ASX RELEASE

Filing of Application for Toll Price Increase at Dulles Greenway

Atlas Arteria (**ASX:ALX**) today announces that on 16 December 2025 (USA) an application seeking approval for an increase in the maximum level of tolls for the Dulles Greenway (the **Greenway**) was filed. Under the Virginia Highway Corporation Act of 1988, a toll increase requires approval by the State Corporation Commission (**SCC**). The Greenway's application follows a number of stakeholder working group sessions with the Virginia Department of Transportation, the Attorney General's Office, Loudoun County, and SCC staff.

The primary pricing request is outlined in the table below:

	Current Maximum Toll Rate (two-axle vehicles)	Proposed Increase (Primary)
Peak	US\$5.80	US\$0.95
Off Peak	US\$5.25	US\$0.35

Secondary and alternative pricing requests have also been submitted for consideration by the SCC and are outlined in the application. A copy of the application and supporting materials are available on the Atlas Arteria website ([2025 Dulles Greenway Rate Case Application](#)). The Greenway has not been granted a peak toll increase since April 2019. The last approved off-peak toll increase took effect on 1 January 2022.

The SCC is expected to take comments from the public and interested parties on the application. There is no statutory deadline for a decision from the SCC. If granted, the approved toll increase takes effect immediately.
