**CORPORATE GOVERNANCE STATEMENT - 2025**

This Corporate Governance Statement has been approved by the Board of the Company.

This Corporate Governance Statement discloses the extent to which the Company has followed the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (4<sup>th</sup> edition) (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that have not been followed as at the date of this Corporate Governance Statement have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of compliance with the relevant Recommendation during that period.

The Company has adopted a Corporate Governance Pack which provides the written terms of reference for the Company's corporate governance duties.

The Company's corporate governance policies and procedures are available on the Company's website at [octavaminerals.com/governance](http://octavaminerals.com/governance).

The Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The Company's Board Charter and Remuneration and Nomination Committee Charter (both contained in the Company's Corporate Governance Pack) requires appropriate checks are undertaken before appointing a person, or putting forward to security holders a candidate for election, as a Director. <b>Recommendation 1.5</b>	<p>A listed entity should:</p> <p>(a) have and disclose a diversity policy;</p> <p>(b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and</p> <p>(c) disclose in relation to each reporting period:</p> <p>(1) the measurable objectives set for that period to achieve gender diversity;</p> <p>(2) the entity's progress towards achieving those objectives; and</p> <p>(3) either:</p> <p>(A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or</p> <p>(B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.</p> <p>If the entity was in the S&amp;P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.</p>	No	<p>(a) The Company has adopted a Diversity Policy which provides a framework for the Company to establish and achieve measurable diversity objectives, including in respect of gender diversity. This is due to the current size and scale of the Company and its operations not, in the view of the Board, being sufficient to warrant the Company engaging further personnel at this time.</p> <p>(d) If it becomes necessary for the Company to engage further personnel in the future, the Board considers that the application of a measurable diversity objective may, given the small size of the Company and the Board and senior management, unduly limit the Company from applying the Diversity Policy as a whole and the policy of the Company of appointing personnel based on skills and merit.</p> <p>(e) The Company, in keeping with the recommendations of the Corporate Governance Council, provides the following information regarding the proportion of gender diversity in the organization at 30 June 2025:</p> <table border="1" data-bbox="1153 834 2024 1150"> <thead> <tr> <th></th> <th>Proportion of Female / Total Number of Persons Employed<sup>1</sup></th> </tr> </thead> <tbody> <tr> <td>Females employed in the Company as a whole</td> <td>2/7</td> </tr> <tr> <td>Females employed in the Company in senior executive positions</td> <td>0/1</td> </tr> <tr> <td>Females appointed as a Director of the Company</td> <td>0/4</td> </tr> </tbody> </table> <p><sup>1</sup> Includes contractors engaged on a regular basis</p>		Proportion of Female / Total Number of Persons Employed <sup>1</sup>	Females employed in the Company as a whole	2/7	Females employed in the Company in senior executive positions	0/1	Females appointed as a Director of the Company	0/4

<sup>1</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
