SUBJECT: DTI Group Ltd ('DTI'): Price and Volume - Query

Below are the responses to your questions and requests for additional information:

1. Is DTI aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

DTI response: DTI is not aware of any information concerning it that has not been announced to the market.

2. If the answer to question 1 is "yes".
 - a. Is DTI relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
 - b. Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
 - c. If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?

DTI response: Not applicable

3. If the answer to question 1 is "no", is there any other explanation that DTI may have for the recent trading in its securities?

DTI response: DTI is not aware of any reason for the price change and increase in the volume of securities traded.

4. Please confirm that DTI is complying with the Listing Rules and, in particular, Listing Rule 3.1.

DTI response: DTI is complying with the Listing Rules, in particular Listing Rule 3.1
