Placement Details

AuKing has received binding commitments for a placement to sophisticated investors and clients of GBA Capital Pty Ltd comprising 80,000,000 new fully paid ordinary shares in the Company at an issue price of \$0.005 per share ("Placement Shares") together with free-attaching options to raise A\$400,000 (before issue costs).

The Placement will be completed by the Company utilising its existing share placement capacity under ASX Listing Rule 7.1A.

The Placement also includes the offer, subject to obtaining shareholder approval, of free attaching options ("Placement Options") to be issued on the basis of one option for every two

Placement Shares issued (being a total of 40,000,000 options) with an exercise price of \$0.006 and expiring on 31 December 2026 (“\$0.006 Options”).

The funds received by the Company under the Placement are to be utilized for the following purposes:

- Working capital; and
- Costs of the Placement.

GBA Capital acted as the Lead Manager to the Placement and will be remunerated as follows:

- A capital raising fee of 6% on all funds raised under the Placement; and
- A total of 10,000,000 \$0.006 Options to be issued subject to AuKing shareholder approval.

The Company proposes to convene an extraordinary general meeting to be held in January 2026 (“EGM”) for the purposes of seeking shareholder approval for the proposed options issued contemplated by the Placement and to the Lead Manager.

Orion Cloncurry Acquisition Update

AuKing provided an update on 6 November 2025 in relation to the efforts of Orion Resources Pty Ltd (“Orion”) to complete the acquisition of the various Cloncurry Gold Project assets. At the present time there is no further definitive information available to AuKing other than that discussions and correspondence are ongoing in relation to the proposed acquisition.

In parallel, AuKing is continuing to assess and evaluate additional project opportunities within the broader Cloncurry region. This work forms part of the Company’s ongoing strategy to secure prospective gold assets and ensure alignment with its overall growth objectives.

We intend to keep the market informed as to further developments as soon as they occur.
