

Senior Executive Appointments

Felix Gold Limited (ASX: FXG) is pleased to announce two senior executive appointments:

- **Dan Brearley** – Vice President, Development & Operations (commencing 16 February 2026)
- **Dougal Elder** – Chief Financial Officer (commencing 16 February 2026)

Highlights

Dan Brearley – VP Development & Operations

- Former COO Chalice Mining; former GM Projects Evolution Mining
- Led US\$1.3B Pueblo Viejo expansion at Barrick Gold
- 25+ years in mining project development, construction and operations

Dougal Elder – Chief Financial Officer

- Former CFO Eleva Lithium (ASX: ELV)
- Delivered \$670M merger with Piedmont Lithium and Nasdaq dual listing
- Chartered Accountant with critical minerals sector experience

Felix Gold's Executive Director, Joseph Webb, commented:

"These appointments build the organisational capacity we need as Felix Gold transitions through development toward planned operations. Dan's project delivery background and Dougal's financial and capital markets experience complement the technical team we have assembled. Having this calibre of support around the Company gives us the ability to execute on our strategy to become America's Antimony Solution."

Background – Dan Brearley

Mr Brearley has 25 years of experience in mining project development, construction and operations. He was most recently Chief Operating Officer at Chalice Mining, where he led development of the Gonneville Palladium-Nickel-Copper Project. Prior roles include General Manager of Projects at Evolution Mining and Expansion Manager at Barrick Gold, where he led the US\$1.3 billion Pueblo Viejo expansion. Earlier in his career, Mr Brearley spent eight years at Newcrest Mining delivering large capital projects.

Mr Brearley holds qualifications in Civil Engineering from the University of Southern Queensland.

Background – Dougal Elder

Mr Elder is a Chartered Accountant with experience in the critical minerals sector. He was most recently Chief Financial Officer at Eleva Lithium (formerly Sayona Mining), where he delivered the \$670 million cross-border merger with Piedmont Lithium and concurrent Nasdaq listing. At Sayona, Mr Elder managed equity capital raisings totalling over \$200 million and established the financial reporting, governance and commercial frameworks to support the company's transition to production.

Mr Elder holds a Bachelor of Commerce (Honours) from the University of Queensland and is a member of Chartered Accountants Australia and New Zealand and the Australian Institute of Company Directors.
