

ASX Announcement | 16 December 2025
Freedom Care Group Holdings Limited (ASX:FCG)

Appendix 2A – Late Lodgement Notice

Freedom Care Group Holdings Limited (the Company) (ASX: FCG) refers to the release of 83,533,335 shares from escrow which was to be on 30 November 2025. These shares were subject to escrow for a period of 24 months commencing from the date of quotation of the company.

The Company notes that pursuant to Listing Rule 3.10A, it did not notify the ASX of the voluntary escrow period ending within the required time frame, being not less than 5 business days prior to the end of the escrow period and did not lodge the Appendix 2A in a timely manner. It should be noted that the escrowed shares can't be immediately traded on market due to FCG's ongoing suspension.

The Company notes that the above were the result of administrative oversight and an Appendix 2A in relation to the quotation of the shares has now been lodged. Also the late lodgement of various Appendix 2A's and Appendix 3H following the expiry of the unlisted options on 27 November 2025 lodged on 15 December 2025. The Company took immediate action to complete and lodge the Appendix 2A's and Appendix 3H as soon as it became aware of the oversight.

The Company and Directors are aware of the requirements under the ASX Listing Rules, and the Company considers this an isolated incident and the commitment of on-time lodgement of future forms.

This announcement has been authorised by the Board of Freedom Care Group Holdings Limited.

Yours faithfully
