EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (**Statement**) is included in and forms part of the Notice of Meeting. The purpose of this Statement is to provide shareholders with information they may require in order to make an informed decision on the applicable Resolutions.

If you are in doubt as to how to vote, you should seek advice from your accountant, solicitor, tax advisor or other professional adviser prior to voting. It is important that you read this Statement in its entirety for a detailed explanation of the applicable Resolution.

Defined terms used in this Notice have the meanings given to them in the Glossary at the end of this Notice.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2025 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Voting Exclusions

In accordance with sections 250R(4) and 250BD(1) of the Corporations Act, a vote must not be cast (in any capacity, including as a proxy), and the Company will disregard any votes purported to be cast, on this Resolution by, or on behalf of, a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report, or a Closely Related Party of such a member (**KMP voter**), unless the KMP voter is casting a vote on this Resolution on behalf of a person who is not a KMP voter (including as a proxy) and either:

- the KMP voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- the KMP voter is by the Chair of the meeting and the appointment of the Chair as proxy:
 - o does not specify the way the proxy is to vote on the Resolution; and
 - o expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company or the consolidated entity.

If you appoint the Chair as your proxy and you do not direct the Chair how to vote, you will be expressly authorising the Chair to exercise the proxy even if the relevant Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company

If the Chair of the Meeting is appointed as a proxy for a person who is permitted to vote on Resolution 1, the Chair will vote any proxies which do not indicate on their Proxy Form the way the Chair must vote, in favour of Resolution 1. In exceptional circumstances, the Chair may change his or her voting intention on the Resolution, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If you purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Board encourage all eligible shareholders to cast their votes in favour of Resolution 1.

The Chairman of the meeting intends to vote undirected proxies in favour this Resolution.

Resolution 2: Election of Mr Niv Dagan as a Director of the Company

Background

A Director (excluding the Managing Director) appointed to fill a casual vacancy or as an addition to the Board must not hold office without re-election past the next Annual General Meeting (Constitution clause 15.3; Listing Rule 14.4)

Mr Niv Dagan having been appointed to the Board on 8 May 2025, is retiring in accordance with these requirements and, being eligible, offers himself for re-election

Mr Dagan is the executive director of Peak Asset Management ("Peak"), the Company's largest shareholder. Prior to founding Peak in 2013, Niv headed up HC Securities; spent three years growing its capital markets division and worked on the wholesale desk at Macquarie Bank, servicing a wide range of institutional, intermediary and offshore clients. Niv also spent two years in Canada, growing the Company's profile and relationships.

The Company confirms it has conducted appropriate checks into Mr Dagan's background and experience.

The Board considers that Mr Dagan does not qualify as an independent director as he is a substantial shareholder of the Company.

Voting Exclusions

There are no voting exclusions on this resolution.

Board Recommendation

The Board (with Mr Dagan abstaining) recommends that shareholders vote in favour of the election of Mr Dagan as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its shareholders.

The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

Resolution 3: Re-election of Mr Andrew Vigar as Director of the Company

Background

The Constitution of the Company (clause 15.2) requires that at every Annual General Meeting, one-third of the Directors for the time being, or the number nearest one-third of the Directors, shall retire from office, provided always that no Director except a Managing Director shall hold office for a period in excess of three years, or until the third annual general meeting following their appointment, whichever is longer, without submitting themselves for re-election. The constitution also provides that such Directors are eligible for re-election at the meeting.

Mr Andrew Vigar a Director and Non-Executive Chair of the Company is retiring in accordance with these requirements and, being eligible, offers himself for re-election.

Andrew is a Geologist with over 40 years of experience in the minerals industry covering exploration to mining, finance, corporate and education. Andrew graduated from QUT, Brisbane in 1977 and held several company positions in exploration, development, and mining, including WMC and CRA. Andrew commenced consulting in 1996 and after several years with SRK founded Mining Associates in Brisbane, Australia in 2003 and Hong Kong in 2009. Andrew cofounded several public companies with a combined market capitalisation of \$2 billion, including DGO Gold Limited (ASX: DGO) 2007, Alligator Energy Limited (ASX: AGE) 2010 and K92 Mining Inc (TSX: KNT) 2014.

The Board considers that Mr Vigar does not qualify as an independent director as he previously served as an Executive..

Voting Exclusions

There are no voting exclusions on this resolution.

Board Recommendation

The Board (with Mr Vigar abstaining) recommends that shareholders vote in favour of the election of Mr Vigar as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its shareholders.

The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

Resolutions 4, 5, 6 and 7: Issue of Fee Shares to Directors

It is proposed that, in order to assist the Company in its cash management, the Company issue Shares to the following non-executive directors in lieu of some or all of their respective fees expected to be payable as at 31 December 2025 (**Fee Shares**). Resolutions 4, 5, 6 and 7 therefore seek required Shareholder approvals to issue Fee Shares to the following directors (or their nominees) in lieu of cash payment of some or all of their accrued directors' fees as at that date.

Resolution	Name (each a Receiving Director)	Position	Maximum number of Fee Shares to be issued in lieu of director fees
4	Andrew Vigar	Non-Executive Director	Up to 135,000 Shares
5	Haydn Lynch	Non-Executive Director	Up to 135,000 Shares
6	Doug Engdahl	Non-Executive Director	Up to 135,000 Shares
7	Niv Dagan	Non-Executive Director	Up to 135,000 Shares

The number of the maximum Fee Shares for each Receiving Director is calculated based on the following formula:

$$\text{Number of Fee Shares} = \text{Fees} \div \text{Issue Price}$$

Where:

- **Fees** are the director fee amounts expected to be payable as at 31 December 2025.

- **Issue Price** is, in relation to each Receiving Director, the agreed share issue price of \$0.08.

The numbers, and values, of the maximum Fee Shares for each Receiving Director, calculated in accordance with the above formula is as follows:

Resolution	Receiving Director	Fees (and maximum value of Fee Shares)	Value	Period / Fee	Maximum number of Shares to be issued (Fees ÷ Issue Price)
4	Andrew Vigar	\$10,800	\$ 0.08 (8 cents)	1 October 2025 to 31 December 2025 Director's fees	Up To 135,000 Shares
5	Haydn Lynch	\$10,800	\$ 0.08 (8 cents)	1 October 2025 to 31 December 2025 Director's fees	Up to 135,000 Shares
6	Doug Engdahl	\$10,800	\$ 0.08 (8 cents)	1 October 2025 to 31 December 2025 Director's fees	Up to 135,000 Shares
7	Niv Dagan	\$10,800	\$ 0.08 (8 cents)	1 October 2025 to 31 December 2025 Director's fees	Up to 135,000 Shares

Purpose

The proposed issues of Fee Shares in lieu of payment of cash fees are intended to assist the Company in managing its cash reserves.

The Fee Shares would not carry any performance conditions.

Directors' Remuneration Packages and Interests

Directors' remuneration packages

As at the date of this Notice, the details (including the amount) of the current total remuneration package of the Receiving Directors to whom (or to whose nominee(s)) the Fee Shares would be issued if these Resolutions are passed are:

Name (each a Receiving Director)	Position	Remuneration Package Details
Andrew Vigar	Non-Executive Director	\$43,200 fees per annum including any statutory superannuation.
Haydn Lynch	Non-Executive Director	\$43,200 fees per annum including any statutory superannuation.
Doug Engdahl	Non-Executive Director	\$43,200 fees per annum including any statutory superannuation.
Niv Dagan	Non-Executive Director	\$43,200 fees per annum including any statutory superannuation.

The above amounts would not be changed by the issues of the Fee Shares, as the value of these securities is effectively included in the above amounts.

Directors' current holdings

As at the date of this Notice, the Receiving Directors who are proposed to receive the Fee Shares have the following direct and indirect interests in the securities of the Company:

Director (and/or associate(s))	Existing		Other Securities of the Company
	Shares held	% of total issued Shares	
Andrew Vigar	1,985,640 Shares	1.35%	Nil
Haydn Lynch	2,645,205 Shares	1.80%	Nil
Doug Engdahl	1,282,267 Shares	0.87%	Nil
Niv Dagan	26,858,396 Shares	18.3%	3,016,071 Unlisted Options exercisable at \$0.15 and expiring on 1 November 2026 11,402,778 Unlisted Options exercisable a \$0.09 and expiring on 31 December 2026

If all the proposed Fee Shares were to be issued, the above Receiving Directors' holding percentages would increase as follows:

Director	Existing % holding of issued Shares	Holding % Post Issue of Fee Shares
Andrew Vigar	1.35%	1.44%
Haydn Lynch	1.80%	1.89%
Doug Engdahl	0.87%	0.96%
Niv Dagan	18.3%	18.35%

3. ASX Listing Rules

As noted above, the Company is proposing to issue the Fee Shares (the **Issues**) to the Receiving Directors (or their respective nominee(s)).

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the Company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the Board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The Issues each fall within Listing Rule 10.11.1, as each of the proposed recipients of the Fee Shares is a Director of the Company, and is therefore a related party of the Company and does not fall within any of the exceptions in Listing Rule 10.12. The proposed issues therefore require the approval of the Company's shareholders under Listing Rule 10.11.

Resolutions 4, 5, 6 and 7 therefore seek the required shareholder approval for the respective Issues under and for the purposes of Listing Rule 10.11.

If approval is given under ASX Listing Rule 10.11, approval is not required under ASX Listing Rule 7.1.

If all or any these Resolutions are passed, the Company will be able to proceed with the Issues of the respective Fee Shares and the applicable Receiving Director(s) will receive up to the numbers of Shares calculated based on the formulae set out above, with the increase in their security holdings as noted above.

If all or any of these Resolutions are not passed, the Company will not be able to proceed with the Issue(s) of the respective Fee Shares to the applicable Receiving Director(s) and the applicable Receiving Director(s) will not receive the relevant Shares or any increase of shareholdings. The Company and the relevant Receiving Director(s) would therefore need to agree an alternative method of settlement(s) of the relevant Fees, which may include cash payment(s) by the Company.

The following disclosures are made for the purposes of ASX Listing Rule 10.13:

- (a) the name of the persons are:
 - Resolution 4: Andrew Vigar;
 - Resolution 5: Haydn Lynch;
 - Resolution 6: Doug Engdahl; and
 - Resolution 7: Niv Dagan
- (b) the Receiving Directors each fall within ASX Listing Rule 10.11.1, Mr Vigar, Mr Lynch, Mr Engdahl and Mr Dagan as they are Directors of the Company and Mr Dagan is also a substantial shareholder of the Company having an interest in 18.3% of the Company's shares as at the date of this Notice;
- (c) the class of securities proposed to be issued are ordinary shares in the Company, and the numbers are as follows:
 - Resolution 4: Andrew Vigar – up to 135,000;
 - Resolution 5: Haydn Lynch – up to 135,000;
 - Resolution 6: Doug Engdahl – up to 135,000; and
 - Resolution 7: Niv Dagan – up to 135,000.
- (d) the Fee Shares will be issued no later than one month after the date of the Meeting;
- (e) the consideration received by the Company for the Issues is the service provided by the Receiving Directors;
- (f) purpose of the Issues is to pay for the Receiving Directors' directors fees from 1 October to 31 December 2025;
- (g) details of the current remuneration packages of the Receiving Directors are set out above.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Shares under Resolutions 4 to 7 (which is a type of equity security, for the purposes of the Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

As Mr Andrew Vigar, Mr Haydn Lynch, Ms Mr Doug Engdahl and Mr Niv Dagan are current Directors of the Company, they are each considered “related parties” of the Company.

The Directors of the Company carefully considered the proposed issue of these Shares Mr Andrew Vigar, Mr Haydn Lynch, Ms Mr Doug Engdahl and Mr Niv Dagan and formed the view that the giving of this financial benefit to is on arm’s length terms, as the securities are proposed to be issues at an issue price of \$0.08 (8 cents) which is a 1.2% premium to the intra-day market price of Shares as traded on ASX on 15 October 2025 of \$0.079 (7.9 cents) at the time of preparing this Notice and consider this issue price to be on terms not more favourable than what would be negotiated with a non-related party accepting Shares as payment for fees in such circumstances or a non-related party investor investing capital into the Company.

Accordingly, the Directors of the Company believe that the proposed issue of these Shares fall within the “arm’s length terms” exception as set out in section 210 of the Corporations Act, and the Company and relies on this exception from the requirement to obtain Shareholder approval under Chapter 2E of the Corporations Act for the issue of the Shares.

Directors’ Recommendation

As the Directors of the Company are excluded from voting pursuant to the Listing Rules, they make no recommendation to the Shareholders in respect of these Resolutions. The Chair of the meeting intends to vote undirected proxies in favour of these Resolutions.

Voting Exclusions

The Company will disregard any votes cast in favour of these Resolutions by or on behalf of:

- (a) in relation to Resolution 4, Andrew Vigar, any of his associates, any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by being a shareholder in the Company), and any associate of such other person(s);
- (b) in relation to Resolution 5, Haydn Lynch, any of his associates, any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by being a shareholder in the Company), and any associate of such other person(s); and
- (c) in relation to Resolution 6, Doug Engdahl, any of his associates, any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by being a shareholder in the Company), and any associate of such other person(s).
- (d) in relation to Resolution 7, Niv Dagan, any of his associates, any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by being a shareholder in the Company), and any associate of such other person(s).

However, this does not apply to a vote cast in favour of a Resolution by:

- (a) a person as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair of the Meeting to vote on the Resolution as the Chair of the Meeting decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Also, in accordance with section 250BD of the Corporations Act, a vote must not be cast as proxy on these Resolutions by a member of the Key Management Personnel (as defined by the Corporations Act), or a closely related party of a member of Key Management Personnel, where that proxy appointment does not specify the way the proxy is to vote on the Resolution, and any such vote purported to be cast will be disregarded.

However, a person described above (a “KMP Voter”) may cast a vote on these Resolutions as a proxy, where the proxy appointment does not specify the way the proxy is to vote on the Resolution, if:

- (a) The KMP Voter is the chair of the meeting; and
- (b) the written appointment of the chair as proxy expressly authorises the chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

If you appoint the Chair of the Meeting as your proxy and you do not direct the Chair of the Meeting on how to vote, you will be expressly authorising the Chair of the Meeting to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a member of the KMP of the Company.

Resolution 8: Approval of 10% Placement Facility

Background

The Company is seeking Shareholder approval by way of a special resolution to have the ability, if required, to issue equity securities under the 10% Placement Facility. The effect of this resolution is to allow the Directors to issue equity securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company’s 15% Capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period (**15% Capacity**).

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% (**10% Placement Facility**) to 25%.

An ‘eligible entity’ for the purposes of Listing Rule 7.1A means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity for these purposes. Note however that if, on the date of the Meeting, the market capitalisation of the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution will no longer be effective and will be withdrawn.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without further Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% Placement Facility to issue equity securities without Shareholder approval provided for in LR 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Formula for Calculating the 10% Placement Facility – Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue at the commencement of the “relevant period” which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement.
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
 - (E) plus the number of partly paid shares that became fully paid in the relevant period;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

The ability of an entity to issue equity securities under Listing Rule 7.1A is in addition to the entity's 15% Capacity under Listing Rule 7.1. The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula stated above.

Type and Number of Equity Securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue the following classes of quoted equity securities:

ASX Security Code and Description	Total Number
T92: Fully Paid Ordinary Shares	146,575,546

Specific information required by Listing Rule 7.3A

Placement Period

The period for which the approval of the 10% Placement Facility will be valid (as set out in Listing Rule 7.1A.1) commences on the date of this Annual General Meeting and expires on the first to occur of the following:

- (a) the date that is 12 months after the date of this Annual General Meeting, being 29 November 2026;
- (b) the time and date of the Company's next Annual General Meeting; and

- (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

The Company will only issue and allot the equity securities approved under the 10% Placement Facility during the 10% Placement Period.

Minimum Issue Price and Cash Consideration

The equity securities will be issued for cash consideration at an issue price of not less than 75% of the VWAP for the Company's equity securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the equity securities are issued.

Purposes of the Funds Raised

The purposes for which the funds raised by an issue under the 10% Placement Facility under rule 7.1A.2 may be used by the Company include:

- (a) exploration costs and expenditure on the Company's projects;
- (b) acquisition of new resources, assets and investments (including expenses associated with such an acquisition);
- (c) general working capital.

Risk of Economic and Voting Dilution

If this resolution is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below.

Shareholders may be exposed to economic risk and voting dilution, including the following:

- (a) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this Annual General Meeting; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The dilution table below shows the potential dilution of existing Shareholders on the basis of the market price of its quoted ordinary securities as at 10 October 2025 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The dilution table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Dilution Table

Variable 'A' in Listing Rule 7.1A.2	Dilution Scenario	Assumed Issue Prices, based on:		
		50% decrease in Current Share Price \$0.043	Current Share Price \$0.086	100% increase in Current Share Price \$0.172
Current Variable A 146,575,546 Shares	10% Voting Dilution	14,657,554 Shares		
	Funds raised	\$630,274	\$1,260,549	\$2,521,099
50% increase in current Variable A 219,863,319 Shares	10% Voting Dilution	21,986,332 Shares		
	Funds raised	\$945,412.	\$1,890,824	\$3,781,649
100% increase in current Variable A 293,151,092 Shares	10% Voting Dilution	29,315,109 Shares		
	Funds raised	\$1,260,549	\$2,521,099	\$5,042,198

This dilution table has been prepared on the following assumptions:

- The Company issues the maximum number of equity securities available under the 10% Placement Facility;
- No convertible security is exercised and converted into ordinary securities before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of equity securities under the 10% Placement Facility consists only of ordinary securities.
- The Current Share Price is \$0.086 being the closing market price of the ordinary securities on ASX on 10 October 2025.

Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.
