About LPE

LPE is a growing energy provider to strata communities focused on the core Embedded Network business. LPE delivers renewable solutions for strata living, creating shareholder value through long term supply agreements that provide strong recurring revenue.

Currently LPE predominantly services the Queensland energy market, providing electricity, hot water, solar and battery systems to strata communities. Supporting those living in strata communities to reduce their carbon footprint and energy bills with no upfront cost.

Our Customer Value Proposition continues to evolve as we work with partners, communities and customers to find new solutions to take us into the future.
