SUSPENSION FROM OFFICIAL QUOTATION

NT Minerals Limited (ASX: NTM) ("NT Minerals", "NTM" or "the Company") advises that the ASX intends to suspend quotation of the Company's securities with effect from close of trading on Wednesday 31 December 2025.

ASX has determined that NTM's present level of operations do not warrant the continued quotation of its securities at this time under ASX Listing Rule 12.1.

As a consequence of the suspension, shareholders will not be able to trade shares in NTM's from the commencement of trading on Friday, 2 January 2026. Private off-market trading will still be possible.

The Company will continue to be suspended under ASX Listing Rule 17.3 until such time as compliance with ASX Listing Rule 12.1 is demonstrated to the satisfaction of the ASX. Despite the suspension of trading, NTM will remain listed on the ASX and continue to meet its continuous disclosure obligations and communicate with shareholders in accordance with the ASX Listing Rules.

The Company continues to prepare for exploration activities to be conducted on its existing projects and actively review other complimentary opportunities.

The Board will continue to keep shareholders informed and actively liaise with ASX regarding the conditions to be satisfied for NTM's shares to be reinstated to trading.

This announcement was approved and authorised for issue by the Board of NT Minerals.
