INFORMATION FOR SHAREHOLDERS

ELIGIBILITY TO VOTE

For the purpose of the Meeting, the Directors have determined that shares will be taken to be held by persons registered as shareholders of the Company as at **7:00 PM (Sydney time) on Wednesday, 18 February 2026**.

PROXIES

Each shareholder who is entitled to attend and vote at the EGM may attend and vote by proxy. A shareholder who is entitled to cast two or more votes may appoint not more than two proxies to attend and vote at the EGM on the shareholder's behalf.

A proxy need not be a shareholder of the Company and may be either an individual or a body corporate. Where two proxies are appointed by a shareholder, the shareholder may specify the proportion or number of votes which each proxy is entitled to exercise on a poll. If the appointment does not specify the proportion or number of the shareholder's votes, each proxy may exercise one half of the votes (disregarding fractions) on a poll.

Due to the voting exclusions and requirements referred to in this Notice, if you intend to appoint any member of the key management personnel for the Company (**KMP**) or any of their closely related parties as your proxy, you should direct your proxy how to vote on **Items 1 to 5** by marking either "For", "Against" or "Abstain" on the Proxy Form. If you do not direct such a proxy how to vote, they will **not** be able to vote an undirected proxy and your vote will not be counted. However, the proxy may vote if the proxy is the Chairman and the appointment expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of KMP.

Direction to Chairman: *If the Chairman of the Meeting is appointed, or taken to be appointed, as proxy, the shareholder can direct the Chairman of the Meeting to vote for or against or to abstain from voting on a resolution, by marking the appropriate box opposite the resolution on the Proxy Form. If a shareholder appoints the Chairman of the Meeting as proxy and does not direct the Chairman how to vote on **Items 1 to 5**, the shareholder is considered to have provided the Chairman of the Meeting with an express authority to vote the proxy in accordance with the Chairman's intention, even if the resolution is connected directly or indirectly with the remuneration of a member of KMP. **The Chairman intends to vote all available undirected proxies in favour of each of the proposed resolutions** if a poll is called on the relevant resolution.*

CORPORATE REPRESENTATIVES

A body corporate which is a shareholder, or the proxy of a shareholder may appoint an individual as its representative to exercise all or any of its powers that it could exercise at the Meeting. The representative should bring to the meeting original documentary evidence of his or her appointment, including any authority under which the appointment is signed.

VOTING EXCLUSION

The following voting exclusions apply with respect to Resolution 1, Resolution 2, Resolution 3, Resolution 4 and Resolution 5 (**Resolutions**):

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast in favour of:

- Resolution 1, by or on behalf of any person who is eligible to participate in the Loan Funded Share Plan or any associate (as defined in the ASX Listing Rules) of those persons;
- Resolution 2, by or on behalf of any person who is eligible to participate in the Loan Funded Share Plan or any associate (as defined in the ASX Listing Rules) of those persons;
- Resolution 3, by or on behalf of Mr Paul Brittain or any of his associates;
- Resolution 4, by or on behalf of Mr Glen Everett or any of his associates; and
- Resolution 5, by or on behalf of Mr Ian Pratt or any of his associates.

However, this does not apply to a vote cast in favour of any of the Resolutions by:

- a person as proxy or attorney for a person who is entitled to vote on that Resolution, in accordance with directions given to the proxy or attorney to vote on this Resolution in that way; or
- the Chair of the meeting as proxy or attorney for a person who is entitled to vote on that Resolution, in accordance with a direction given to the Chair to vote on that Resolution as the Chair decides; or
- a shareholder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the shareholder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on that Resolution; and
 - the shareholder votes on that Resolution in accordance with directions given by the beneficiary to the shareholder to vote in that way.

In accordance with section 250BD(1) of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on any of the Resolutions 1 to 5, if the person is either a member of the key management personnel for the Company (**KMP**) or any of their closely related parties, unless:

- the vote is cast by such person (including where such person is the Chair) as proxy for a person who is permitted to vote, and the appointment of the proxy specifies how the proxy is to vote on that Resolution; or
- the vote is cast by the Chair as proxy for a person who is permitted to vote, and the appointment of the Chair as proxy expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

PROXY DEADLINE

A Proxy Form and, if the Proxy Form is not signed by the shareholder, the power of attorney or other authority (if any) under which the Proxy Form is signed (or a certified copy of that power of attorney or other authority), must be received by the Share Registry at least 48 hours before the time for holding the Meeting – that is, **by 10:00 AM (Sydney time) on Wednesday, 18 February 2026**.

Documents may be lodged with the Share Registry either online, by mobile device, by mail, by fax or by hand as detailed on the Proxy Form.

QUESTIONS FROM SHAREHOLDERS

Shareholders are invited to register questions in advance of the EGM. If you would like further information on ASH or would like to ask a question of ASH at this EGM, you may submit your questions by email by completing a 'Lodge Your Questions' form to paul.brittain@ashleyservicesgroup.com.au.

Written questions must be received no later than 5 business days before the Meeting, being **5:00 PM (Sydney time) on Friday, 13 February 2026**.

The Chairman will endeavour to address as many of the more frequently raised questions as possible during the EGM. However, there may not be enough time to address all questions raised. Please note that individual responses will not be sent to shareholders.

EXPLANATORY NOTES

These Explanatory Notes have been prepared to assist Shareholders in deciding how to vote on the Resolutions. The Directors recommend shareholders read these Explanatory Notes in full before making any decision in relation to the Resolutions.

Resolution 1: Approval of Loan Funded Share Plan

The Board has adopted a Loan Funded Shares Plan for the purposes of incentivising, attracting, motivating and retaining executives and directors of the Company (including non-executive directors). The Company considers that the adoption of the Loan Funded Share Plan and the issue of Loan Funded Shares under the Loan Funded Share Plan will incentivise selected executives and non-executive directors by giving them the opportunity to participate in the future growth of the Company.

The Remuneration Committee carefully considered and engaged independent advisors to design the Loan Funded Share Plan which enables the Company to grant equity-based remuneration, the realisation of which will be linked to the retention of eligible persons.

The Board is committed to sustainable and long-term growth of the Company's business. The Board is of the view that the current Executive team is critical to delivering the Company's strategic objectives and that the Loan Funded Share Plan aligns management to the Company's long-term goals. The Loan Funded Share Plan ensures that incentives are available to the participants to align the interests of the participants with the interests of Shareholders.

As Mr Ross Shrimpton already holds Securities in the Company, Mr Ross Shrimpton's interests are adequately aligned with interests of Shareholders. Therefore, the Board has determined that Mr Ross Shrimpton will not be eligible to participate in the Loan Funded Share Plan.

The Board acknowledges that under Recommendation 8.2 of The Corporate Governance Principles and Recommendations (4th Edition), non-executive directors should generally not receive performance-based remuneration as it may lead to bias in their decision-making and compromise their objectivity. However, the Board considers the issue of Loan Funded Shares to non-executive director Mr Ian Pratt reasonable in the circumstances having regard to the size and level of operations of the Company, its cash reserves and importance to the Company of attracting and retaining non-executive Directors in a manner which does not unduly impact on the Company's cash resources.

Shareholder approval sought

The Company is seeking Shareholder approval of the Loan Funded Share Plan for the purposes of:

- Listing Rule 7.2 (Exception 13(b)), to permit the Company to issue up to a maximum of 2,600,000 Loan Funded Shares under the Loan Funded Share Plan over the next three years without reducing the Company's available placement capacity;
- section 257B and 257C of the Corporations Act, to permit the Company to buy-back any Loan Funded Shares issued under the Loan Funded Share Plan, where the terms of the relevant issue require or enable the Company to buy-back and cancel those shares;
- section 259B(2) of the Corporations Act, to permit the Company to acquire a security interest over any Loan Funded Shares issued under the Loan Funded Share Plan; and
- section 260C(4) of the Corporations Act, to permit the Company to issue Loan Funded Shares under the Loan Funded Share Plan without needing approval under the financial assistance provisions of the Corporations Act.

Listing Rule 7.2 (Exception 13(b))

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

ASX Listing Rule 7.2 (Exception 13(b)) provides that ASX Listing Rule 7.1 does not apply to an issue of securities (including rights) under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Resolution 1 seeks Shareholder approval for the issue of Loan Funded Shares under the terms of the Loan Funded Share Plan as soon as practical following Shareholder approval. The Company retains the ability to manage its capital requirements efficiently by ensuring that its ASX Listing Rule 7.1 capacity is not diminished by issues of Loan Funded Shares under the Loan Funded Share Plan.

If Resolution 1 is passed, the Company will be able to issue Loan Funded Shares under the Loan Funded Share Plan to eligible participants without reducing the Company's placement capacity.

It is important to note that this Resolution does not of itself authorise the issue of Loan Funded Shares to a related party (for example, a Director) or a person whose relationship with the company or the related party is, in ASX's opinion, such that approval should be obtained. Any such issues need to be specifically approved under ASX Listing Rule 10.14 (as sought in Resolutions 3 and 5).

If Resolution 1 is not passed, the Company will be able to proceed with issues of Loan Funded Shares under the Loan Funded Share Plan to eligible participants.

The following information is provided in accordance with ASX Listing Rule 7.2, Exception 13(b) which sets out the information that must be provided to Shareholders in order to obtain Shareholder approval under ASX Listing Rule 7.2:

- A summary of the key terms of the Loan Funded Share Plan is set out in Schedule 1.
- The Company has not issued any Loan Funded Shares under the Loan Funded Share Plan.
- The maximum number of Loan Funded Shares proposed to be issued under the Loan Funded Share Plan, following Shareholder approval, is 2,600,000 Loan Funded Shares within the next three years, representing 1.8% of the undiluted issued share capital of the Company as at the date of this Notice.

The maximum number stated above is not intended to be a prediction of the actual number of Loan Funded Shares that may be issued under the Loan Funded Share Plan – it is simply a ceiling for the purposes of ASX Listing Rule 7.2, Exception 13(b). The total number of Loan Funded Shares ultimately issued under the Loan Funded Share Plan within the next three years may be less than the maximum number stated above or may be more than the maximum number stated above (in which case the excess will count towards the Company's placement capacity under ASX Listing Rule 7.1).

The actual number of Loan Funded Shares that will be issued will be determined by the Board on the basis of (among other things) the number of persons the Board wishes to incentivise. Any issues of Loan Funded Shares will be in accordance with the terms of the Loan Funded Share Plan, the ASX Listing Rules and the Corporations Act.

- A voting exclusion statement in respect of Resolution 1 is set out in the section entitled "Voting Exclusions" of this Notice.

Sections 257B and 257C of the Corporations Act

Sections 257B and 257C of the Corporations Act set out the procedure for various forms of share buy-backs, including an employee share buy-back. In order for the Company to undertake a buy-back of any Loan Funded Shares issued under the Loan Funded Share Plan using this procedure (for example, where the terms of the relevant offer require the Company to do so), Shareholder approval under section 257B and 257C (as applicable) must be obtained.

The Company has no specific plans to undertake a buy-back of any Shares issued under the Loan Funded Share Plan. However, there may be circumstances where the Company will need to undertake a buy-back of Loan Funded Shares (e.g. in situations where Loan Funded Shares are forfeited or surrendered by Participants in accordance with their terms of issue) using the employee share buy-back procedure under the Corporations Act.

Section 259B(2) of the Corporations Act

Where the Company provides a loan to Participants to fund their purchase of Loan Funded Shares, the Company may wish to take security over the relevant Loan Funded Shares until such time as the loan is repaid or otherwise satisfied in full in accordance with the Loan Funded Share Plan.

Section 259B(1) of the Corporations Act prohibits a company taking security over shares in itself or in a company that controls it, unless one of the exceptions in sections 259B(2) or 259B(3) applies.

Relevantly, section 259B(2) of the Corporations Act permits the taking of security by the Company over the Loan Funded Shares if the Loan Funded Share Plan has been approved at a meeting of the Company's Shareholders.

Accordingly, Shareholder approval is being sought to the extent necessary to permit the Company to take security over Shares issued under the Loan Funded Share Plan if the Board considers doing so necessary or desirable.

Section 260C(2)

Under the Loan Funded Share Plan, the Company will provide limited recourse, interest-free and fee-free loans (each, an **Acquisition Loan**) to Participants to pay the issue price payable for the Loan Funded Shares. Such arrangements constitute the giving of financial assistance in relation to the acquisition of the Loan Funded Shares for the purposes of section 260A of the Corporations Act.

Section 260A of the Corporations Act provides that a company may financially assist a person to acquire shares in the company or a holding company of the company only if:

- the giving of the assistance does not materially prejudice the interests of the company or its shareholders, or the company's ability to pay its creditors; or
- the assistance is approved by shareholders under section 260B of the Corporations Act; or
- the assistance is exempted under section 260C of the Corporations Act, including if the assistance is given under an employee share scheme that has been approved by a resolution passed at a general meeting of the company.

Whilst the Board does not consider that the giving of financial assistance under the Loan Funded Share Plan would materially prejudice the interests of the Company or the Shareholders, or the Company's ability to pay its creditors, Shareholder approval is being sought to enable the Company to qualify for the exemption offered by section 260C of the Corporations Act referred to above.

Board recommendation

The Board does not make any recommendation to Shareholders in respect of Resolution 1 due to the Directors' (other than Mr Ross Shrimpton) potential or actual interest in the outcome of the Resolution.

Resolution 2: Approval of potential termination benefits under the Loan Funded Share Plan

We refer to the Explanatory Notes for Resolution 1 for information about the Loan Funded Share Plan.

Subject to Resolution 1 being passed, Shareholder approval is sought for the possible termination benefits which may be granted to Participants under the Loan Funded Share Plan for the purposes of Part 2D.2 of the Corporations Act and for all other purposes.

If Resolution 1 is not passed, Resolution 2 will not be put to the meeting.

Shareholder approval sought

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate (**Termination Benefit**) if it is approved by shareholders under section 200E of the Corporations Act or an exemption applies. Section 200B of the Corporations Act applies to managerial or executive officers of the Company who are eligible to participate in the Loan Funded Share Plan.

As set out in the terms of the Loan Funded Share Plan in Schedule 1, the Board has the discretion to vary or accelerate the vesting conditions which apply to Loan Funded Shares, including in the event of termination of employment in some circumstances. The exercise of this discretion may constitute a Termination Benefit for the purposes of Section 200B of the Corporations Act.

Accordingly, Shareholder approval is being sought for the purposes of sections 200B and 200E of the Corporations Act for the potential Termination Benefits which may be received by Participants who hold a managerial or executive office in the Company in connection with that Participants cessation of employment with the Company.

Section 200E of the Corporations Act requires for a valid approval of the shareholders:

- (a) a resolution must be passed at a general meeting of a company;
- (b) the notice of meeting must set out the details of the benefit including:
 - if the benefit is a payment the amount of the payment or how that amount can be calculated; or
 - if the benefit is not a payment, the monetary value, or if the value cannot be ascertained at the time of disclosure, the manner in which that value is to be calculated and any matter, event or circumstance that will, or is likely to, affect the calculation of that value; and
- (c) at the general meeting, a vote on the resolution must not be cast (in any capacity) by the recipient of the benefit or an associate.

Possible Termination Benefits

Passing of Resolution 2 does not guarantee that any Participant will receive a Termination Benefit in connection with the operation of the Loan Funded Share Plan but rather preserves the discretion of the Board to determine the most appropriate treatment in relation to Loan Funded Shares in the event a Participant ceases their office or employment with the Company under certain prescribed circumstances. The exercise of this discretion may constitute a 'benefit' for the purposes of section 200B of the Corporations Act and therefore requires approval in accordance with section 200E of the Corporations Act.

If Resolution 2 is not passed, the Company will not be able to offer any Termination Benefits to a person who holds a managerial or executive office under the Loan Funded Share Plan.

Acceleration or waiver of vesting conditions

The Board may in its discretion accelerate the vesting of all Loan Funded Shares or waive or vary any vesting conditions applicable to the Loan Funded Shares. Exercising the discretion in this manner may constitute a benefit which is not a 'payment' under section 200E(2)(b) of the Corporations Act.

The money value of the benefit cannot presently be ascertained as the value will be impacted by certain matters, events or circumstances. For the purposes of 200E(2)(b) of the Corporations Act, the value of the benefit at the time of cessation of employment can be determined by reference to the market price of the Loan Funded Shares at the time when they vest.

Matters, events or circumstances that will or are likely to have an impact on the value of the benefit include:

- the market price of Loan Funded Shares at the time they vest;
- the circumstances of the cessation of employment;
- the number of unvested Loan Funded Shares held at the time of cessation of employment; and
- the status of the vesting conditions.

Provided Shareholder approval is given at this general meeting of the Company, this Resolution 2 satisfies the requirements of section 200E of the Corporations Act by setting out the manner in which the value of the Termination Benefit or the amount of payment may be calculated, the matters, events or circumstances which may impact the value or amount of the Termination Benefit, and prohibits any person who is eligible to participate in the Loan Funded Share Plan or any associate (as defined in the ASX Listing Rules) of those persons from voting on the resolution.

If Resolution 2 is passed, the value of any Termination Benefits which may be received by Participants under the Loan Funded Share Plan may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved Termination Benefit will not count towards the statutory cap under the legislation).

In accordance with ASX Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

Recommendation

The Board does not make any recommendation to Shareholders in respect of Resolution 2 due to the Directors' (other than Mr Ross Shrimpton) potential or actual interest in the outcome of the Resolution.

Resolutions 3, 4 and 5 – Issue of Loan Funded Shares under the Loan Funded Share Plan

We refer to the Explanatory Notes for Resolution 1 for information about the Loan Funded Share Plan.

Subject to Resolution 1 being passed, the Company is proposing to issue the following Loan Funded Shares under the Loan Funded Share Plan (**Proposed Issues**):

Name	Role	Number of Loan Funded Shares proposed to be issued
Paul Brittain	Chief Financial Officer and Director	1,000,000
Glen Everett	Chief Operating Officer	1,500,000
Ian Pratt	Chair and non-executive Director	100,000
Total		2,600,000

A summary of the terms of the Loan Funded Share Plan is set out in Schedule 1, and a summary of the vesting conditions of the Loan Funded Shares to be issued under the Loan Funded Share Plan is set out in Schedule 2.

If Resolution 1 is not passed, Resolutions 3, 4 and 5 will not be put to the meeting.

ASX Listing Rules 10.11 and 10.14

ASX Listing Rule 10.11 requires a listed entity to obtain shareholder approval for the issue of securities to a related party, which includes a director of the Company.

ASX Listing Rule 10.12, Exception 8 provides that approval under ASX Listing Rule 10.11 is not required for an issue of equity securities under an employee incentive scheme made, or taken to have been made, with the approval of the issuing entity's shareholders under ASX Listing Rule 10.14.

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme unless the Company obtains the approval of its shareholders:

- a director of the company;
- an associate of a director of the company; or
- a person whose relationship with the company or a person referred to in ASX Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

If approval is given under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

Shareholder approval sought

The Proposed Issue in respect of Mr Paul Brittain and Mr Ian Pratt fall within ASX Listing Rule 10.14 and therefore require the approval of Shareholders. Resolutions 3 and 5 seek the required Shareholder approvals to the Proposed Issues for the purposes of ASX Listing Rule 10.14.

The Proposed Issue in respect of Mr Glen Everett does not fall within any of the categories under ASX Listing Rule 10.14 as Mr Glen Everett is not a Director or an associate of a Director nor does he have a relationship with the Company or another director or their associates which would require Shareholder approval under ASX Listing Rule 10.14. However, in the interests of good corporate governance, the Company seeks Shareholder approval in respect of the Proposed Issue to Mr Glen Everett.

Mr Paul Brittain and Mr Ian Pratt as Directors of the Company, and Mr Glen Everett as Chief Operating Officer of the Company (collectively, **Participants**), are entitled to participate in the Loan Funded Share Plan. The Board considers that the Proposed Issues are in the Company's interests as they further align the interests of the Participants with the interests of Shareholders in order to maximise Shareholder value by enabling the Participants to share in the future growth and profitability of the Company. The Proposed Issues are also a cost-effective way to appropriately incentivise the performance of the Participants in a manner which is consistent with the strategic goals and targets of the Company.

The proposed issue of Loan Funded Shares constitutes an equity-based incentive for the Participants.

The Participants will pay an amount equal to the 5 trading day volume weighted average price of Shares trading on the ASX up to and including the trading day immediately prior to the date of issue of the Loan Funded Shares (**5 Day VWAP**). However, the Company will not receive any cash payment as consideration for the issue of the Loan Funded Share, as their issue price will be funded by the Company granting a limited recourse, interest-free and fee-free Acquisition Loan to each of the Participants. The key terms of the Acquisition Loan are summarised in Schedule 3 to this Notice.

The Participants will be unable to dispose of their Loan Funded Shares until vesting has occurred.

The Loan Funded Shares will be eligible to receive dividends. However, 75% of any dividends received by Participants must be applied to repay the Acquisition Loan.

The Loan Funded Shares will vest in two tranches. The first tranche will vest if the Participants remain continuously employed by the Company until 1 January 2029 and the second tranche will vest if the Participants remain continuously employed by the Company until 1 January 2030 (**Vesting Conditions**). Further detail regarding the vesting of the two tranches and the Vesting Conditions is set out in Schedule 4 to this Notice.

If the Participant does not satisfy the relevant Vesting Conditions (i.e. if they cease their employment with the Company prior to the relevant date stated above) the unvested Loan Funded Shares will be forfeited at the time of cessation of employment. All forfeited Loan Funded Shares will be bought back by the Company on terms determined by the Board in its sole discretion.

If Resolution 3 is passed, the Company will be able to proceed with the proposed issue of Loan Funded Shares to Mr Paul Brittain and issue a total of 1,000,000 Loan Funded Shares to Mr Paul Brittain.

If Resolution 4 is passed, the Company will be able to proceed with the proposed issue of Loan Funded Shares to Mr Glen Everett and issue up to a total of 1,500,000 Loan Funded Shares to Mr Glen Everett.

If Resolution 5 is passed, the Company will be able to proceed with the proposed issue of Loan Funded Shares to Mr Ian Pratt and issue up to a total of 100,000 Loan Funded Shares to Mr Ian Pratt.

If either of Resolution 3 or 5 is not passed, the Company will not be able to proceed with the proposed issue of Loan Funded Shares the subject of the Resolution which did not pass.

Whilst Shareholder approval is not required in respect of Resolution 4, the Company will not proceed with the issue of Loan Funded Shares to Mr Glen Everett if Resolution 4 is not passed.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act, including where the benefit constitutes reasonable remuneration, considering the circumstances of the Company and of the related party receiving the benefit (see section 211 of the Corporations Act).

The Proposed Issue of the Loan Funded Shares to Mr Paul Brittain and Mr Ian Pratt constitutes giving a financial benefit to related parties of the Company due to their position as Directors of the Company.

The Board (with Mr Paul Brittain and Mr Ian Pratt abstaining) has considered the Proposed Issues and, considering the circumstances of the Company, the circumstances of the Participants, and the remuneration practices of other similar entities, considers that the financial benefits provided to the Participants by way of the Loan Funded Shares (together with the other elements of their remuneration packages) constitute reasonable remuneration. Accordingly, the Company relies on the exception under section 211 of the Corporations Act and approval under Chapter 2E of the Corporations Act is not being sought.
