Development Approval Received for Collie Facility

International Graphite Limited (ASX: IG6) (FWB: H99) is pleased to advise that the Company has received Development Approval (DA) for its proposed downstream graphite processing facility in Collie, Western Australia.

The approval marks another milestone in the Company's strategy to establish a fully integrated graphite production capability in Western Australia.

International Graphite's builder, Prosser Built, has their designers and specialist consultants working with the Company's equipment providers to finalise the detailed architectural designs and engineering drawings required for building permits.

The Company will continue to update shareholders as further milestones are achieved.

This announcement has been authorised for release by the Board of International Graphite Limited.
