A replay will also be made available on the Company's website after the conclusion of the webinar/call.

### **About Sierra Nevada Gold (SNX)**

Sierra Nevada Gold (SNX) is a listed ASX company actively engaged in the exploration and acquisition of precious and base metal projects in the highly prospective mineral trends. The Company is exploring five 100%-controlled projects in Nevada, comprising four gold and silver projects and a large copper/gold porphyry project, all representing significant discovery opportunities for the company. As Safra is complementary to SNX's Nevada projects as it allows field work to occur in KSA when seasonal factors limit field work in Nevada.

This announcement was authorised for release by Mr Peter Moore, Executive Director of the Company.
