**About Pure One Corporation Limited**

Pure One is a multi-technology company seeking to become a leader in the development of zero-emissions (ZE) vehicles and energy projects. Its portfolio spans battery-electric, hydrogen and hybrid technologies, supported by plans to supply domestically sourced clean hydrogen fuel in Australia and internationally. Pure One is expanding its battery electric range, including battery-swap technology, while delivering practical transition pathways for commercial customers.

Concurrently, the Company is developing natural gas projects directly in Australia and indirectly in Botswana through a strategic investment it holds in Botala Energy (ASX: BTE), a Botswana-focused energy company listed on the ASX.

Strategically, Pure One will also prioritise incubation for early-stage companies or projects within the clean energy sector, with the aim of realising profits from those investments. For further information see [www.pure1corp.com](http://www.pure1corp.com).
