The Company advises Slide 17 of the Presentation contained updated forecast financial information relating to the Company's Production Plan, which was presented using A\$107.5/oz Silver and A\$6.500/oz gold price assumptions.

As disclosed in the footnote to Slide 17, the Production Plan financial forecasts previously released to ASX on 30 May 2025 and 5 August 2025 were based on A\$50/oz Silver and A\$5,000/oz gold price assumptions.

ASX has advised the inclusion of the updated forecast financial information is based on materially different commodity price assumptions and without an updated scoping study that re-assesses the material assumptions underpinning the project economics in accordance with ASX Listing Rules 5.16 and 5.17, the Company cannot rely on Listing Rule 5.19 in relation to this information.
