Polymetals Resources Ltd (ASX: POL) (Polymetals or the Company) is pleased to announce it has received firm commitments for a \$34.4 million placement through the issue of new shares at \$0.87 per share.

Polymetals Executive Chairman Dave Sproule said:

Polymetals anticipates a strong period of news flow supported by rising production cashflow and ongoing exploration success from near-mine and regional targets.

Across the March quarter of 2026, mining rates will increase materially from the high-grade silver Upper North Lode, with the Company well placed to take advantage of strong silver pricing.”

Use of Funds

- **Fast-Track Regional Exploration.** Drilling of regional silver-lead-zinc, gold and copper-gold targets.
- **Secure Balance Sheet.** Strengthen the balance sheet alongside the recently announced additional standby credit facilities.
