AUSTRALIAN OIL CO.

About Australian Oil Co

Australian Oil is an Australian-based energy company focused on under-explored, recently overlooked, world class oil and gas opportunities near under-supplied markets.

The Company is currently focused on conventional oil and gas exploration and production in the Sacramento Basin in California. Australian Oil has a portfolio of natural gas and oil producing wells, in addition to prospects and discoveries at various exploration and appraisal stages.

AOK is in process of evaluating the acquisition of oil and gas producing and exploration assets to enhance the Company's strategic needs and delivering shareholder value.
