ASX release

Worley provisionally named EPCM provider on Glenfarne's Alaska LNG project

Worley Limited (ASX: WOR) ("Worley") has been provisionally named in an announcement¹ by Glenfarne Alaska LNG, LLC ("Glenfarne"), a subsidiary of Glenfarne Group, LLC, to provide Engineering, Procurement, and Construction Management ("EPCM") services for Phase One of Glenfarne's Alaska LNG project. The conditional award remains subject to the signing of a definitive agreement. This follows Worley's successful completion of Phase One Front-End Engineering Design work at the end of 2025.²

"We are pleased to support Glenfarne on this important project, following the success of our work to date," said Chris Ashton, Worley CEO.

Authorized for release by Nuala O'Leary, Group Company Secretary.
