### **ORDINARY BUSINESS**

#### **Voting Restriction**

As required by Section 250R of the Corporations Act, the Company will disregard any votes cast on Resolution 1 by key management personnel and any closely related party of any key management personnel as those terms are defined in section 9 of the Corporations Act 2001. However, the Company need not disregard a vote if:

- it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- it is cast by a person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides; or

#### **Resolution 2: Re-election of a Director**

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

### **SPECIAL BUSINESS**

#### **Resolution 3: Approval of Additional 10% Placement Facility**

To consider and, if thought fit, to pass the following resolution as a special resolution:

“That, for the purpose of Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 for the purpose and on the terms set out in the Explanatory Memorandum accompanying this Notice of Annual General Meeting.”

## **Voting Exclusion Statement**

The Company will disregard any votes cast in favour of Resolution 3 by or on behalf of:

- a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue of Equity Securities under the Additional 10% Placement Facility (except a benefit solely in the capacity of a holder of ordinary securities); or

- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

  - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

**Important note:** The proposed allottees of any Equity Securities under the Additional 10% Placement facility are not yet known or identified. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

## **Further Business**

To transact any further business that may legally be brought forward.

An Explanatory Memorandum to shareholders follows this Notice.

By Order of the Board

W Kernaghan  
Company Secretary  
22 October 2025

## EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of shareholders of Cassius Mining Limited (“Cassius” or “the Company”) in connection with the business to be transacted at the Annual General Meeting of shareholders of Cassius to be held at the Boardroom, Ground Floor, 3 Spring Street, Sydney, Australia at 11.30am (AEDT) on Friday, 28 November 2025.

The Directors recommend shareholders read the accompanying Notice of Annual General Meeting (“Notice”) and this Explanatory Memorandum in full before making any decision in relation to the resolutions.

### ITEM 1: Financial Statements

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the directors, the directors’ report, the remuneration report and the auditor’s report.

In accordance with amendments to the Corporations Act, the Company is no longer required to provide a hard copy of the Company’s annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company’s annual financial report unless specifically requested to do so, Shareholders may view the Company’s annual financial report on its website at [www@cassiusmining.com](http://www@cassiusmining.com)

#### Resolution 1: Adoption of Remuneration Report

The Corporations Act requires that at a listed company’s Annual General Meeting, a resolution that the remuneration report be adopted must be put to Shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company. The remuneration report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors’ report contained in the annual financial report of the Company for the financial year ended 30 June 2025. A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

#### Resolution 2: Re-election of a Director

The Constitution provides that at every annual general meeting, one third of the Directors must retire from office by rotation and are eligible for re-election. Mr James Arkoudis retires by rotation and is seeking re-election.

Mr Arkoudis boasts over twenty years commercial experience as a solicitor until 2013. Most recently he has developed an expertise in the mining Law and administrative practice of the mining sector in the Republic of Ghana. Mr Arkoudis also has wide experience in litigation matters including matters involving mining companies.

The Directors other than Mr Arkoudis recommend Shareholders vote in favour of his re-election.

#### Resolution 3: Approval of Additional 10% Placement Facility

##### Background

Listing Rule 7.1A enables an eligible entity to issue Equity Securities totalling up to 10% of its issued ordinary share capital through placements over a 12 month period following the entity’s annual general meeting at which a resolution under Listing Rule 7.1A is approved by a special resolution (**Additional 10% Placement Facility**). The Additional 10% Placement Facility is in addition to the Company’s 15% placement capacity under Listing Rule 7.1. If this resolution is not approved by shareholders then the Company will not be able to utilise the additional 10% placement facility. The Company will still be able to utilise its 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. The Company's market capitalisation is currently approximately \$26.4 million. The Company is an eligible entity as at the date of this Notice of Annual General Meeting and is expected to be an eligible entity as at the date of the Annual General Meeting.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility throughout the 12 months after the Annual General Meeting. The effect of Resolution 3 will be to allow the directors to issue Equity Securities under Listing Rule 7.1A during the period set out below (refer to section (c) under the Listing Rule 7.3A Requirements heading in this Explanatory Memorandum).

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the Annual General Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section (b) under the Listing Rule 7.3A Requirements heading of this Explanatory Memorandum below).

The Company is seeking a mandate to issue securities under the Additional 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

Equity Securities issued under the Additional 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of the Notice of Annual General Meeting, the Company has on issue one class of quoted Equity Securities, namely Shares.

### **Listing Rule 7.3A Requirements**

In compliance with the information requirements of Listing Rule 7.3A, Shareholders are advised of the following information:

#### **a. Minimum Issue Price**

The issue price of Equity Securities issued under Listing Rule 7.1A must be a cash consideration per Equity Security of not less than 75% of the volume weighted average price of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- i. The date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- ii. If the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above the date on which the Equity Securities are issued.

#### **b. Dilution**

As at the date of this Notice of Annual General Meeting, the Company has 694,218,951 Shares on issue. If Shareholders approve Resolution 3, the Company will have the capacity to issue approximately 69,421,895 Equity Securities under the Additional 10% Placement Facility in accordance with Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

**(A x D) – E**

where:

A has the same meaning as in Rule 7.1;

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by holders of its ordinary securities under rule 7.4; and

“relevant period” has the same meaning as in rule 7.1.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders’ voting power in the Company will be diluted as shown in the table below to the extent Shareholders do not receive any Shares under such issues. There is a risk that:

- i. the market price for the Company’s Equity Securities may be significantly lower on the date of the issue of the Equity Securities than the date of the Annual General Meeting; and
- ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company’s Equity Securities on the issue date.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable “A” calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Annual General Meeting.

The table (over page) also shows:

- i. two examples where variable “A” has increased by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rate entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable “A” in Listing Rule 7.1A.2		Dilution		
		\$0.019 50% decrease in Issue Price	\$0.038 Issue Price	\$0.057 50% increase in Issue Price
<b>Current Variable A</b> <b>694,218,951 Shares</b>	Shares issued	69,421,895 New Shares	69,421,895 New Shares	69,421,895 New Shares
	Funds raised	\$1,319,016	\$2,638,032	\$3,957,048
<b>50% increase in current Variable A</b> <b>1,041,328,426 Shares</b>	Shares issued	104,132,842 New Shares	104,132,842 New Shares	104,132,842 New Shares
	Funds raised	\$1,978,524	\$3,957,048	\$ 5,935,572
<b>100% increase in current Variable A</b> <b>1,388,437,902 Shares</b>	Shares issued	138,843,790 New Shares	138,843,790 New Shares	138,843,790 New Shares
	Funds raised	\$2,638,032	\$5,276,064	\$7,914,096

The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.

2. No Options are exercised into Shares before the date of the issue of the Equity Securities. The Company currently has no unquoted options on issue.
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
4. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
5. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% Placement capacity under Listing Rule 7.1.
6. The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
7. The issue price is \$0.038, being the closing price of the Shares on ASX on 10 October 2025.

c. Issue Period

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under Listing Rule 7.1A from the date of the Annual General Meeting until the earlier of the following to occur:

- i. The date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- ii. The time and date of the Company's next Annual General Meeting; and
- iii. The time and date of the approval by holders of the eligible entity's ordinary securities of a transaction under Listing Rule 11.1.2 or Rule 11.2.

**(the Additional 10% Placement Period).**

The Company will only issue and allot Equity Securities under the Additional 10% Placement Facility during the Additional 10% Placement Period.

d. Purpose of Issues

The Company will seek to issue the Equity Securities for cash consideration which is mandatory. In such circumstances, the Company intends to use the funds raised on continued exploration expenditure and/or general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the Additional 10% Placement Facility in compliance with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.3.

e. Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- i. the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- ii. the effect of the issue of the Equity Securities on the control of the Company;
- iii. the financial situation and solvency of the Company; and
- iv. advice from corporate, financial, and broking advisers (if applicable).

No issue will be made to any related party.

f. Previous issues

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting on 22 November 2024.

On 16 January 2025 the Company issued 100,040,000 fully paid shares at \$0.01 each to raise \$1,000,000 (before expenses) under a placement to investors pursuant to Listing Rule 7.1 (60,040,000 shares) and 7.1A (40,000,000 shares) in the 12 months preceding the date of the General Meeting. The basis on which investors that participated in the placement under ASX Listing Rule 7.1 and Listing Rule 7.1A was by a placement. The participants were identified by the Company. The Company has spent the funds raised and these funds have been used for the Soalara Project in Madagascar, exploration,, Ghanaian litigation claim, review new projects and for working capital.

On 16 April 2025 the Company issued 35,461,123 fully paid shares at \$0.015 each to raise \$531,917 (before expenses) under a placement to investors pursuant to Listing Rule 7.1 (21,260,674 shares) and 7.1A (14,200,449 shares) in the 12 months preceding the date of the General Meeting. The basis on which investors that participated in the placement under ASX Listing Rule 7.1 and Listing Rule 7.1A was by a placement. The participants were identified by the Company. The Company has not spent all the funds raised and these funds will be used to advance its various exploration projects, review new projects and for working capital.

In accordance with listing rule 7.3A.6(a) details of the total number of equity securities issued in the past 12 months preceding the date of the meeting and the percentage those issues represent of the total number of equity securities on issue at the commencement of the 12 month period are as follows: Equity securities issued in prior 12 month period	135,501,123
Percentage previous issues represent of total number of equity securities on issue at commencement of 12 month period	24.99%

The Company obtained Shareholder approval under Listing 7.1A at a general meeting on 11 July 2025. Since this date no shares have been issued.

g. Voting exclusion statement

A voting exclusion statement for Resolution 3 is included in the Notice of Annual General Meeting preceding this Explanatory Memorandum.

At the date of the Notice of Annual General Meeting, the Company has not approached any particular existing security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. Accordingly, the proposed allottees of any Equity Securities under the Additional 10% Placement Facility are not as yet known or identified.

In these circumstances, for a person's vote to be excluded it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

**Board Recommendation**

The Board believes that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months after the Annual General Meeting. Accordingly, the Board unanimously recommend that Shareholders approve Resolution 3.
