

- 5. Until the Option Expiry Date for so long as the Optionholder holds any unexercised Options, the Company will give the Optionholder notice of all general meetings of the Company and of all resolutions to be considered at those meetings and all other statements, notices, annual reports or circulars at the same time the shareholders of the Company are issued with those notices.
- 6. An Option does not confer any rights of a shareholder of the Company, including any rights to dividends and the right to vote.
- 7. An Option does not confer any right on the holder to participate in a new issue without exercising the Option.
- 8. The Optionholder will be entitled to participate in any rights to take up Additional Rights on the same terms and conditions as applicable to the other offerees or shareholders of the Company provided that the Optionholder has exercised any Option prior to the Record Date for the relevant offer.
- 9. Any Shares issued to the Optionholder as a result of the exercise of an Option will rank pari passu in all respects with all other Shares then on issue. Shares issued upon the exercise of Options will only carry an entitlement to receive a dividend if they were issued before the Record Date for that dividend.
- 10. If there is a Bonus Issue to holders of Shares, the number of Shares over which an Option is exercisable is increased by the number of Shares which the holder of the Option would have received if the Option had been exercised before the Record Date for the Bonus Issue.
- 11. If, before exercise or expiry of the Options, the Company implements a reorganisation of its capital:
 - a) the Options must be treated in the manner required by the ASX Listing Rules;
 - b) the Company must notify the Optionholder of any proposed variation to the terms of Options no less than 5 Business Days prior to the date of variation; and
 - c) the Company must provide confirmation to the Optionholder immediately after the date of variation that the terms of the Options have been varied as proposed.
