

G50 Corp Upgrades to OTCQX Enhancing Accessibility for U.S. Investors

- **G50 Corp Limited has advanced to the OTCQX® Best Market, the highest tier of the OTC Markets Group**
- **Trading on the OTCQX enhances accessibility for U.S. institutional and retail investors to gain exposure through G50 Corp to strategically important base metals as well as critical minerals such as Gallium.**

G50 Corp Limited (G50 Corp or the Company) (ASX:G50, OTCQX:GFTYF) confirms that trading has commenced on the OTCQX Best Market under the ticker "GFTYF". U.S. investors are now able to access the Company's current financial disclosures along with real-time Level 2 quotations.

The OTCQX market is the highest tier of the OTC Markets Group on which over 12,000 U.S. and global securities trade and is intended for established domestic and international companies that meet elevated financial, governance and regulatory standards. Admission to OTCQX requires companies to demonstrate strong compliance practices and a clear commitment to transparency.

The cross-trading of G50 Corp's ordinary shares on OTCQX is expected to enhance the visibility and accessibility of its shares to U.S. investors, who will also benefit from greater liquidity from a broader pool of potential investors globally.

Commenting on the upgrade to OTCQX G50 Corp's Managing Director, Mark Wallace, said:

"G50 Corp achieved significant progress in 2025, highlighted by a major precious metal's discovery at Golconda, Arizona and promising gold intercepts at White Caps, Nevada.

With the upgrade to OTCQX, we continue building the Company's international shareholder base by further enhancing the accessibility and visibility of our shares to both U.S. institutional and retail investors.

More investors now have a pathway to participate in G50 Corp's growth and gain exposure to strategically important gold, silver, base metals as well as critical minerals such as Gallium. We look forward to welcoming new U.S. investors as shareholders."
