

Update in Relation to Legal Proceedings

Dateline Resources Limited (**Dateline** or **the Company**) refers to its previous ASX release dated 9 December 2025 in relation to an announcement by US 1 Critical Minerals Limited (ASX: USC), a company previously known as Gladiator Resources Limited (**USC/Gladiator**) in which USC/Gladiator indicated that it had commenced legal proceedings against Dateline's CEO, Mr Stephen Baghdadi, in an attempt to procure the transfer of certain Rare Earth Elements (**REE**) tenements in the USA.

Further to the Company's ASX release dated 9 December 2025, the Company notes that a preliminary hearing was held yesterday in the Federal Court of Australia before Justice Beach.

No findings were made by the Court, but rather a timetable was agreed under which USC/Gladiator is required to provide further information regarding its claim, pending a further hearing on 23 December 2025. Until then, Stephen Baghdadi, on behalf of Dateline, agreed to maintain the status quo in relation to the tenements that are subject to USC/Gladiator's claims.

The Board of Dateline confirms further that any legal proceedings against the Company and/or its CEO by USC/Gladiator will be vigorously defended.

This ASX announcement has been authorized for release by the Board of Dateline Resources Limited.

* The Company confirms that it is not aware of any new information or data that materially affects the information included in the announcements dated 23 October 2024 (with regard to the MRE) and 23 May 2025 (with regard to Project Economics). Similarly, the Company confirms that all material assumptions and technical parameters underpinning the estimates referred to in those previous announcements continue to apply and have not materially changed.

About Dateline Resources Limited

Dateline Resources Limited (ASX: DTR, OTCQB: DTREF, FSE: YE1) is an Australian company focused on mining and exploration in North America. The Company owns 100% of the Colosseum Gold-REE Project in California.

The Colosseum Gold Mine is located in the Walker Lane Trend in East San Bernardino County, California. On 6 June 2024, the Company announced to the ASX that the Colosseum Gold mine has a JORC-2012 compliant Mineral Resource estimate of 27.1Mt @ 1.26g/t Au for 1.1Moz. Of the total Mineral Resource, 455koz @ 1.47/t Au (41%) are classified as Measured, 281koz @1.21g/t Au (26%) as Indicated and 364koz @ 1.10g/t Au (33%) as Inferred.

On 23 May 2025, Dateline announced that updated economics for the Colosseum Gold Project generated an NPV_{6.5} of US\$550 million and an IRR of 61% using a gold price of US\$2,900/oz.

The Colosseum is located less than 10km north of the Mountain Pass Rare Earth mine. Planning has commenced on drill testing the REE potential at Colosseum.

Dateline has also acquired the high-grade Argos Strontium Project, also located in San Bernardino County, California. Argos is reportedly the largest strontium deposit in the U.S. with previous celestite production grading 95%+ SrSO₄.

Forward-Looking Statements

This announcement may contain “forward-looking statements” concerning Dateline Resources that are subject to risks and uncertainties. Generally, the words “will”, “may”, “should”, “continue”, “believes”, “expects”, “intends”, “anticipates” or similar expressions identify forward-looking statements. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those expressed in the forward-looking statements. Many of these risks and uncertainties relate to factors that are beyond Dateline Resources’ ability to control or estimate precisely, such as future market conditions, changes in regulatory environment and the behaviour of other market participants. Dateline Resources cannot give any assurance that such forward-looking statements will prove to have been correct. The reader is cautioned not to place undue reliance on these forward-looking statements. Dateline Resources assumes no obligation and does not undertake any obligation to update or revise publicly any of the forward-looking statements set out herein, whether as a result of new information, future events or otherwise, except to the extent legally required.

Company Confirmations

The Company confirms it is not aware of any new information or data that materially affects the information included in the announcements dated 23 October 2024 with regard to the Colosseum MRE and 23 May 2025 with regard to Colosseum Project Economics. Similarly, the Company confirms that all material assumptions and technical parameters underpinning the estimates and the forecast financial information referred to in those previous announcements continue to apply and have not materially changed.
