<b>Event Details:</b>	Lion Rock Minerals Ltd (ASX:LRM) Investor Webinar
<b>Date / Time:</b>	Thursday, 27 November 2025 at 10am AWST (1pm AEDT).
<b>Registration:</b>	<a href="http://webinar.lionrockminerals.com.au">http://webinar.lionrockminerals.com.au</a>

After registering you will receive a confirmation email containing information about joining the webinar.

Lion Rock has been making strong progress at its Minta Project in Cameroon, with significant rutile results and rare-earth mineralisation across an impressive scale recently reported. The Company is also pleased to discuss the recent 5% strategic investment and partnership with Tronox Holdings plc (NYSE: TROX), one of the world's largest fully integrated producers of titanium dioxide and zircon that is also actively pursuing expansion in the monazite-derived rare-earth value chain.

In this webinar, Casper Adson will provide insights into:

- Recent reconnaissance drilling results for rutile
- The identification of a monazite rare-earths at Minta Est
- The 5% strategic investment from Tronox
- Next steps for exploration at the Minta Project

A recording of the webinar will be available on the Company's website shortly after the live session.
