Quarterly Activities Report

31 December 2025

Earth's Energy Limited (ASX: **EE1**) (**EE1**, **Earth's Energy** or the **Company**) presents its Quarterly Activities Report for the 3 months ending 31 December 2025 (**Quarter**).

Process to Identify new Assets

As previously announced, following completion of a comprehensive review of the prospectivity and development potential of the Company's geothermal exploration licences (**Geothermal Exploration Licences**), including an independent assessment of the development opportunity associated with the Geothermal Exploration Licences undertaken by BDO, the Company determined that it was not in the best interests of Earth's Energy to continue to undertake exploration and development expenditure on the Geothermal Exploration Licences.

The Company has accordingly prioritised a process to identify and evaluate suitable resources projects and assets that have the potential to add shareholder value, while also maintaining the Geothermal Exploration Licences in good standing.

During the Quarter, the Company was notified by the Australian Securities Exchange (**ASX**) that any transaction to acquire a new project will require it to re-comply with chapters 1 and 2 of the ASX Listing Rules, and if Earth's Energy cannot demonstrate by 7 May 2026, that it has a level of operations sufficient for continued quotation of its securities in accordance with ASX Listing Rule 12.1, ASX will likely suspend trading in Earth's Energy's securities.

Corporate

Cash balance

The Company's cash balance at 31 December 2025 was \$2.8 million.

Appointment Non-Executive Chairman

In December, Mr David Wheeler, an independent, non-executive director of the Company, was appointed as Non-Executive Chairman. Mr Wheeler replaced Mr Grant Davey, who remains as an executive director of the Company.

Notice of Dispute

In December 2025, Earth's Energy received a Notice of Dispute from certain minority shareholders under the joint venture agreement in respect of its geothermal assets (**Joint Venture Agreement**).

The Notice of Dispute alleges breaches of the Joint Venture Agreement in relation to the management and funding of the joint venture. Earth's Energy does not accept the allegations and is responding to them in detail through the mechanisms provided for in the Joint Venture Agreement.

At this time, the Board does not consider that the Notice of Dispute is expected to have a material impact on the Company's operations or on previously announced guidance.
