About IODM

IODM is a leading accounts receivable (AR) solution that utilises digital technology to optimise automation. The IODM connect platform delivers a fully integrated end-to-end AR process that supports customers with invoicing, query management, payment reminders, escalation, analytics and more. The connect platform drives increased client productivity and timely payments while reducing costs, minimising human error and decreasing bad and doubtful debt provisioning. The solution is a customisable application that seamlessly integrates with any accounting ERP software package. IODM operates globally and is headquartered in Melbourne, Australia.
