**About Pure One Corporation Limited**

Pure One Corporation Limited (ASX: P1E) is a clean technology company focused on delivering zero-emission mobility and energy solutions. Building on its legacy in hydrogen technologies. Pure One has expanded into battery-electric vehicles and battery-swap solutions, creating commercial and sustainable value for customers across Australia and beyond.

The Company continues to support hydrogen fuel as a domestically sourced clean energy option while offering innovative multi-technology solutions that enable commercial fleets to transition to zero-emission operations.

Concurrently, the Company is developing natural gas projects directly in Australia and indirectly in Botswana through a strategic investment it holds in Botata Energy (ASX: BTE), a Botswana-focused energy company listed on the ASX.

Strategically, Pure One will also prioritise incubation for early-stage companies or projects within the clean energy sector, with the aim of realising profits from those investments. For further information see [www.pure1corp.com](http://www.pure1corp.com).

**Forward-Looking Statements** This announcement may contain ‘forward looking statements’ concerning the financial conditions, results of operations and business of the Company. All statements other than statements of fact are or may be deemed to be ‘forward looking statements’. Often, but not always, ‘forward looking statements’ can be identified by the use of forward looking words such as ‘may’, ‘will’, ‘expect’, ‘intend’, ‘plan’, ‘estimate’, ‘anticipate’, ‘continue’, ‘outlook’, and ‘guidance’ or other similar words, and may include, without limitation, statements regarding plans, strategies and objectives of management, future or anticipated production or construction commencement date and expected costs, resources and reserves, exploration results or production outputs.
