About Connexion Mobility

Connexion is a public, enterprise-grade, mobility software company servicing the global Automotive Retail industry. Its mission is to be the Connexion between Fleet Owners and the Future of Mobility, starting with courtesy transportation.

The Company’s proprietary OnTRAC and Connexion platforms incorporate embedded telemetry, fleet management, contract management and data analytics tools to help OEMs and dealerships move people, parts, and vehicles.

Connexion powers courtesy transportation for thousands of dealerships across the US, maximising their asset utilisation and increasing operational efficiency, whilst elevating the end-customer experience.
