ASX Announcement

Completion of Strategic NSW Copper-Gold-Silver-Lead-Zinc project portfolio acquisition

Kingfisher Mining Limited (ASX:KFM) (KFM or the Company) is pleased to announce that it has completed the acquisition for a portfolio of early stage to advanced Copper-Gold, Gold and Silver Lead Zinc projects located in the Broken Hill, Cobar and the Macquarie Arc regions in NSW (refer to KFM ASX Announcement dated 25 July 2025) from Austin Metals Limited (ASX : AYT), following shareholder approval received at the Annual General Meeting (**AGM**) held on 13 October 2025, completion of legal, technical and financial due diligence, and all other conditions precedent being satisfied (or waived).

HIGHLIGHTS:

- **Shareholder approval for the acquisition of the NSW Copper-Gold-Silver-Lead-Zinc Project was received at the KFM AGM held on 13 October 2025.**
- **All agreements and documents have been duly executed.**
- **The Company has issued the consideration securities related to the acquisition.**
- **The company will immediately advance its Broken Hill Project. A drilling rig is currently being mobilised to commence drilling at Copper Blow.**
- **Post-acquisition and upon completion of the associated capital raise the Company will have a cash balance of approximately \$2.7M (including approximately \$200,000 in ASX investments).**

Managing Director, Christopher Bittar, commented:

"The completion of the NSW Project acquisition is a significant milestone for KFM. This strategic asset portfolio provides us with a compelling exploration opportunity—giving immediate exposure to a pipeline of early-stage and advanced, critical and precious metal targets in three proven NSW mining districts. We are excited to commence exploration immediately, with drilling expected to begin at the Copper Blow Project this month.

This announcement has been authorised by the Board of Directors of the Company.
