## Drilling Update on the Cinto Copper Project, Peru

**Solis Minerals Limited (ASX:SLM) (“Solis Minerals” or the “Company”) provides an update on its 100%-owned Cinto Copper Project in Peru.**

The Company’s drilling permit (*Ficha Técnica Ambiental* – FTA) was granted on 4 December 2025 following approval of all required archaeological, community, and cultural studies. Subsequent to the grant of the FTA, the Ministry of Energy and Mines (“MINEM”) requested additional information relating to certain regional communities for which public survey data is incomplete, prior to the commencement of drilling.

Solis Minerals is in the process of submitting requested information and is working cooperatively with MINEM to facilitate commencement of drilling.

This announcement is authorised for release by the Board of Solis Minerals Limited.
