SALE OF UNMARKETABLE PARCELS UPDATE

Ionic Rare Earths Limited (“IonicRE” or the “Company”) (ASX: IXR) refers to its letter to small shareholders sent to them and announced to ASX on 15 December 2025 regarding the establishment of an Unmarketable Parcel Sale Facility (**Facility**) for shareholders who hold less than \$500 of shares in the Company (**Unmarketable Parcel**).

Under the Facility, shareholders who held an Unmarketable Parcel had the ability to elect to “opt-out” of the Facility by returning their duly completed Retention Form to the Company’s share registry, Computershare Investor Services Pty Ltd, by 30 January 2026, which their shares would be able to be sold under the Facility with the Company paying all brokerage costs associated with the sale and remitting the sale proceeds to them.

The Company advises that a total of 1,348,891 shares held by 2,763 shareholders will be sold on-market in accordance with the terms of the Facility. The proceeds from the sale of the shares will then be remitted to participating shareholders as soon as practicable thereafter which is expected to occur later in February 2026.
