Progress in PropertyVAULT Insurance Services

Larger trial with Second Tier 1 Insurance Company Under Way

- **Online report** - Stolen insured assets uploaded to PropertyVAULT insurance portal
- **Locate** - Identify possible match via public and police reports and PropertyVAULT's search mechanisms and investigations
- **Recovery** - Verify match and manage police liaison to facilitate recovery
- **Salvage** - Assist insurers to facilitate salvage and sale

Progress in PropertyVAULT Insurance Services

10

Tier 1 Insurance Company Trial - Progress

- Early results have been positive and demonstrate the scalability of the service across the insurer's national portfolio.
- The Group expects to generate increasing revenue in 26 from recoveries under this expanded engagement.
- To support growth, the Company is strengthening its in-house operations team to manage higher claim volumes while maintaining service quality.

Looking Forward – Capital Management

- Maintain healthy cash position with no interest-bearing debt.
- Board will consider trading environment and future business needs before making significant capital decisions.
- Board's long-term preference is to achieve a steady dividend stream.

Looking Forward – Business Growth

- **Leverage international market opportunities to expand microdot technology deployment and manufacturing reach.**
- **Advance discussions with major insurers and specialist lines to secure formal data-exchange arrangements and commercial agreements for PropertyVAULT.**
