

APPOINTMENT OF NEW CHIEF FINANCIAL OFFICER

PlaySide Studios ("PlaySide", "the Company") is pleased to announce the appointment of Mr Colin Lai as Chief Financial Officer and Company Secretary. Colin will assume the role on 2 March 2026 following the retirement of Mr Darren Briggs which was announced at the Company's Annual General Meeting in October 2025. Darren will be responsible for the preparation and lodgement of the Company's half yearly results and will be available to assist with an orderly transition.

Colin is a senior finance and governance executive with 15 years' experience across ASX-listed and multinational organisations. He most recently served as Chief Financial Officer and Company Secretary of MyEco Group Ltd (ASX: MCO), and was previously Group Financial Controller at BWX Limited. He has also held finance roles at National Australia Bank, Iress and Treasury Wine Estates.

Colin brings significant experience across corporate and commercial finance, strategic planning, capital management, governance and corporate compliance, and mergers and acquisitions. He is a Chartered Accountant (CA ANZ) and a Fellow of the Governance Institute of Australia (FGIA).

I am excited to welcome Colin Lai to PlaySide as our new CFO. With several senior hires being negotiated at the moment, this role is a key part of our broader initiative to position the business for strong execution in the years ahead.

As we advance our ambitions in Original IP and focus on scaling our External Projects division, having someone like Colin - experienced and keen to make a difference - is essential. His role will be critical in helping us build a stronger balance sheet and sustainable growth in earnings and cash flow, and I am looking forward to partnering with him as we enter this next phase of our journey.
